[BPP Learning Media](#) The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc (Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The new ACCA syllabus for paper P4 is about the practical application of financial theory to problems that managers face, such as investment appraisal, funding policies, risk management, growth, organic or through mergers and acquisitions and dividend policy. The paper also covers crucial issues such as corporate governance and ethical and environmental aspects of financial policy. The BPP text provides a comprehensive treatment of the new ACCA syllabus for P4 and addresses all learning outcomes and the higher skills to be assessed in the professional examination in an integrated and practical way. The material, despite the technical nature of certain areas, follows a practical, common sense approach with plenty of case studies and real life business examples. The key points of each topic are summarised in a chapter roundup and tested in a diagnostic quiz at the end of each chapter. A question bank at the end of the book provides practice on exam style questions. BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.

#### FINANCIAL MANAGEMENT STUDY TEXT

---

BPP Learning Media CIMA offers a business qualification with a finance focus, aiming to produce members with accounting prowess who are skilled in strategic decision-making. 98% of its members work in business, the highest proportion of any worldwide accountancy body. Paper F2 Financial Management replaces Paper P8 Financial Analysis. The syllabus is very similar to old Paper P8, but students will now meet elementary groups at Paper F1 level prior to studying F2. The syllabus specifically includes share-based payments and the emphasis of ratios has now changed from calculation to interpretation. The main syllabus areas have been changed to: \* Group financial statements \* Issues in recognition and measurement \* Analysis and interpretation of financial accounts \* Developments in external reporting The Study Text focuses on the exam. It provides clear and detailed coverage of the syllabus. Exercises within each chapter cover both basic principles and more detailed issues. In the area of consolidation, these include both complex groups and changes in group structure during the year. Accounting standards are explained and their practical implementation illustrated and tested through appropriate questions.
