Piper Lawson Steamy Romance Books Enjoy this steamy British billionaire romance novel from USA Today bestselling author Piper Lawson! I sold my soul to a man I hate. Now, he owns me. I had a plan: sign a contract and board a plane to Ibiza. The anonymous deal would salvage the smoldering wreckage of my life. It would not involve billionaire Harrison King, the reason I need saving in the first place. He's as beautiful as he is ruthless. A British business titan who makes a living getting what he wants. The man flies private. Dates supermodels. But the crisp accent and cocky smirk don't fool me. He's a gentleman on the outside, a savage beneath. He knows nothing about compromise, and even less about love. Because after my attempt to publicly stand up for those who needed it, he destroyed my reputation. Now, he's come for the rest of me. I can't escape him, no matter what he has planned. But the first rule of war is never underestimate your opponent. Harrison King might know my secrets... But kings keep secrets too. Duke of Manhattan

Louise Bay My family are fighting over who's the next Duke of Fairfax. The rules say it's me—if I'm married. It's not a trade-off worth making. I could never limit myself to just one woman. Or so I thought until my world is turned upside down. Now, the only way I can save the empire I built is to inherit the title I've never wanted—so I need a wife. To take my mind off business I need a night that's all pleasure. I need to bury myself in a stranger. The skim of Scarlett King's hair over my body as she bends over . . . The scrape of her nails across my chest as she screams my name . . . The bite of her teeth on my shoulder just as we both reach the edge . . . It all helps me forget. I just didn't bargain on finding my one-night stand across the boardroom table the next day. Scarlett's making a business proposal. I've got more interest in a (fake) marriage proposal. The British Knight

Louise Bay When I'm offered the chance to leave New York to live in London for three months, I can't pack my suitcase fast enough. As soon as I touch down I'm obsessing over red telephone boxes, palaces and all the black cabs. But my favorite place is the tube. It's wall-to-wall hot British men in suits. When I'm offered a temporary job working for a barrister, I say, sign me up. On my first commute into work, it's a total accident when I lose my balance and fall against the most handsome Brit alive. He's as charming as James Bond and as suave as Mr. Darcy. I want to lick tea from his hard abs and listen to his accent all night long. Turns out Mr. Handsome is my new boss. And his attitude isn't as hot as his gorgeous face, broad shoulders and tight ass. He's brooding, short-tempered and the most arrogant man I've ever met. As we're fighting, out of nowhere he kisses me. And I'm pretty sure I see fireworks over Big Ben and hear God Save the Queen. I wasn't looking for the fairytale but I might have found my knight in shining armor. The problem is he lives an ocean away. A stand-alone, enemies to lovers, grumpy sunshine romance. International Player

Louise Bay Being labelled a player never stopped me from being successful with women. Until I met Truly Harbury. Truly was the first girl who ever turned me down. The first female friend I ever had. And she might just be the first woman I ever fall in love with. When an emergency means she needs my help running her family's charity, I'm happy to introduce her to the glitz and glamour of the London business world—taking her to dinners, coaching her through speeches, zipping up the sexy evening gown I helped her pick out. The more time we spend together, the more I want to convince her I'm not a man to avoid, that we're not as unsuited as she believes. She sees herself as the book-reading, science-loving introvert while I'm the dangerous, outgoing, charmer. She thinks I love parties and people whereas she prefers pajamas and a takeaway. What she doesn't realize is that I like everything about her—the way her smile lights up a room, how her curves light up my imagination, and especially the way her lips taste when coated with tequila. She's the first woman I ever fell in love with. I just need to know if she could ever love me too. A standalone novel. ***** What others are saying about Louise Bay: "A fabulous, smouldering love story" Katy Evans, NYT bestselling author "Insanely hot passion, and deliciously naughty and sweet characters. The Earl of London

