52 Funeral Sermons

Createspace Independent Pub For most of us, one of the most rewarding, yet difficult tasks, is preparing messages to preach and teach. We are honored by God to stand before our congregation each week, and we want to give them the very best, but with the press of the many demands of ministry, sometimes that is difficult to do. And if you're like me, you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written. In other words, no one knows your people like you do! Our new Pulpit Outline Series gives you a starting point - a sermon title, a deductive sermon outline; and a relevant illustration you can use however you like. In this edition, rather than an outline, we have given you full manuscript messages that can be edited to suit your purposes. We invite you to make these messages your own, because only you know the people God has called you to preach to. And we are so honored that you've invested in this unique third volume in the Pulpit Outline series - 52 Funeral Sermons. We have put together the most tasteful, relevant, and Biblical messages possible. May God Bless You as You Share His Word!

They're about to be cut off from the outside world, and she's not sure she can handle the solitude or the darkness it brings out in her. Unstoppable

Unstoppable is a word defined as "difficult or impossible to preclude or stop." As a human quality, it is something that we associate with people such as sports superstars, those who do whatever it takes to inspire others and lead teams to the greatest of victories. Sometimes, an idea or person can become unstoppable. Unstoppable, like Charles Lindbergh crossing the Atlantic in a solo flight when no one had thought it was possible, or track star Roger Bannister breaking the four-minute mile barrier. Not everyone can be an explorer or a great athlete, but anyone can be unstoppable in their chosen endeavors in life. If you are willing to possess an unwavering determination to succeed and a consistent willingness to learn and

evolve, you can become unstoppable and triumph too. This book is about a personal struggle, one in which the author awoke from a coma after a terrible accident and faced a life of permanent paralysis. A long battle of driven determination resulted in Yanni Raz regaining his health and becoming a self-made millionaire after migrating from his native Israel to the United States. Through careers as a musician, a Starbucks barista, a salesman, a real estate whiz, a professional poker player and a hard money lender, Yanni learned reliable principles and the skills necessary for success. Unstoppable covers many topics including controlling your life, making the best decisions, creating new opportunities, properly assessing signals, expertly negotiating, and succeeding by storytelling across the media landscape. You'll learn about integrity in business, asset diversification, and many other life tips that thousands of people learn from Yanni on a daily basis. It is time to become fearless and lead a powerful life. With Yanni's new book Unstoppable, you can do just that.

Think on Paper

THINK ON PAPER 100 PAGE SOFTBOUND LINED PAPER JOURNAL

Collection of Drawings by White Bread - Volume 2

Surreal Encounters of the Unconscious Mind

Independently Published *This book is a legacy to our children and grandchildren..However, since they have not been incarnated on this Earth yet, it is our pleasure to share it with the reader!Dear reader, The journey you are about to embark on is of an abstruse nature. In front of you is a collection of imaginative drawings or comic strips, if you will. These visions have been summoned from the unconscious and subconscious mind of my husband. All of the drawings were drawn in a matter of minutes with both his left and right hand (both brain hemispheres) simultaneously. The surreal images appear on paper as some sort of auto-drawing, where the subject/theme/dreamscape of the drawing is not premeditated. It is drawing in the moment, while the pen is gliding over the paper..(no pencils, no erasing, no pausing to think.) Pure stream of (un)consciousness; instant mind to paper.The original drawings were created by him in black ink on white paper, to later be scanned into the computer and colored digitally by moi. It has become a collaborative work of two minds working together. The characters hidden in the book are unique, have a life and a world of their own and are inviting you to take a holiday*

in their realm. Lose your sense of time and urgency getting lost in reverie. Find the hidden riddles and questions each vision postulates. Get lost in a dreamworld, where the surreal and abstract reign whilst all the rules of conventional art and aesthetic are parodied. Let the characters and their environments tickle your own imagination while you watch the them live similar lives to ours: they wander, they wonder, they are confused and pensive, they get angry and fall in love, they have their own dreams within dreams...they are just like us but just a bit strange and silly. They wear their emotions and thoughts on their visages. Their appearances merge with their thoughts. Inner space and outer space are married on paper. Welcome to our world! the White Bread couple
