In order for companies to keep up, they will need to embark on new wave marketing to ride the wave of opportunities provided by the changes in the environment, such as the digital revolution. This is critical all over the world, but none more so than in Asia. Asia is not only the world's biggest market, but also the fastest growing. It is therefore essential for marketers to understand the dynamics of Asian companies and what they have to offer to the wider world. This book analyzes competitive companies from 18 Asian countries that have successfully practiced new wave marketing and in so doing, provide invaluable lessons that others may find useful. This book is unique in its depth and breadth of cases, from companies in the ASEAN region to North-east Asia, including Mongolia and SAARC. The authors of this book, Professor Philip Kotler, arguably the Father of Modern Marketing, Hermawan Kartajaya from Indonesia, and Hooi Den Huan from Singapore, are all experts in their field and have previously produced other bestsellers. This book, with its focus on real life examples of competitive Asian companies in the age of digitalization, complements the principles and theoretical frameworks of new wave marketing that are detailed in its sister book, Marketing for Competitiveness. E. B. Du Bois was a public intellectual, sociologist, and activist on behalf of the African American community. He profoundly shaped black political culture in the United States through his founding role in the NAACP, as well as internationally through the Pan-African movement. Du Bois's sociological and historical research on African-American communities and culture broke ground in many areas, including the history of the post-Civil War Reconstruction period. Du Bois was also a prolific author of novels, autobiographical accounts, innumerable editorials and journalistic pieces, and several works of history. One of the most neglected and obscure books by W. E. B. Du Bois, In Battle for Peace frankly documents Du Bois's experiences following his attempts to mobilize Americans against the emerging conflict between the United States and the Soviet Union. A victim of McCarthyism, Du Bois endured a humiliating trial-he was later acquitted-and faced political persecution for over a decade. Part autobiography and part political statement, In Battle for Peace remains today a powerful analysis of race in America. With a series introduction by editor Henry Louis Gates, Jr., and an introduction by Manning Marable, this edition is essential for anyone interested in African American history. **PHP & MySQL: The Missing Manual** "O'Reilly Media, Inc." Luis de Santángel, chancellor to the court and longtime friend of the lusty King Ferdinand, has had enough of the Spanish Inquisition. As the power of Inquisitor General Tomás de Torquemada grows, so does the brutality of the Spanish church and the suspicion and paranoia it inspires. When a dear friend's demise brings the violence close to home, Santángel is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Santángel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to decide what his reputation is worth and what he can sacrifice, one man offers him a chance he thought he'd lost...the chance to hope for a better world. Christopher Columbus has plans to discover a route to paradise, and only Luis de Santángel can help him. Within the dramatic story lies a subtle, insightful examination of the crisis of faith at the heart of the Spanish Inquisition.