Louise Bay Love left me of its to-do list. I date. I'm all for giving guys a chance. I've just never met the one. Until on a spring morning in the English countryside, a tall, dark stranger emerges from the mist. Logan Steele is all tousled hair, hard chest and lips so perfect I want to reach out and touch them just to check they're real. I'm sure that's a thunderclap of chemistry I feel between us. Did I mention he's an Earl with a self-made fortune? A billionaire who works tirelessly for charity? And he's so hot, watching him is like staring at the sun. But like I said, love isn't rooting for me. When I find out Logan Steele is out to destroy everything I've dedicated my life to protect, the chemistry disappears and the hope that had blossomed my chest turns to rage. It no longer matters that he quickens my pulse just saying my name, weakens my knees with a single touch and that he might just be the greatest kisser that ever lived. I might believe in love but Logan Steele is definitely not the one. A standalone romance. Tell Me You're Mine

The British Billionaires

A chance encounter between a secretive billionaire and a plus-size PR expert could be the perfect solution to both their problems - or a delicious scandal in the making - in New York Times best-selling author J. S. Scott's new British Billionaires series....I am the type of woman who always plays it safe. In my professional life as a public relations "fixer", and in my personal life, especially when it comes to the opposite sex. Really, who needs the wild highs and the I-want-to-die-because-he-left-me lows of a relationship? At least, that's what I thought...until I met him. Damian No-Last-Name-Given is sexy as sin, and I'd developed some kind of weird, instant attraction to him the moment he settled his chiseled body next to mine on a flight from London to Los Angeles. His sexy British accent did crazy things to my previously dormant female hormones, which had eventually led me to do the most impulsive thing I'd ever done in my entire life. I kissed him while everyone else in business class was sleeping. Or had he kissed me? All I knew was that we were both very willing participants, and that panty-melting embrace had rocked my entire world while it was happening. Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie's true identity. He'd held his last name back for a reason. Oh no, I couldn't make some once-in-a-lifetime misstep with an ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn't all that earthshattering - if Damian Lancaster hadn't boldly swaggered into my office the very next day to apologize, and to make me a business offer I couldn't possibly refuse.... Goodbye sanity; hello madness.

Mr. Bloomsbury

Louise Bay He's cold, rude and undeniably arrogant. That's how Andrew Blake's best friends describe him. I'm his new assistant. Nothing I do is good enough. The more I try and please him, the more he ignores me. I'm beginning to wonder if there's a heart in that tall, hard, gorgeous body of his. After work I'm complaining about him to my new best friend—the bartender at the pub near the office. Guess who's seated behind me and has heard every gripe, grumble and grievance? By the look in Andrew's eye, I can't tell if I'm going to get fired or kissed. A stand alone romance. Enemies to Lovers, Fake Relationship, Billionaire romance!

[Sankofa Girl](#)

Park Avenue Prince

[Louise Bay](#) [THE PRINCE OF PARK AVENUE FINALLY MEETS HIS MATCH IN A FEISTY MANHATTAN PRINCESS](#). I've made every one of my billions of dollars myself--I'm calculating, astute and the best at what I do. It takes drive and dedication to build what I have. And it leaves no time for love or girlfriends or relationships. But don't get me wrong, I'm not a monk. I understand the attention and focus it takes to seduce a beautiful woman. They're the same skills I use to close business deals. But one night is where it begins and ends. I'm not the guy who sends flowers. I'm not the guy who calls the next day. Or so I thought before an impatient, smart-talking, beyond beautiful heiress bursts into my world. When Grace Astor rolls her eyes at me--I want to hold her against me and show her what she's been missing. When she makes a joke at my expense--I want to silence her sassy mouth with my tongue. And when she leaves straight after we f*ck with barely a goodbye--it makes me want to pin her down and remind her of the three orgasms she just had. She might be a princess but I'm going to show her who rules in this Park Avenue bedroom. A sexy, stand-alone, contemporary romance. Mr. Smithfield

[Louise Bay](#) [Wanted: American nanny for an adorable four-year old. Must be able to handle a moody, brooding, sexy British boss. I'm a single father, a lawyer and some say the most serious man in London. I'm completely focused on raising my four-year-old daughter. Since my wife walked out three years ago, the only woman who has ever caught my eye is the strictly off-limits sister-in-law of my best friend, Autumn Lumen. But temptation is easy to resist because Autumn is only visiting London from Oregon. Until she moves to London. The nanny quits. And she's the only woman for the job. The Billionaire Boy's Club

