A reissue of Pam Munoz Ryan's bestselling backlist with a distinctive new author treatment. In this fast-paced, courageous, and inspiring story, readers adventure with Charlotte Parkhurst as she first finds work as a stable hand, becomes a famous stage-coach driver (performing brave feats and outwitting bandits), finds love as a woman but later resumes her identity as a man after the loss of a baby and the tragic death of her husband, and ultimately settles out west on the farm she'd dreamed of having since childhood. It wasn't until after her death that anyone discovered she was a woman. **Billy and Blaze A Boy and His Pony** Simon and Schuster The first book in the classic, beloved Billy and Blaze series, from renowned author C.W. Anderson. Billy was a little boy who "loved horses more than anything else in the world." Imagine how happy he was when he got his very own pony for his birthday! From that day on, Billy was seldom seen without his new friend, Blaze. Riding through fields and woods, Billy and Blaze learned to trust and understand one another—and to jump over fences and fallen trees with ease. They were a great team, but were they good enough to win the gleaming silver cup at the Mason Horse Show? This is the first book in the classic Billy and Blaze series. Sensitive drawings and easy-to-read words capture the warmth and gentle understanding between a boy and his horse. **Beyond Recognition** Hachette Books Seattle police sergeant Lou Boldt is stunned when the local fire investigator presents him with frightening evidence in a series of fires that have occurred in the Seattle area. These white-hot fires burn so cleanly that even the ash disintegrates--leaving not a trace of its victims or any evidence of criminal activity. Only when Boldt is taunted by someone sending him pieces of melted green plastic--houses from a Monopoly board--does he realize that an arsonist is involving him in a deadly game. **Silver Snaffles** Fidra Books Limited 'Silver Snaffles' is the magical story of Jenny, who longs to learn to ride and has her chance when she follows the instructions of Tattles, the pony that she visits every day. According to rumor, he was once a famous magician who could turn a pile of straw into a horse. Now, Touch needs the ghost's help in order to escape his wicked great-uncle. So, with an armload of straw and a determined spirit, Touch makes his plea to The Great Chaffalo -- and, magically, a horse appears! But can magic save Touch when his great-uncle's schemes grow even more villainous? **The Power of the Dog A Novel** Little, Brown Now an award-winning Netflix film by Jane Campion, starring Benedict Cumberbatch and Kirsten Dunst: Thomas Savage's acclaimed Western is "a pitch-perfect evocation of time and place" (Boston Globe) for fans of East of Eden and Brokeback Mountain. Set in the wide-open spaces of the American West, The Power of the Dog is a stunning story of domestic tyranny, brutal masculinity, and thrilling defiance from one of the most powerful and distinctive voices in American literature. The novel tells the story of two brothers — one magnetic but cruel, the other gentle and quiet — and of the mother and son whose arrival on the brothers' ranch shatters an already tenuous peace. From the novel's startling first paragraph to its very last word, Thomas Savage's voice — and the intense passion of his characters — holds readers in thrall. "Gripping and powerful...A work of literary art." —Annie Proulx, from her afterword **Anna Sewell's Black Beauty** Penguin Black Beauty, published in 1877 and set in Victorian London, was Anna Sewell's only novel. Yet it has remained a classic for 140 years. Now the beloved story of Black Beauty is retold for beginning readers with full-color illustrations on every page. **A Traveler at Forty** Cosimo, Inc. A Traveler at Forty ."rises completely out of the commonplace, and becomes something new, illuminating and heretical. It differs enormously from the customary travel books: it is not a mere description of places and people, but a revelation of their impingement upon an exceptional and almost eccentric personality." - H. L. Mencken "For everywhere [Dreiser] goes he watches people with a terrible curiosity about them that never rests until he has their secrets." - Sinclair Lewis The most productive period of Theodore Dreiser writing life began with the five months he spent in Europe between 1911 and 1912. A Traveler at Forty is the detailed account of his travels during that time, including the exploration of his ancestral roots in Germany. This is