### **GHOST OF A CHANCE**

---

**Kate doesn't believe in things that go bump in the night. Pete is a true believer. Focused and practical, Kate Murphy spends her days pouring over spreadsheets. She thinks putting career over everything will heal her broken heart, but soon realizes there is more to life than working 24/7. When Kate's best friend asks for help to turn around a floundering occult bookstore in Salem, Massachusetts, she says yes to the challenge and a chance to start a new life. An assistant professor of Irish history, Pete O'Brien is an academic who is open to the unknown. When he's not researching Celtic gods and goddesses in his bid for tenure, Pete wanders around old buildings, in the dark, talking to ghosts. A chance encounter in Salem's oldest cemetery leaves Pete thinking he's seen the embodiment of a Celtic goddess, while Kate thinks she's being followed by the town's handsome stalker. When a matchmaking apparition named Abigale arrives, she changes Kate's perceptions about the paranormal and love. From Salem to the shores of Ireland, Abigale works to bring Kate and Pete together. But even with paranormal help, does romance stand a ghost of a chance?**

**Random House Books for Young Readers Fans of the Land of Stories and the Descendants series are sure to find the lighthearted fantasy adventure of 100 Dresses a perfect fit! Inside an enchanted castle, there's a closet—a closet with one hundred magical dresses that only Darling Dimple can wear. Each one disguises her as somebody else. It turns out that Darling needs disguises. A thief is on the loose! Someone is causing an uproar among the servants—moving things around, stealing clothes from the laundry, and even pocketing Princess Mariposa's jewels. Then Darling and her friend Roger think they spot a ghost roaming the halls. Could the culprit be a spirit? Can Darling and Roger get to the bottom of it all? With**

the help of the one hundred dresses, there just might be a ghost of a chance.

Simon and Schuster Badly damaged in a close encounter with a dwarf star, the VoyagerTMdiscovers a planet being torn apart by tremendous volcanic stresses. The planet's primitive inhabitants will surely perish unless the Voyagerintervenes -- but the Prime Directive forbids them to act. And then the dilemma is increased by the arrival of another starship, a Televek vessel, whose crew offer to help both the Voyagerand the people of the crumbling planet. But Janeway senses something amiss with their saviors, and she's haunted by ghostly visions warning her of a threat that make her loathe to accept anything from the Televek, even though they may be her only hope.

### **GHOST FINDERS**

---

Jo Fletcher Books Meet the operatives of the Carnacki Institute. The Institute's operatives are the best of the best: JC Chance, team leader, is undoubtedly brave, sharp as a tack, incredibly charming - and almost unbearably arrogant. Melody Chambers may be a science geek, but she's also the techno-wizard extraordinaire who keeps their anti-supernatural equipment running. And as for Happy Jack Palmer: their terminally gloomy telepath is the last person anyone would want navigating through their head. Their mission: Do Something About Ghosts. That means lay them to rest, send them packing, or just kick their nasty ectoplasmic arses with extreme prejudice . . . Their current is a haunting deep underground, in London's Oxford Circus tube station, but things become difficult when their rival team - the Crowley Project - get involved. Ghost of a Chance is the first title in New York Times bestselling author Simon R. Green's Ghost Finders series.

### **A SHERIFF DAN RHODES MYSTERY**

---

Farrar, Straus, and Giroux In this tenth installment of the Sheriff Dan Rhodes series, the Blacklin County Texas law enforcer is back to solve even more mysteries. Some of the most amusing sequences in Crider's Blacklin county mysteries are set in the jailhouse, and star the ongoing word battles between its two septuagarian denizens, Hack the dispatcher and Lawton, the jailer. This time no one at the jailhouse is laughing and Rhodes has a new problem. Not only is the jailhouse itself rumored to be haunted, but a mysterious corpse is found in an open grave in the neighboring town. Rhodes uses his laid back sleuthing skills to find the answers to these puzzling events, which Crider depicts with his usual humor, suspense and small town ambience.

### **GHOST OF A CHANCE**

---

Hocus Pocus Publishing, Inc. How well do you know the lover in your bed? It was the hottest hookup of her life. When Tess Barrett spent the night in the arms of the too sexy to be real stranger, she knew she was walking on the wild side. Sex with James Smith was the best EVER. How was she supposed to walk away from that? From him? So...she didn't. They planned secret dates. More body-melting hookups. The white-hot sex should have been enough. So why does she start wanting more? But they have rules. She has rules. No emotions. No ties. She has a past that is dark and twisted, and she's worked hard to become a new person. She's a doctor now. Respected. Controlled. Except...there is no control when she's around James. A bad guy...might be falling for the good girl. James can't keep his

