ASSAULT ON LAKE CASITAS

CreateSpace Brad Alan Lewis' determination to win an Olympic medal had taken over his life by 1984. He would be too old for the 1988 Games and his spot on the 1980 team had been lost to world politics. Only 1984 remained. But Lewis had a problem. Emotionally crushed after losing a guaranteed spot on the team by nine-tenths of a second in the single scull trials, Lewis went to the dreaded Olympic selection camp, where he hoped to earn a place in a national team boat. Again he failed. Lewis refused to be denied. He teamed up with Paul Enquist, who had been cut from the camp, and began training to challenge the national boat. It would be their last chance to compete in the Los Angeles Olympic Games. Using innovative psychological and physical training techniques developed by Lewis, they defeated the national entry at the double scull trials, three weeks after being considered failures by the system. In an event dominated by the Europeans, they won the first United States gold medal in rowing since 1964 and the first in the double scull since 1932. Lewis' story is more than a book about a man winning a gold medal in a sport that offers little more than personal rewards. It is about challenging convention, overcoming defeat and working outside of an established system. Assault on Lake Casitas is a compelling tale of competition at the highest possible level and the emotions that fuel obsession.

BEYOND THE BLUE BORDER

Charlesbridge Publishing Hanna and Andreas will do anything to leave oppressive East Germany behind. There's one escape route open to them, but can they survive it? Hanna and Andreas have always been friends. When they're expelled from school for activism directly challenging the socialist state in East Germany, they end up doing factory work. But what kind of life do they have to look forward to without education or opportunity? Especially when they aren't allowed a voice? The choice to risk imprisonment or death by escaping to the democratic West seems like a risk worth taking. They set out to swim twenty-five hours across the choppy waters of the Baltic Sea. Linke's storytelling achieves a delicate balance between heightened moments of danger--searchlights, jellyfish, a Russian helicopter, a violent summer storm--and the monotony, ineffable fatigue, physical pain, cramping, fear, and hope that fill the rest of the journey. A memorable tale of two people risking all for a chance at freedom.

POLITICAL MEMORY IN AND AFTER THE PERSIAN EMPIRE

SBL Press Various disciplines that deal with Achaemenid rule offer starkly different assessments of Persian kingship. While Assyriologists treat Cyrus's heirs as legitimate successors of the Babylonian kings, biblical scholars often speak of a "kingless era" in which the priesthood took over the function of the Davidic monarch. Egyptologists see their land as uniquely independently minded despite conquests, while Hellenistic scholarship tends to evaluate the interface between Hellenism and native traditions without reference to the previous two centuries of Persian rule. This volume brings together in dialogue a broad array of scholars with the goal of seeking a broader context for assessing Persian kingship through the anthropological concept of political memory.

THE INCREDIBLE HERE AND NOW

Giramondo Publishing Michael's older brother dies at the beginning of the summer he turns 15, but as its title suggestsThe Incredible

Here and Now is a tale of wonder, not of tragedy. Presented as a series of vignettes, in the tradition of Sandra Cisneros' Young Adult classic *The House on Mango Street*, it tells of Michael's coming of age in a year which brings him grief and romance; and of the place he lives in Western Sydney where 'those who don't know any better drive through the neighbourhood and lock their car doors', and those who do, flourish in its mix of cultures. Through his perceptions, the reader becomes familiar with Michael's community and its surroundings, the unsettled life of his family, the girl he meets at the local pool, the friends that gather in the McDonalds parking lot at night, the white Pontiac Trans Am that lights up his life like a magical talisman.

HALLELUJAH TROMBONE!

THE STORY OF HENRY FILLMORE

Grupo Editorial Norma

THE TAMING

Penguin Group Katie likes to believe she's invisible. It seems so much safer than being exposed as who she is: shy, poor, and vulnerable. So getting up in front of audience as the lead in her school's production of *The Taming of the Shrew* should be complete torture. But as Katie tells it, something totally unexpected happened when she stepped on stage: "My head exploded. I loved it. Acting hit me like a sucker punch and I loved, loved, loved it! Invisible Katie became visible Katherina." Evan is, as they say, another story. He knows just what it takes to get noticed, and he uses every one of the skills he's perfected from years of being the new kid at yet another new school. Rich, smart, and ridiculously charming, he's like nothing and no one Katie has ever encountered. How then could someone like him possibly be interested in someone like her? But before she knows it they are inseparable. Over the dizzying course of their relationship, Katie must confront the fact that the power of love can conceal darker truths.
