KEY=RARDIN - ALEX JAZMIN

Bite Marks

Orbit Jaz Parks here. But I'm not alone. I'm hearing voices in my head - and they're not mine. The problem, or maybe the solution, is work. And the job's a stinker this time -- killing the gnomes that are threatening to topple NASA's Australian-based space complex. Yeah, I know. Vayl and I should still be able to kick this one in our sleep. Except that Hell has thrown up a demon named Kyphas to knock us off track. And damn is she indestructible!

Bitten in Two

Hachette UK Jaz Parks here. I. Am. Pissed. Just as Vayl and I arrive in Morocco to secure an ancient artifact, he wakes up calling me by another woman's name. And it's not even a good one. But since any form of argument transforms him into an unholy terror, I'm forced to play along until the gang and I can figure out what kind of power has so vastly altered his perceptions. So it's time for me to do what any well-trained assassin in my position might do. I attack. What follows is a hair-raising, breath-taking bullet train ride to the finish as the crew battles on multiple fronts. I now know what I have to do -- I must return to hell one last time.

Biting the Bullet

Orbit I'm Lucille Robinson (aka Jaz Parks). This is a mission unlike anything my vampire boss, Vayl, and I have ever been on. It's not our usual take-them-out-and-run; it's an undercover mission that needs the whole gang: a psychic, an interpreter, and a weapons specialist. We've never gone in which such heavy artillery before, but the more the merrier, right? Um...nope. At least not since Vayl and I learned part of

our job is to ferret out a mole concealed in our unit. To add to our problems, we're being harried by a pack of reavers bent on revenge, and targeted by a Seer who wants to share Vayl's power - at any cost. This is going to be a blast.

Once Bitten, Twice Shy

Orbit I'm Jaz Parks. My boss is Vayl, born in Romania in 1744. Died there too, at the hand of his vampire wife, Liliana. But that's ancient history. For the moment Vayl works for the C.I.A. doing what he does best--assassination. And I help. You could say I'm an Assistant Assassin. But then I'd have to kick your ass. Vayl and I have to take out a Miami plastic surgeon with ties to terrorism. But the assignment gets complicated when it turns out he's in cahoots with a supernatural nasty powerful enough to bring America to her knees.

Dead Man Rising

A Dante Valentine Novel

Orbit "Dark fantasy has a new heroine." --- SFX When the dead call, she answers. Bounty hunting is a helluva job, but it pays the bills. And it lets Necromancer Dante Valentine forget her issues---like struggling with her half-demon side and the memory of her lover's death. Now psychics all over the city are being savagely murdered---and a piece of the past Dante thought she'd buried is stalking the night with a vengeance. Too bad she's got no way to tell which fiend--or friend--to trust. Or that her most horrifying nightmares are gathering to take one kick-ass bounty hunter down for the count. But that's only the beginning. The Devil just called. He's looking for Dante's lover--the one he killed... The Devil's Right Hand

Orbit Dante Valentine, Necromancer and bounty hunter, just wants to be left alone. But the Devil has other ideas. The Prince wants Dante. And he wants her now. And Dante and her lover, Japhrimel, have no choice but to answer the Prince's summons. And to fulfill a seemingly simple task: become the Devil's Right Hand, hunt down four demons that have escaped from Hell, and earn His gratitude. It's a shame that nothing is ever easy when it comes to the Devil. Because of course, he doesn't tell Dante the whole truth: there is a rebellion brewing in Hell. And there is a good chance that Lucifer is about to be pushed off the throne. But Dante is getting really tired of being pushed around. And this time, she might be angry enough to take on

the Devil himself... Half the Blood of Brooklyn

A Novel

Del Rey "One of the most remarkable prose stylists to emerge from the noir tradition in this century." -Stephen King "Hard-boiled horror, pulp noir vampires, decaying urban souls- you're gonna need a shower after this one. . . . [Huston] kicks down the door of horror." -Fangoria, on Already Dead There's only so much room on the Island, only so much blood, and Manhattan's Vampyre Clans aren't interested in sharing. So when the Vyrus-infected dregs of New York's outer boroughs start creeping across the bridges and through the tunnels, the Clans want to know why. Bad luck for PI and general hard case Joe Pitt. See, Joe used to be a Rogue, used to work off his own dime, picked his own gigs, but tight times and a terminally ill girlfriend pushed him into the arms of the renegade Society Clan. Now he has all the cash and blood he needs, but at a steep price. The price tonight is crossing the bridge, rolling to Coney Island, finding the Freak Clan, and figuring out what's driving that bunch of savages to scratch at the Society's door. No need to look far. The answer lies around the corner in Gravesend. Convenient, all those graves. From uptown to the boardwalk, war drums are beating. Murderous family feuds and personal grudges are being drawn and brandished, along with the long knives. Blood will spill and, big surprise, Joe's in the middle. But hey, why should this night be different from any other? Sunset to sunrise: put off a war, keep your head attached to your neck, and save your girl. Check. Joe's on the case. Praise for Charlie Huston and his Joe Pitt novels "In conceiving his world (a New York City divided by vampire clans, each with different reasons to hate Pitt), Huston gives a fading genre a fresh afterlife. [Grade:] A." -Entertainment Weekly "[Huston] creates a world that is at once supernatural and totally familiar, imaginative, and utterly convincing." -The Philadelphia Inquirer