The Complete Collection Vol I

Four bossy billionaires have met their matches in these four steamy sweet interconnected romances. This collection includes the books of Gia's Billionaire Boy's Club series in one volume. She's Mine - Angel The first thing I learned about West St. Vincent, was the size of protection he used. Extra extra large, if you're curious. I also learned that he usually dated willowy blondes with a surgery face, vapid expressions, and a vomit-worthy tendency to simper at his feet. My name is Angel DeMarco, and I've never simpered. A simple fact that's about to get me in a whole lot of trouble. Already His - Mial'm the good girl. I work hard, go home for lunch on Sunday, and never, ever forget myself in the back of a town car with a taciturn billionaire lawyer who just happens to be the best man to my maid of honor. Yep, that didn't happen, and even if it did... it doesn't matter, because I've got an arranged date to focus on and a job measuring inseams to get back to. So what if Elliot Winter is the hottest, bossiest alpha male to cross my path in forever. I'm the good girl...right? Bought and Paid For - Jack They call me the blue-collar billionaire, a self-made man who hates people... they might be right. But when I see Clara, I don't care about any of that. I have to have her, even if it means bidding on her at auction. She's blue-blood and refinement, manners and poise, and when she says we are from different worlds, I don't care. Clara is everything I want. No one sees the real her as I do. I want to worship and adore her, but first, I need to show her that I mean what I say... And I say she's mine. Until Her - Greyson It started with a ruse. It was just a game, a play, a way to land a new client and then... Tessa walked into my office. With a body made to be touched, and an innocent smile that destroyed me. I knew in that moment I would do anything to make our little game a reality. I want my ring on her finger and I won't let anybody stand in my way. She doesn't see herself clearly, she has no idea of her allure and I'm going to show her just how special she is. Getting her to pose as my fiancé is just the start. Now I have her, I'm not letting her go. Extra steamy. No cliffhanger. HEA guaranteed. If you like OTT billionaires who fall fast and hard for a lucky girl and take no excuses or prisoners in their pursuit, then follow me and never miss a release!

Parisian Nights

Louise Bay The moment I laid eyes on the new photographer at work, I had his number. Cocky, arrogant, and super-wealthy, women were eating out of his hand as soon as his tight ass crossed the threshold of our office. But not me. I knew better. When we were forced to go to Paris together for an assignment, I wasn't interested in his seductive smile, his sexy accent, or his dirty laugh. I wasn't falling for his charms. Until I did. Until Paris. Until he was kissing me and I was wondering how it happened. Until he was dragging his lips across my skin and I was hoping for more. Paris does funny things to a girl, and he might have gotten me naked. But Paris couldn't last forever. The Wrong Gentleman

Louise Bay I'm an all-or-nothing man—100 percent focused on whatever has my attention. First it was serving my country in the Special Forces. Then it was building my business. Right now it's the hot blonde at the bar who's about to become another notch on my bedpost. But women never keep my attention for more than a night. Until I peel off Skylar Anderson's clothes and her mask starts to crumble, showing me glimpses of the girl she's hiding. She's funny, sexy and vulnerable and throws me out of bed before I can catch my breath and suggest breakfast. When I start my last undercover job on a yacht, turns out, she's one of the crew. I try, but I can't look away. Her high ponytail shows off her kissable neck that tastes like summer. Her short uniform reveals the killer legs that were wrapped around me last night. And her provocative smile? I know what that mouth is capable of. I want to explore her body, discover her secrets and sail off into the sunset with her. I might want to go all in for Skylar, but she should stay away from me. I've got secrets of my own and they can only bring her trouble. A stand-alone novel. Love Unexpected