hands off his sexy little doctor. She's buttoned down for everyone else but goes absolutely wild for him. Sure, she doesn't know his history. Doesn't know that the man she lets touch every inch of her body used to spend his days working for Uncle Sam and doing some seriously dirty deeds. What she doesn't know can't hurt her, right? And if she ever did learn the truth about him, he knew it would terrify his sweet doc right to her core. Terror would make her run. He doesn't want her running. He just wants her in his bed. But then...something happens. Danger sneaks up on Tess. She needs help—a very particular expertise and protective skill set. She needs someone lethal and strong...and James is just the man for the job. After all, lethal is his middle name. Hello, dangerous times. When James steps in, Tess doesn't know if she should be grateful or scared to death. Because her gorgeous lover? Turns out he has plenty of mad and dangerous skills. She's been hooking up with a superhero or...maybe a super villain. It's sort of hard to tell the difference. For the moment, she's going to go with feeling grateful...but as she learns all of his secrets, Tess wonders what will happen next between them. Will they crash and burn? Burn, baby, burn. Or maybe, just maybe, they'll actually have a GHOST OF A CHANCE at getting a happily ever after ending. Author's Note: James Smith is one mad, bad, dangerous guy...but sometimes, bad guys fall hard for good girls. GHOST OF A CHANCE is super hot, charged with lots of feels, and, it's got some pulse-pounding action for you. Dirty words and dirty deeds are dead ahead. Oh, and there's plenty of fun thrown in, too. Mystery, humor, sexy times, and danger—all of my favorite things in a book.

### **A MEMOIR**

---

Random House “The story of [Peter] Duchin’s life has an elegiac aura of glamour and tragedy that might have come directly from the imagination of F. Scott Fitzgerald.”—The Philadelphia Inquirer “This book brings back marvelous memories of a very special time.”—Frank Sinatra Called “a living compendium of a hundred years of social history” by The New York Times Book Review, Peter Duchin has lived through tremendous highs and dismal lows. Orphaned by his glamorous parents, the Newport debutante Marjorie Oelrichs and the famous bandleader Eddy Duchin, he was raised in the privileged, old-money world of Averell Harriman, the diplomat and former governor of New York. He grew up to be one of America’s preeminent bandleaders, effortlessly entertaining and charming partygoers at thousands of society galas, from the White House to Truman Capote’s Black and White Ball. In Ghost of a Chance, he looks back on a life that another man may not have survived. And as he relates the frank, often surprising recollections of the many friends and famous figures who made up the strange family of his youth, Duchin chronicles the changing face of social life in America. Praise for Ghost of a Chance “A tale told with wit and charm . . . It is a sprightly, engaging, and at times hilarious look back at a

life spent in music, show business, and what used to be called society.”—The Boston Globe “A bittersweet gem of a book.”—The Philadelphia Inquirer “Peter Duchin’s glamorous story is about absent fathers, surrogate mothers, and dwelling on the edges of money and power in a tuxedoed world.”—Gay Talese “A great read.”—Frank Sinatra

### **CHANCE OF A GHOST**

---

Penguin Alison Kerby's guesthouse is haunted all year round. Surviving the dead of winter, though? That's a spooky proposition. Even with a blizzard bearing down on New Jersey, Alison can count on at least two guests—Paul and Maxie, the stubborn ghosts who share her shore town inn. Then there's her widowed mother, who hasn't just been seeing ghosts, she's been secretly dating one: Alison's father. But when he stands her up three times in a row, something's wrong. Is he a lost soul...or a missing apparition? Their only lead is an overdramatic spirit—stage name Lawrence Laurentz—who doesn't take direction well and won't talk until they find his killer. Alison will reluctantly play the part of PI, but when the clues take a sinister turn, the writing is on the wall: If Alison can't keep a level head, this will be her father's final act—and maybe her own.

Simon and Schuster Kendall takes drastic action when she encounters ghostly overwhelm in the third book in a tween series that Kirkus Reviews calls "bright, bubbly fun." Kendall feels like she's losing at life. The only people who will talk to her are ghosts, and she's exhausted from trying to fix their problems. Meanwhile, Brandon thinks she's a liar, her best friend thinks she's sneaking around with another boy, and her dad is getting serious with a new girlfriend. Kendall can't cope with anything else! Desperate for answers, she decides to visit the one person who might have them—the one person she never wanted to see again. Will her mom be able

to help, or will Kendall be stuck without a wisp of hope?

---

## **THE REGRETS**

---

Little, Brown Reality and dream collide in Amy Bonnaffons's "dazzling," wildly inventive "miracle of a love story" about an affair between the living and the dead (NPR) For weeks, Rachel has been noticing the same golden-haired young man sitting at her Brooklyn bus stop, staring off with a melancholy air. When, one day, she finally musters the courage to introduce herself, the chemistry between them is undeniable: Thomas is wise, witty, handsome, mysterious, clearly a kindred spirit. There's just one tiny problem: He's dead. Stuck in a surreal limbo governed by bureaucracy, Thomas is unable to "cross over" to the afterlife until he completes a 90-day stint on earth, during which time he is forbidden to get involved with a member of the living -- lest he incur "regrets." When Thomas and Rachel break this rule, they unleash a cascade of bizarre, troubling consequences. Set in the hallucinatory borderland between life and death, *The Regrets* is a gloriously strange and breathtakingly sexy exploration of love, the cataclysmic power of fantasies, and the painful, exhilarating work of waking up to reality, told with uncommon grace and humor by a visionary artist at the height of her imaginative power.

