AMERICAN MARINE ENGINES 1885-1950

Devereux Books (MA) From the first internal combustion engine installation and the craft that took troops ashore on D-Day to the mid-1920s boom in recreational motorboating and beyond, this narrative presents a flawless history of the marine engine field. With an alphabetical listing of approximately 1,000 engine companies in the U.S. and Canada, this in-depth portrait also includes detailed information about founders and products, advice on the most desirable engines, tips on identifying unknown engines, and suggestions for independent research.