Louise Bay Blake When the fierce redhead with the beautiful ass walks into the local bar, I can tell she's passing through. And I'm looking for distraction while I'm in town—a hot hook-up and nothing more before I head back to the city. If she has secrets, I don't want to know them. If she feels good underneath me, I don't want to think about it too hard. If she's my future, I don't want to see it. I'm Blake McKenna and I'm about to teach this Boston socialite how to forget every man who came before me. Mackenzie When the future I had always imagined crumbles before my very eyes, I grab my two best friends and take a much needed vacation to the country. My plan of swearing off men gets railroaded when on my first night of my vacation, I meet the hottest guy on the planet. I decide he could be the distraction I might just need. I'm certainly not going to reveal my deepest secrets to him as we steal away each night hoping no one will notice. And the last thing I'm going to do is fall in love for the first time in my life. My name is Mackenzie Locke and I haven't got a handle on men. Not even a little bit. Not until Blake. Previously titled Love Rehab. A standalone, contemporary romance. Promised Nights

Louise Bay I've been in love with Luke Daniels since, well, forever. As his sister's best friend, I've spent over a decade living in the friend zone, watching from the sidelines hoping he would notice me, pick me, love me. I want the fairy tale and Luke is my Prince Charming. He's tall, with shoulders so broad he blocks out the sun. He's kind with a smile so dazzling he makes me forget everything that's wrong in the world. And he's the only man that can make me laugh until my cheeks hurt and my stomach cramp. But he'll never be mine. So I've decided to get on with my life and find the next best thing. Until a Wonder Woman costume, a bottle of tequila and a game of truth or dare happened. Then Luke's licking salt from my wrist and telling me I'm beautiful. Then he's peeling off my clothes and pressing his lips against mine. Then what? Is this the start of my happily ever after or the beginning of a tragedy? Promised Nights is a sexy, standalone with no cliffhanger. Some of the supporting characters have a book of their own. Other Books in the Nights Series Parisian Nights is Jake and Haven's story. Indigo Nights is Beth and Dylan's story. Private Player

Louise Bay The first time I meet Madison Shore, I'm greeted by her knickers. She's upside down and trying to untangle herself from my chair at a wedding. I get to see a whole lot more of her later that night. The second time I meet Madison Shore is in my London office. Turns out she's a journalist writing an article about me. To keep control of my company, I need to convince people I'm more serious about business than my playboy reputation suggests. Madison holds my future in her hands. Now I just need to convince the woman I took to bed on Saturday night that I'm not the player everyone thinks I am. Private Player is a stand-alone novel. "Pure Louise Bay deliciousness. Mister McHottie

There are three things I hate: Bratwurst in any form, my neighbors boinking like farm animals at 3 AM, and Chase Jett. Mostly I hate Chase Jett. It's been ten years since he took my virginity-I'd make a bratwurst joke, but the unfortunate truth is that it would have to be a brat-best joke, and yes, it kills me to admit that-and now he's not only a billionaire, he's also my new boss. Turns out our hate is mutual. And this kind of hate is horrifically twisted, filthy, and banging hot. I just might have to hate him forever. Mister McHottie is the hilariously sexy romantic comedy that your mother warned you about, complete with an organic happy-ever-after (or seven), a Bratwurst Wagon, ill-advised office pranks, and no cheating or cliffhangers.

Billionaire Bosshole

An Enemies-To-Lovers Office Romance

Bosshole ('bòs - 'hòl) -noun 1. A person who turns into a massive jerk ten seconds after being made supervisor. 2. An employer completely devoid of empathy or concern for anyone else. 3. A manager with whom you often disagree. Also see: jerk boss, a\$\$hole, egomaniac Do you know the one thing you should never do at work? Your boss. Sadly, following that particular piece of advice is much easier said than done. Ronan Maxwell is hands down the sexiest man I've ever met. He's also the pushiest, most demanding, and most arrogant S.O.B. on the planet. And even though I can't stand him, I never stop wondering how his ridiculously pretty mouth would feel against my skin. Or whether or not that bulge in his pants is as impressive as it seems. For two years, I had it under control. But then one late night, all that changed. Now that I know firsthand how electrifying his touch can be, I want him more than ever. And the longer we continue this twisted relationship, the softer my heart gets. I have no idea what the future holds, but one thing I know for sure--this man has the power to break my heart. And that's one thing I can never let happen. *Billionaire Bosshole is the third installment in the Bedding the Billionaire world. It is a full-length interconnected standalone novel.