---

## **THE KINDRED SPIRITS SUPPER CLUB**

---

Penguin Jobless and forced home to Wisconsin, journalist Sabrina Monroe can tolerate reunions with frenemies and kisses from old boyfriends, but not the literal ghosts that greet her in this heartwarming tale of the power of love and connection from acclaimed author Amy E. Reichert. For Sabrina Monroe, moving back home to the Wisconsin Dells--the self-described Waterpark Capital of the World--means returning to the Monroe family curse: the women in her family can see spirits who come to them for help with unfinished business. But Sabrina's always redirected the needy spirits to her mom, who's much better suited for the job. The one exception has always been Molly, a bubbly rom-com loving ghost, who stuck by Sabrina's side all through her lonely childhood. Her personal life starts looking up when Ray, the new local restaurateur, invites Sabrina to his supper club, where he flirts with her over his famous Brandy Old-Fashioneds. He's charming and handsome, but Sabrina tells herself she doesn't have time for romance--she needs to focus on finding a job. Except the longer she's in the Dells, the harder it is to resist her feelings for Ray. Who can turn down a cute guy with a fondness for rescue dogs and an obsession with perfecting his fried cheese curds recipe? When the Dells starts to feel like home for the first time and with Ray in her corner, Sabrina begins to realize that she can make a difference and help others wherever she is.

---

## **GHOST SPIN**

---

Spectra Sometimes a ghost of a chance is all you get. Award-winning

author Chris Moriarty returns to a dazzling cyber-noir far future in this gritty, high-stakes thriller where the only rule is “Evolve . . . or die.” The Age of Man is ending. The UN’s sprawling interstellar empire is failing as its quantum teleportation network collapses, turning once-viable colonies into doomed island outposts. Humanity’s only hope of survival is the Drift: a mysterious region of space where faster-than-light travel—or something far stranger—seems possible. As mercenaries and pirates flock to the Drift, the cold war between the human-led UN and the clone-dominated Syndicates heats up. Whoever controls the Drift will chart the future course of human evolution—and no one wants to be left behind in a universe where the price of failure is extinction. When the AI called Cohen ventures into the Drift, he dies—allegedly by his own hand—and his consciousness is scattered across the cosmos. Some of his ghosts are still self-aware. Some are insane. And one of them hides a secret worth killing for. Enter Major Catherine Li, Cohen’s human (well, partly human) lover, who embarks on a desperate search to solve the mystery of Cohen’s death—and put him back together. But Li isn’t the only one interested in Cohen’s ghosts. Astrid Avery, a by-the-book UN navy captain, is on the hunt. So is William Llewellyn, a pirate who has one of the ghosts in his head, which is slowly eating him alive. Even the ghosts have their own agendas. And lurking behind them all is a pitiless enemy who will stop at nothing to make sure the dead don’t walk again. Praise for *Ghost Spin* “Complexity is the watchword here, of thought, idea, narrative, character and plot. . . . Highly rewarding.”—Kirkus Reviews “Rewarding . . . The adaptations humans make to survive in the hostile environments of other worlds, a galaxy teetering on the edge of singularity . . . are genuinely visionary.”—Publishers Weekly “This stand-alone ‘spin-off’ offers a compelling tale of adventure/suspense blended with cybernoir and high-tech sf.”—Library Journal “An excellent read: gripping, fast-paced, provocative and handsome.”—Tordotcom “A brilliant mix of space opera, cyberpunk, and just plain great writing, Moriarty’s work is some of the most impressive in science fiction today.”—SFRevu

## A GHOST OF A CHANCE

---

Independently Published James McKinney has always lived life alone. He doesn't have a family, at least none that he remembers. He's always dreamed of having a house of his own, a place he can call home. Finding the right house, ready to work to make it his home, nothing can put a damper on his happiness, or can it? Trey Andral, returning home from college, notices someone moving into his old friend's house next door. Miss Hattie is still waving to him from the bedroom window, even though he knows she's gone. He also knows he can't not help the new guy make the house his own. Trey has always been able to see and hear spirits, but what's normal to him is terrifying to most others. When the spirits seem intent on contacting James, Trey has no choice but to share his secret,

risking their friendship. If they work together, maybe they can figure out what the clues the spirits are giving them mean. And maybe they can find family in each other.

HarperCollins Australia The Clued-Up Six are back - and even on holiday there are mysteries to be solved. School's finally out and Ling and her friends head for a beach holiday looking forward to fun, excitement and exploring the derelict lighthouse around the bay. they soon find out,

though, that their holiday destination was the scene of a tragic boating accident years ago. At night, Ling is haunted by the image of a girl who whispers words, then fades away. During the day, a gang of hostile local kids searches the island for lost treasure. And in the background, the story of the orphanage and the children who lived there threads its way into the mystery. Attempting to find out the truth from the locals only leads to frustration ... and raises more questions. Why is Ling the only person who can see the ghost? What really happened all those years ago on the island? And why has the man who ran the orphanage-the frightening Mr Jamison--returned to his home town? Ling and her friends must brave stormy seas and stay one step ahead of the other kids in a daring mission to uncover the truth and help restore peace to those who have been left behind. Ages 10 - 13
