Last year's fourth-graders started using the sandwich method mid-year and almost all of them scored in the highest possible category when they took the state's standardized English-language arts test just a few months later."** —Wells Central Schools, NY **Wells Central** *is just one of numerous schools that attribute their success to Ardith Davis Cole's Better Answers process. Since 2002, her book Better Answers has offered teachers and school districts a powerful alternative to "test-prep" workbooks. It presents a dramatically different instructional model that helps students construct thoughtful test responses, but it also prepares them for any task requiring thorough, cogent answers to questions and prompts -- both in and out of school. Now, with students tested more frequently than ever, and with teachers increasingly concerned about incorporating substantive test-taking skills into children's learning, Ardith Cole responds with a new updated and expanded edition of Better Answers. Informed by Ardith's ongoing work in classrooms where students struggle over constructed-response tasks, the new edition makes the Better Answers "sandwich" even easier to implement. The book has also been significantly reorganized, as well as expanded to include two new chapters, "Understanding the Prompt" and "What to do When." Also included is a resource-packed CD-ROM that contains everything teachers need to support their lessons and is a great tool for staff development: lesson plans for text-based and self-based responses; power point slides, charts, and other visual supports; sets of sample texts with prompts; sample student responses; assessment forms; extensive bibliography of print and online resources. The Better Answers process is easy to grasp and uses a gradual-release instructional process that begins with teacher modeling, invites increasing amounts of student participation, and eventually moves students into independent response writing. The book clearly explains each element of the process and provides helpful activities, authentic classroom vignettes, and tips on how to handle typical stumbling blocks along the way. **Cambridge English Proficiency 2 Student's Book without Answers Authentic Examination Papers from Cambridge English Language Assessment** *Cambridge English* **Cambridge English Proficiency 2** *contains four complete and authentic examination papers for Cambridge English: Proficiency, also known as Cambridge Certificate of Proficiency in English (CPE). This collection of examination papers provides the most authentic exam preparation available. Con CD-ROM** *OXFORD* **A new three-level series in which students learn and practise the words and phrases they need to know at Basic, Intermediate, and Advanced levels. Each level of Oxford Word Skills enables students to:** **English Skills by Objectives Book 3 Answer******

Key *English Skills by Objectives* is a three book program that teaches grammar, usage and writing skills through detailed, measurable objectives, step-by-step instruction, and plenty of exercise materials. Each book in the series breaks grammar skills into clearly defined skill units and further divides each skill into manageable subskill areas. By teaching each skill gradually, the books ensure that students grasp and retain each grammar point fully. Each book is also structured by a series of clear-cut objectives outlining exactly what skills students will learn, why they need to know the skill, and how they can determine if they have mastered the skill effectively. Book 3 focuses on developing students' writing skills.
