PSYCHOLOGY, FIFTH EDITION

Penguin *There are numerous textbooks that explain the theories and principles of psychology, but many are too dry or academic. Idiot's Guides: Psychology, 5th Edition breaks down the complexity of psychology and helps readers understand the how and why of the human mind, the causes of things like mental illness, how we react to situations, and how we become who we are. The book steers clear of self-help and pop psychology and focuses on more of an academic approach. Key concepts are broken down into plain and simple language, and supplemented with insightful illustrations that help explain each concept in a visual format that is fun and engaging. Readers start with the root of the human mind and move into the most popular theories of modern psychology, while exploring the lives and genius (and madness) behind the most famous pioneers in the field, such as Freud and Jung. From behaviorism to social psychology to cognitive psychology, readers will learn what makes all of us tick, and why we are who we are.*

SURROUNDED BY IDIOTS

THE FOUR TYPES OF HUMAN BEHAVIOR AND HOW TO EFFECTIVELY COMMUNICATE WITH EACH IN BUSINESS (AND IN LIFE)

St. Martin's Essentials *Do you ever think you're the only one making any sense? Or tried to reason with your partner with disastrous results? Do long, rambling answers drive you crazy? Or does your colleague's abrasive manner rub you the wrong way? You are not alone. After a disastrous meeting with a highly successful entrepreneur, who was genuinely convinced he was 'surrounded by idiots', communication expert and bestselling author, Thomas Erikson dedicated himself to understanding how people function and why we often struggle to connect with certain types of people. Surrounded by Idiots is an international phenomenon, selling over 1.5 million copies worldwide. It offers a simple, yet ground-breaking method for assessing the personalities of people we communicate with – in and out of the office – based on four personality types (Red, Blue, Green and Yellow), and provides insights into how we can adjust the way we speak and share information. Erikson will help you understand yourself better, hone communication and social skills, handle conflict with confidence, improve dynamics with your boss and team, and get the best out of the people you deal with and manage. He also shares simple tricks on body language, improving written communication, advice on when to back away or when to push on, and when to speak up or shut up. Packed with 'aha!' and 'oh no!' moments, Surrounded by Idiots will help you understand and communicate with those around you, even people you currently think are beyond all comprehension. And with a bit of luck you can also be confident that the idiot out there isn't you!*
