A revolutionary work, it taught the world how to systematically distinguish between risk and uncertainty. /div **Politics in India Since Independence Textbook in Political Science for Class XII Turn of the Tortoise The Challenge and Promise of India's Future** Oxford University Press *In The Turn of the Tortoise, T N Ninan explores the paradox of a "premature superpower" (as Martin Wolf once described India in the Financial Times). India has grown from the 12th largest economy in 2008 to what IMF reckons is the 7th largest in 2015, even as its people are poorer than those in Laos and Sudan. Ninan assesses India's position as a natural counter-weight to China, though fundamentally different from that country and*

overshadowed by it in an unequal military balance and in the contest for influence in a region that stretches beyond Asia to Africa. And finally, Ninan looks at how the third-largest contributor to global economic growth remains troubled by slow economic reform and the poor standards of governance that make it a difficult place in which to do business. The author considers the social, economic and political forces that helped the rise of Prime Minister Narendra Modi, and the risks of constitutional liberalism yielding space to an illiberal democracy. He views the role of Indian business conglomerates as double-edged, and reviews India's stance and role in global trade and climate change negotiations. This work uses data extensively to support analysis, even as it tells stories of hope and frustration within a framework of qualified optimism. The brisk and engaging style of an expert wordsmith will appeal to anyone interested in the new "Asian Drama": the tension with China, the "arc of friendship" that brings closer the region's largest democracies (Japan, Australia and India), and the many facets of the new energy in Indo-US relations. If you want to make sense of a complex country that encompasses "a universe of realities," this is the book you've been waiting for.

**Political Science Model Paper (2014-15)** SBPD Publications Political Science Model Paper (2014-15) Strictly according to the latest syllabus prescribed by Central Board of Secondary Education (CBSE), Delhi, BSEB, JAC & other State Boards & Navodaya, Kendraya Vidyalayas etc. following CBSE curriculum based on NCERT guidelines, Chapterwise Question Bank with Solutions & Previous Year Examination Papers Economics. 1. Based upon the new abridged and amended pattern of question papers of the new curriculum and scheme for giving marks. 2. Important questions have been included chapterwise and unit-wise. 3. Question Papers of exams conducted by the CBSE and different State Boards during the past few years have been incorporated. 4. Solved Madel Test Papers for preparations for Board Examination for the year 2015 have been included.

**English Language in India A Dichotomy between Economic Growth and Inclusive Growth** Taylor & Francis This book examines the relationship between the English language and growth – economic and inclusive – in India. It explores why English continues to be the language of aspiration long after Independence. With the second largest English-speaking population in the world today, India is testimonial to how a linguistic legacy continues to cast a long shadow on its contemporary discourse in the economic arena. The volume: Explores how English language proficiency constitutes as human capital. Draws in the latest India Human Development Survey data. Investigates the relationship between the language and economic indicators such as wages, household income and state growth. Further investigates the role of English language in the inclusivity of growth. Provides a snapshot of the pedagogy of English in the Indian education system. First of its kind in scope, this volume will be of great interest to scholars of economics, education, sociolinguistics, development studies, politics and sociology. It will also be of great interest to the general reader.

**UGC-NET (Paper-I) Previous Years' Papers (Solved)** Ramesh Publishing House This immensely valuable book of Solved Previous Years' Papers is specially published for the aspirants of UGC-NET (Paper-I) of Junior Research Fellowship and Assistant Professor Eligibility Exam. The book is aimed to help you prepare well and

sharpen your problem-solving skills by practising through numerous questions in these solved papers and face the exam with confidence, successfully. **World Development Indicators 2015** World Bank Publications World Development Indicators 2015 World Development Indicators 2015 provides a compilation of relevant, highquality, and internationally comparable statistics about global development and the fight against poverty. It is intended to help policymakers, students, analysts, professors, program managers, and citizens find and use data related to all aspects of development, including those that help monitor progress toward the World Bank Group's two goals of ending poverty and promoting shared prosperity. Six themes are used to organize indicators—world view, people, environment, economy, states and markets, and global links. As in past editions, World Development Indicators reviews global progress toward the Millennium Development Goals (MDGs) and provides key indicators related to poverty. WDI 2015 includes: \* A selection of the most popular indicators across 214 economies and 14 country groups organized into six WDI themes \* Thematic and regional highlights, providing an overview of global development trends \* An in-depth review of the progress made toward achieving the Millennium Development Goals \* A user guide describing resources available online and on mobile apps A complementary online data analysis tool is available this year to allow readers to further investigate global, regional, and country progress on the MDGs: [data.worldbank.org/mdgs](http://data.worldbank.org/mdgs). Each of the remaining sections includes an introduction; six stories highlighting specific global, regional or country trends; and a table of the most relevant and popular indicators for that theme, together with a discussion of indicator compilation methodology. WDI DataFinder Mobile App Download the WDI DataFinder Mobile App and other Data Apps at [data.worldbank.org/apps](http://data.worldbank.org/apps). WDI DataFinder is a mobile app for browsing the current WDI database on smartphones and tablets, using iOS, Android, and Blackberry, available in four languages: English, French, Spanish, and Chinese. Use the app to: \* browse data using the structure of the WDI \* visually compare countries and indicators \* create, edit, and save customized tables, charts, and maps \* share what you create on Twitter, Facebook, and via email **The Case of Great-Britain; in a Letter to the Electors** **MANAGEMENT INFORMATION SYSTEMS** PHI Learning Pvt. Ltd. It is widely recognised that the knowledge of information systems is essential in today's business organisations to survive and prosper. This book in its Second Edition, discusses all the major areas in information systems. It includes issues in the design, development and application of organisation-wide information systems and their effect on business and organisations.
