### SIMPLIFY YOUR ELECTRONIC LIFE

---

[Andrews McMeel Publishing](#) **Smartphone, router, Blu-ray, LED - America's use of electronics has grown increasingly more challenging since the invention of the light bulb. If you don't know how many pixels your HDTV should contain for maximum viewing pleasure or if you're ready to throw your hands up when you hear that you have to configure your Internet router using the WPA-PSK (TKIP) or WPA-PSK (TKIP) + WPA2-PSK (AES) security protocols, then you need Eric Taub's Does This Plug Into That?. Taub ignores the jargon and demystifies the technology that can make our lives easier, but usually leaves us bewildered, flummoxed, and defeated - especially after consulting the manufacturer's installation and usage instructions. Does This Plug into That? cracks the geek code and offers practical advice and directions for everything from purchasing a new TV and setting up a Web connection, to installing a home network and more. Does This Plug Into That? is the all-inclusive resource that will make you smarter than your smartphone while enhancing your gadgetry and electronic prowess. Does This Plug into That? is every consumer's Rosetta Stone, distilling down all the extraneous technical information into simple actions without the gobbledygook. Now you can join the technophile generation without panicking in the process.**

### 100 INDUSTRIAL-STRENGTH TIPS & TOOLS

---

"O'Reilly Media, Inc." It might be the long lines at the theater, the \$4.00 for a small bag of popcorn, or the cutting-edge technology that's now so readily available to the home market. Whatever the reason, the home theater market today is booming like the soundtrack to Star Wars! Want proof? A Google search for home theater reveals over three million results. Yikes! It's simply undeniable: More and more people prefer watching their favorite movies, television shows, and videos from the comfort of their own sofas and couches. What's also undeniable is the inexperience of most people who choose to install or upgrade their home theaters. Until now, the knowledge, technique, and experiences of those who've encountered similar conditions to yours could only be accessed through laborious web searches, stacks of magazines, and water cooler conversations. Home Theater Hacks from O'Reilly is the perfect remedy for this group. A smart collection of insider tips and tricks, Home Theater Hacks covers home theater installation from start to finish, purchase to experience. Just imagine: no frustrating trial-and-error process and better yet, no expensive appointments with installation experts. Home Theater Hacks prevents both by imparting down-and-dirty technique not found anywhere else. The book begins with a quick glossary of terms so you can speak the lingo when you go shopping, and then dives right into hush-hush, insider tricks. It's all covered where to find the right audio and video components, how to deal with speakers and wiring, understanding cable connectivity, mastering remote controls, how to fully grasp TiVo, and so much more. And to top it off, each of these insider tips is presented in a concise yet delightfully entertaining style. Bringing the Jurassic Park dinosaurs into your living room has never been so easy! A seasoned veteran with numerous O'Reilly titles under his belt, author Brett McLaughlin leaves no stone unturned in helping you customize your home theater experience to your own personal environment.

### WILD DOGS UNDER MY SKIRT

[Victoria University Press](#) Wild Dogs Under My Skirt (2004), Tusiata Avia's first collection of poetry, draws on two different cultures and charts the sometimes painful points of their intersection. These poems are both confrontational and entertaining, raw and lyrical, they occupy legend and history - yet break through into an urban landscape that is just as arresting and richly patterned. Avia's poetry is alive with the energy and rhythm of performance poetry and an oral tradition, but it also stakes out a unique physical life on the page, reshaping our language and our understanding of New Zealand culture.~~Tusiata's poetry is quite revolutionary in the sense that, not only does it define the face of Pacific literature in New Zealand, but it redefines the face of New Zealand literature itself.' - Sia Figiel~~Book Cover.

### THE FILMMAKER'S GUIDE TO PRODUCTION DESIGN

[Simon and Schuster](#) Learn to turn a simple screenplay into a visual masterpiece! Top production designers share their real-life experiences to explain the aesthetic, narrative, and technical aspects of the craft. Step by step, aspiring filmmakers will discover sound instruction on the tools of the trade, and established filmmakers will enjoy a new outlook on production design. They will learn, for example, the craft behind movie magic-such as how to create a design metaphor, choose a color scheme, use space, and work within all genres of film, from well-funded studio projects to "guerilla filmmaking." This indispensable resource also contains a history of movie making and guidelines for digital production design. For the experienced filmmaker seeking new design ideas to the struggling newcomer stretching low-budget dollars, this book makes the processes and concepts of production design accessible. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York

Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.