She doesn't recognize me, she's never heard of Matt Easton and my million dollar smile doesn't work on her. Ego shredded, I know I should keep my distance, but when I realize she's my neighbor I know I'm toast. There's no way I can resist temptation when it's ten yards away. She has a mouth designed for pleasure and legs that will wrap perfectly around my waist. She's movie star beautiful and her body is made to be mine. Getting Lana Kelly into my bed is harder than I'm used to. She's not interested in the glitz and glamour of Hollywood, but I'm determined to convince her the best place in the world is on the red carpet, holding my hand. I could have any woman in the world, but all I want is the girl next door. A sexy, standalone romance. You Can't Buy Love

A Billionaire Romance

Wicked Dreams Publishing 2021 NATIONAL EXCELLENCE IN STORY TELLING FINALIST NOW A #1 BESTSELLER IN MEDICAL ROMANCE* "This book has the perfect amount of banter, chemistry, loyalty, drama, friendship and love." -Louise, Romance, Movies, and Books Blog From award-winning and international best-selling author Melanie A. Smith comes a series of steamy contemporary medical romance standalone novels about life lessons that break all the rules. Money can't buy happiness, but neither can pride ... Julianna Magnusson is tired of working her tail off at her thankless job as a nurse practitioner for the cardiac unit at Rutherford Hospital. Tired of having little to no time for her own life. But most of all, she's tired of pretending that she's happy about it all. So when her boss insists she attend the annual hospital charity gala, spending a ton of money on a dress to impress a bunch of stuck-up snobs doesn't exactly sound like her idea of a good time. Still, ever the dutiful employee, she makes an appearance. Only to meet a handsome stranger named Noah who stops her from drunkenly confronting the man who owns the hospital about all the issues at work. Then Noah does so much more, giving her a night of passion that she'll never forget. Still, Jules has no intentions of taking it further. As timely as meeting him was, Noah is many things she'd never want in a man: Clearly elitist, arrogant, and bossy, he's nothing more than a one-night stand. Which was a great plan until he turns up at her hospital with a mind to shake things up in a way that could affect her career and her decision to write him off, igniting an epic battle between them as the chemistry that sparked the initial attraction transforms into a battle of wills. Their clash could jeopardize everything Jules has worked for — or, if she can look past her own pride, it might lead to everything she needs. In the fight between what we think we want and what life has in store for us, what wins? *AZ 9/11-16/2021

Hopeful

Louise Bay A long time ago, Joel Wentworth told me he'd love me for infinity . . . and I can't give up hope that it might have been true. How long does it take to get over your first love? Eight years should be long enough. My mind knows that, but there's no convincing my heart. Guys like Joel weren't supposed to fall for girls like me. He had his pick of women at University, but somehow the laws of nature were defied and we fell crazy in love. After graduation, Joel left to pursue his career in New York. He wanted me to go with him but my life was in London. We broke up and my heart split in two. I haven't seen or spoken to him since he left. If only I'd known that I'd love him this long, this painfully, this desperately. I might have said yes all those years ago. He might have been mine all this time in between. Now, he's moving back to London and I need to get over him before he gets over here. But how do you forget someone who gave you so much to remember? Hopeful is a stand alone, sexy contemporary romance. Maid To Hate

The Billionaire's Maid Series

Independently Published My family was everything to me. Which is why I didn't hesitate. I dropped it all-my life, my career, my home-and left New York, with my sisters, to come back and run my mom's business when she got sick. Cleaning wasn't my thing, but my mom was damn good at it. So much so that her maid service was doing well with some pretty rich clientele. Zane Richards. He'd been one of them. I'd pictured a stuffy old man with a trophy wife, but I couldn't have been more wrong. Young. Hot. Rich. Charming. Sinful. Though I hated him on sight, that didn't stop me from wanting him. So, I took him...and that should have been all. Just sex, no strings. And I'd return to my life in New York when my mom was better. But that damn thin line...always getting in the way... Maid to Hate...or Maid to Love?
