### THE MAN WHO WASN'T THERE

---

**Random House** On the side of a mountain in Sweden, six bodies have been found. Skeletons, more precisely. These bodies were buried a long time ago. And for Sebastian Bergman that just makes the investigation into who they are, who killed them, and why, even more complex. Because Bergman has, of course, found himself on the investigating team. At first it was a chance to escape his ex-girlfriend and spend some time with his daughter, Vanja. An opportunity to try and build a relationship with her before it's too late. But soon he finds that he's more involved than he would ever want to be. And his personal life is horribly, disastrously, tangled up in it all . . .

### THE MAN WHO WATCHED WOMEN

---

**Random House** If you like Jo Nesbo, you will love this! Deft writing, nuanced characters and an intriguing, action-packed plot, this is Scandinavian crime at its best. Psychologist Sebastian Bergman desperately needs some order in his chaotic life. Having tried to find his daughter for many years, he's at last learned her identity: she happens to be Vanya, a respected police colleague. At the same time, Sebastian's old team in the National Crime Squad -- including Vanya -- is investigating a series of brutal murders. The murders remind Sebastian of Edward Hinde, a convicted serial killer he put behind bars many years ago. But Hinde is still in jail, which leads the police to believe that they might be dealing with a copycat. Soon Sebastian is called into the investigation, and finds himself working alongside Vanya once more. But it's not long before he realises the victims are all connected to him -- and that Vanya might be in imminent danger.

Sebastian has withdrawn from police work after the death of his wife and daughter in the 2004 tsunami. ### NATURAL CAUSES

---

**HarperCollins** Edinburgh Detective Inspector Tony McLean is drawn into a set of cases separated by six decades, but connected by a macabre and brutal ritual killing in the first entry of the Detective Inspector MacLean mystery series. A young girl's mutilated body is discovered in a room that has lain sealed for the last sixty years. Her remains are carefully arranged in what seems to have been a macabre ritual. For newly appointed Edinburgh Detective Inspector Tony McLean, this baffling cold case ought to be a low priority, but he is haunted by the young victim and her grisly death. Meanwhile,

the city is horrified by a series of bloody killings—deaths for which there appears to be neither rhyme nor reason, and which leave Edinburgh's police at a loss. McLean is convinced that these deaths are somehow connected to the terrible ceremonial killing of the girl, all those years ago. It is an irrational theory. And one that will lead McLean closer to the heart of a terrifying and ancient evil . . .

### **FAIR WARNING**

---

**Hachette UK** The hero of *The Poet and The Scarecrow* is back in this thriller from #1 New York Times bestselling author Michael Connelly. Jack McEvoy, the journalist who never backs down, tracks a serial killer who has been operating completely under the radar—until now. Veteran reporter Jack McEvoy has taken down killers before, but when a woman he had a one-night stand with is murdered in a particularly brutal way, McEvoy realizes he might be facing a criminal mind unlike any he's ever encountered. Jack investigates—against the warnings of the police and his own editor—and makes a shocking discovery that connects the crime to other mysterious deaths across the country. Undetected by law enforcement, a vicious killer has been hunting women, using genetic data to select and stalk his targets. Uncovering the murkiest corners of the dark web, Jack races to find and protect the last source who can lead him to his quarry. But the killer has already chosen his next target, and he's ready to strike. Terrifying and unputdownable, *Fair Warning* shows once again why "Michael Connelly has earned his place in the pantheon of great crime fiction writers" (Chicago Sun-Times). ### **TOWARD A NEW PARADIGM IN PARENTING AND EDUCATION**

---

**BalboaPress** Readers' comments: A Fabulous, Important Book. Jesper Juul provides parents with such an amazing and absolutely vital approach to raising children that it rings true on every page. Some of what he suggests we as parents do is difficult, but all of it is right on about how we can raise confident, healthy, whole humans, right from the start. I was thrilled to have discovered a book that allowed me to see different possibilities with child raising. Anyone with a child will gain immensely from reading this book, seeing themselves in his numerous examples, and learning how to move on from there. I am grateful for this book and highly recommend it. No Parent Should Be Without It. With tremendous wisdom and a warm, pragmatic eye, Mr. Juul helps us redefine the ways we look at a child's behavior and our relationship to our children and ultimately, each other. This is a book that doesn't offer easy answers or 'tricks' to help in the raising of your child. This is a book that helps you see with a child's eye, hear with a child's ear, and feel with a child's heart in ways that feel so natural and obvious, you will wonder why you haven't thought of them before. It is a book that offers day-to-day skills along with the thinking that helps generate them. This groundbreaking book should be on the shelf of all parents everywhere. I cannot recommend it highly enough. If you have children - read this book! This is an amazing book that will surely turn upside down any thoughts you ever had about raising children. Even though you may not agree with all the views in this book, there is so much food for thought and new ideas that you will return to this book again and again for interesting and mind blowing advice.
