PLEASURED BY THE ENGLISH SPY

Harlequin English spy Andrew Truesdale has been sent to Florence on a mission--to befriend widowed contessa Olivia di Montebaldi and discover if she's plotting a nationalist revolution in the aftermath of Napoleon's defeat. Andrew expects the assignment to be easy. After all, his job with the British Diplomatic Corps required him to perfect the art of flirtation and become a consummate seducer of women. Everything changes, however, when he arrives at Olivia's villa. Instead of the middle-aged woman he expects, Andrew finds a vivacious young beauty who piques his interest...and his lust. But while Andrew may be taken aback by the contessa, Olivia knows exactly who Andrew is...and that he is dangerous. She may let him claim her body, but can she trust him with her secrets?

THE ISLAND OF THE ELYMS

Trafford Publishing The novel *The Island of the Elyms* is set in a village of Sicily. It touches four generations of a well-to-do family and relates the tragic and humorous occurrences in the life of each member of that family. The story is narrated by a young girl, Marianna, whose romantic ideals and openness are often in conflict with the secretive and reserved nature of her family. Marianna loves the more salubrious and rustic lifestyle of the land-workers as opposed to the refined and sophisticated lifestyle of her aristocratic family. She feels the former to be an honest way of life and the latter a pretentious and artificial one. Marianna, with the exuberance of youth, would like to see a radical change in the way her family deals with certain issues. She herself represents a slowly changing society. However, the people whose beliefs have been forged and impressed into their very soul by generations of tumultuous historical events, are resistant to change. Eventually, Marianna learns to appreciate the island's cultural richness and its paradox. A sense of history and mythology, superstition and religion, in fact, often exist alongside one another and are portrayed in the novel. The novel touches also on both the First and Second World Wars because two members of Marianna's family, her grandfather and father, fought in each war respectively. It depicts every human emotion by means of adopting humor and tragedy throughout. One might say that in the novel *The Island of the Elyms* there is a book within the book as the lives of Marianna's great grandparents and grandparents emerge. The former being read by Nonna from her mother's memoirs and the latter narrated by Nonna herself. When finally Marianna is comfortable with who she is - different from the rest of her family, she is torn away from her birthplace for the great unknown which happens to be Australia. The story ends with the uprooting of the girl by the family, who, in turn, has to forfeit and abandon every dream, and thus becoming the innocent victim of the tragedy of emigration.

SHADOWS IN THE TREE

"We have been marked as traitors." A mere shadow in the family tree, little could Eliza have realized the way in which her fifth great-grandmother, Maria Catrina, would step from the shadows of her husband's life to reveal the true price paid for loyalty. The unrivaled beauty and abundance of the Mohawk Valley, engulfed in the fight for liberty, forced the Eamers to choose between the freedom sought by many and their loyalty to the king. The impossible choice, once made, compelled them to abandon the land they loved and the hope that they would find peace amongst their once-loved neighbours, friends...and family. Fleeing his impending arrest, Peter leaves Maria Catrina with their young children, telling her she must make her way north to the safety of the king's lands in Quebec. Their exodus through the wild, untamed Adirondack Mountains reveals the darkness of men's hearts and the lengths to which a mother will go to safeguard her precious ones. Inspired by true events.

THE WIND IN THE TREETOPS

STORIES BY TONY AND SAMMY

Outskirts Press This little book is written in a simple, easily understandable style. The animals do the talking and tell their individual stories. Each and every one comes from the street. They speak for the thousands that didn't find a safe home-that died on the street as road-kill, or simply starved to death for lack of food and water-for which we, the humans, shall be held accountable. This book hopes to give comfort and courage to the disabled and to anyone hurting or grieving in body and spirit. It hopes to alleviate the loss-when it invariably comes-and reminds one in all, what life is all about. Till we meet again. Auf ein Wiedersehen. A vizsont latasra."

DANCING WITH BEARS

A DARGER & SURPLUS NOVEL

Night Shade Michael Swanwick—The Hugo, Nebula, and World Fantasy award- winning author of *Stations of the Tide*—delivers a stunning "Postutopian" novel of swashbuckling adventure, dangerous women, and genocidal AIs. *Dancing with Bears* follows the adventures of notorious con men Darger and Surplus: They've lied and cheated their way onto the caravan that is delivering a priceless gift from the Caliph of Baghdad to the Duke of Muscovy. The only thing harder than the journey to Muscovy is their arrival in Muscovy. An audience with the duke seems impossible to obtain, and Darger and Surplus quickly become entangled in a morass of deceit and revolution. The only thing more dangerous than the convoluted political web surrounding Darger and Surplus is the gift itself, the Pearls of Byzantium, and Zoësophia, the governess sworn to protect their virtue. This steampunk-esque adventure explores the great game of espionage and empire building, from the point of view of the world's most accomplished con men, Darger and Surplus.