the text of the popular original edition as it was published in 1913. THEODORE DREISER (1871-1945) was a pre-eminent American novelist of the first half of the twentieth century. He believed that the experiences of working-class people striving for economic, emotional, and spiritual fulfillment were viable subjects for serious fiction, and for this reason he is regarded as an anatomist of the "American Dream." **In the Steps of John Bunyan An Excursion Into Puritan England (Classic Reprint)** Forgotten Books Excerpt from In the Steps of John Bunyan: An Excursion Into Puritan England It would be as logical to transform Joan Of Arc into a hospital almoner or police-court probation Officer. Puritan preacher or Catholic saint, the prophetic Child Of nature speaks a different language from that Of the earnest educator and the trained social worker. A few critics have gone to the other extreme, for the great will always have their detractors among the small. Inspired by a com prehensible reaction against the moralists, they have endeavoured to present John Bunyan as a species Of village idiot. It discusses the limbic system—the cortical and subcortical structures in the human brain involved in emotion, motivation, and emotional association with memory—at length and how this is no longer a useful guide to the study of psychiatric disorders. The book provides an understanding of brain anatomy, with an emphasis on the new anatomical framework which has emerged during the last quarter century. The goal is to help the reader develop an understanding of the gross anatomical organization of the human forebrain. A re-evaluation of brain anatomy, with an emphasis on the new anatomical framework which has emerged during the last quarter century A compellingly expanded conceptualization of Broca's famous limbic lobe Clinical and basic science boxes highlighting specific concepts, structures, or neuronal circuits from a clinical perspective **Science Fiction Cinema Between Fantasy and Reality** Edinburgh University Press This major new study offers a broad historical and theoretical reassessment of the science fiction film genre. The book explores the development of science fiction in cinema from its beginnings in early film through to recent examples of the genre. Each chapter sets analyses of chosen films within a wider historical/cultural context, while concentrating on a specific thematic issue. The book therefore presents vital and unique perspectives in its approach to the genre, which include discussion of the relevance of psychedelic imagery, the 'new woman of science', generic performance and the prevalence of 'techno-orientalism' in recent films. While American films will be one of the principle areas covered, the author also engages with a range of pertinent examples from other nations, as well as discussing the centrality of science fiction as a transnational film genre. Films discussed include The Day the Earth Stood Still, The Body Snatchers, Forbidden Planet, The Quatermass Experiment, 2001: A Space Odyssey, Demon Seed, Star Trek: The Motion Picture, Star Wars, Altered States, Alien, Blade Runner, The Brother from Another Planet, Back to the Future, The Terminator, Predator, The One, Dark City, The Matrix, Fifth Element and eXistenZ. Key Features*Thematically organised for use as a course text.*Introduces current and past theories and practices, and provides an overview of the main themes, approaches and areas of study.*Covers new and burgeoning approaches such as generic performance and aspects of postmodern identity.*Includes new interviews with some of the main practitioners in the field: Roland Emmerich, Paul Verhoeven, Ken Russell, Stan Winston, William Gibson, Brian Aldiss, Joe Morton, Dean Norris and Billy Gray. **Imaginary Conversations Mugby Junction** Prabhat Prakashan Charles John Huffam Dickens (1812-1870), also known as "Boz," was the foremost English novelist of the Victorian era, as well as a vigorous social campaigner. Considered one of the English language's greatest writers, he was acclaimed for his rich storytelling and memorable characters, and achieved massive worldwide popularity in his lifetime. The popularity of his novels and short stories has meant that not one has ever gone out of print. Dickens wrote serialised novels, the usual format for fiction at the time, and each new part of his stories was eagerly anticipated by the reading public. Among his best-known works are Sketches by Boz (1836), The Pickwick Papers (1837), Oliver Twist (1838), Nicholas Nickleby (1839), Barnaby Rudge (1841), A
