God's Law of Attraction: The Believer's Guide to Success and Fulfillment

Booktango In her first book, Susan Lee bridges the Law of Attraction with God's plan. Secular teachings of the law of attraction focus only on efforts from within and universe manifestation as the paths to financial freedom and a fulfilled life. God's Law of Attraction demonstrates that Christians too can have life purpose, goals, accomplishment; and yes, financial abundance—without guilt or materialism taking over. In God's Law of Attraction, Susan uses numerous Bible story themes to demonstrate God's genuine interest in providing a rich and fulfilling life for his children. Then, she applies how God's Law of Attraction works in our lives daily—whether we recognize its divine origins or not. Susan's interpretations of the stories result in a series of God-given steps that you can use every day to live your walk with God and enjoy life and its many gifts. Specifically, you will discover how to: Live in true abundance without guilt because God wants you to succeed! Find joy in your relationships again by releasing negative vibrations that have hurt in the past Use the Natural Law God Himself put in place to help us set goals and achieve them Trust in God on a new and exciting level Apply five steps: ask, believe, act, allow and receive to achieve God's best! "Finally a book that recognizes the law of attraction as God's and provides real world guidance, as well as tools, to assist Christians in asking for and recognizing God's blessings." — Carol Bills "Made me look at the law of attraction differently. I especially appreciated the tips and strategies for how to carry out the 5 steps (Ask, Believe, Act, Allow, Receive) effectively." — Anonymous

Manifesting on Purpose

A 3 Week Guide to Transforming Your Life Through the Law of Attraction

Manifesting It's time to take manifesting off auto-pilot, get behind the wheel, and start steering your life in the direction you want it to go! Manifesting on Purpose clarifies why we manifest what we do, why we experience the same things over and over again, until we step in and weed out our own mental gardens. Ever wonder how is it that 2 people can start off with the same opportunity, and one will become a massive success, while the other barely scrapes by? What's the defining factor? What do successful people know that we're missing? We've been taught that the harder we work the more money, happiness, and success we'll have in life; but if this was the case successful people would constantly be run ragged, and be bleary eyed from lack of sleep, instead of enjoying lots of free time pursuing their heart's desires. So, what are we missing? The Law of Attraction is always working, even when we're not focused on it. The Law of Attraction states that, "Like Attracts Like," we are all energy, so our thoughts get reflected back to us. Your thoughts create your physical reality. The problem? We're always thinking! Our thoughts, ungoverned, bounce around from idea to idea, and all too often, focus on the immediate problems in our lives, creating a feedback loop. Since we attract back what we think about, if we're focused on our problems, what's going to show up? More problems! Your mind is your most valuable asset. Your thoughts literally create your reality. Your current situation is a reflection of your previous thoughts. Most people, however, do not consciously decide what they want, their subconscious belief systems run everything on auto-pilot; making most people feel as if they are victims of their circumstances. YOU ARE NOT A VICTIM OF CIRCUMSTANCE! You are in the driver's seat, you simply have to take control of the wheel! Take manifesting off auto-pilot, and create the life you want! "But I think positive thoughts," you say. Your conscious thoughts will always be secondary to your subconscious thoughts in the way of manifestation. Until you change your core beliefs to line up with who you wish to become, and what you wish to do, you cannot break the old cycles. Are you ready to take control? Have abundance in money, love, health, freedom, experiences, and all other areas of your life? Then let's get started!

Law of Attraction Buy the Paperback Edition, Get the Kindle Edition for Free** The Law of Attraction is a power force to be used for good, but rarely do folks know what the working parts are. Watching social media, you would think that the Law of Attraction is only about making positive statement about getting right and *bang* that is all you need to do. But the truth is that... manifesting wealth, joy, happiness, a mate, a great job, fantastic car, or even a child, begins with understanding what makes it happen, what our role in the Law of Attraction, what blocks it, what our expectations should be, how to refine our vision casting and more. This handbook is the secret to the secret. This handbook is the nuts and bolts instruction on how to start the engine of the Law of Attraction, run it down the track, and get to the finish line full of gratitude. This guide will show you that following the Law of Attraction is a way of life, not just a casual manifestation drive-thru. The author is a guy with a lifetime of experience in the realm of spirituality. As a retired Priest, Lance has gone full circle from Charismatic Christian to Methodist to Catholic Priest to his current Quantum Universe relationship with the great power. Lance is rooted in his quantum physics experience and has found that the Law of Attraction is fully supported by science. Lance promotes the understanding that we live in a powerful Universe that will conspire for our joy and success if we will only feed the universe our desires in the proper way. This handbook is the third in a series on the Law of Attraction. For the reader who wants a very different approach to LOA, Law of Attraction: 70 Daily Lessons to Manifest Love, Success & Joy is a unique look into the power of what makes the attraction take place. You will find information here that they will find nowhere else. This set of lessons is powerful yet easy to consume. In all of the discussion and teaching of the Law of Attraction, what may be missing is a deeper look into the behaviors and mechanics of how manifesting actually takes place. When you know more about how manifesting works, how things are attracted to us, then you are better able to apply the concepts and weave them into our daily routine of life. It is not enough to just say mantras and hope for the best. Manifesting is a result of an active partnership between us and the Universe. And knowing how and why the Universe responds to us creates a power position for the reader who wants to manifest joy, love, financial freedom, and success. Lance's daily lessons provides the framework, the tools in the toolbox, for how to move into that space of manifesting reliably. Less guessing at what is the right thing to do and more lessons on what the right thing is to do. About the Author Lance Abrams was raised in a highly spiritual traditional American religious family, became a protestant minister, then a priest. What followed his Christian experience was an awakening to the greater power of the Universe, in an unbiased, un-favoring way to creation. This brought him to the natural path to becoming a Law of Attraction devotee and coach. Lance has always been amazed at the spiritual healing and other spiritual miracles that he witnessed in church, personally and in others. These miracles were and are the classic example of the Law of Attraction in action. This began a journey to understand "how" these instant healings happened, knowing that it gives insight into how the Law of Attraction manifests. That brought him to quantum physics and a marriage between spirituality and quantum physics.** This book is enrolled in Amazon's matchbook program so you get the ebook free with purchase of the printed edition.

The Law of Attraction is one of the most popular topics in the area of self-help. At the same time, it is also one of the most misunderstood. Why is that? There are three main reasons: First, there are hundreds of Law of Attraction books available, and most either rehash the same information or completely differ on what they teach, which results in confusion. Second, the big-name "experts" on the Law of Attraction never teach the real secrets in their books, as they mainly try to convince you to enroll in their expensive courses, which supposedly teach the real secrets. And lastly, the majority of Law of Attraction books are either motivational and/or inspirational while lacking practicality. In this economic recession, people more than ever need the Law of Attraction to find a new job, earn more money, or simply to improve their lives. What exactly is the Law of Attraction? Plain and simple, it is the process of tapping into the hidden powers of our subconscious mind to "manifest" what we desire into our physical reality. Total Law Of Attraction explains in plain language that it's our emotions, not so much our thoughts, that play a greater role in attracting what we want. Total Law Of Attraction avoids the need to search through many different Law of Attraction books to get the most important information.
