### Lucky Break

*Penguin* In this thrilling new novella from the New York Times bestselling author of *Blood Games*, vampire Merit bites off more than she bargained for when a romantic trip to a secluded Colorado town turns deadly. Merit and Ethan are in desperate need of some alone time, far from the worries of Cadogan House, but trouble tends to follow wherever they go. Their attempt at a romantic getaway is quickly interrupted when one of Ethan's vampire friends shows up at their door—covered in blood and accused of killing her shifter husband. Merit and her Master soon discover their vacation spot is far less idyllic than it appears. A centuries old quarrel between local vampires and shifters has made the town a perpetual supernatural battle zone, and this fresh blood has stirred the already volatile pot. Now, Merit and Ethan must put their passion on pause to figure out who's really responsible for the murder before all hell breaks loose... Includes an exclusive preview of the next Chicagoland Vampires novel, *Dark Debt* Praise for the series "Wonderful entertainment."--#1 New York Times bestselling author Charlaine Harris "Will appeal to fans of Charlaine Harris's *Sookie Stackhouse* and Laurell K. Hamilton's *Anita Blake*."—Library Journal "A wonderfully compelling reluctant vampire heroine."—USA Today bestselling author Julie Kenner Chloe Neill was born and raised in the South, but now makes her home in the Midwest. She is the author of the New York Times bestselling Chicagoland Vampires series, including *Dark Debt*, *Blood Games*, and *Wild Things*. When not transcribing Merit's adventures, she bakes, works, and scours the Internet for good recipes and great graphic design. Chloe also maintains her sanity by spending time with her boys—her photographer husband and their dogs, Baxter and Scout.

### This Case Is Gonna Kill Me

*St. Martin's Press* In a world where humans endure the laws and politics of vampires, werewolves, and elves in order to avoid becoming prey, Linnet Ellery embarks on a career with a "white fang" firm and is targeted by random attacks.

## Beautiful Disaster Signed Limited Edition

### A Novel

*Simon and Schuster* **Travis Maddox**, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

### Dead Until Dark

*Penguin* Sink your teeth into the first novel in the #1 New York Times bestselling Sookie Stackhouse series—the books that gave life to the Dead and inspired the HBO® original series *True Blood*. Sookie Stackhouse is just a small-time cocktail waitress in small-town Bon Temps, Louisiana. She's quiet, doesn't get out much, and tends to mind her own business—except when it comes to her “disability.” Sookie can read minds. And that doesn't make her too dateable. Then along comes Bill Compton. He's tall, dark, handsome—and Sookie can't hear a word he's thinking. He's exactly the type of guy she's been waiting for all her life... But Bill has a disability of his own: he's a vampire with a bad reputation. And when a string of murders hits Bon Temps—along with a gang of truly nasty bloodsuckers looking for Bill—Sookie starts to wonder if having a vampire for a boyfriend is such a bright idea.

### Gullstruck Island

*Abrams* From the award-winning author, “a breathtaking journey of revenge and redemption that pits a stubborn, devoted girl against an unknown evil” (Kirkus Reviews, starred review). On Gullstruck Island, legend has it that the mountain ranges and volcanoes are in charge. Anger them, and you'll pay the price. Keep them happy, and you'll enjoy their protection. These stories of the land's command come in handy for quiet, near-invisible Hathin when she must run for her life. Hathin's sister, Arilou, is believed to be a Lost. The Lost are held nearly sacred by those on Gullstruck, for they can send their senses away from their bodies. If Lost, Arilou can read a message across the island. If Lost, Arilou can hear whispers in the corners of private rooms. If Lost, Arilou can smell bread baking in the governor's mansion. All from her beachside hut. But the question remains: Is Arilou really a Lost? When all the Lost drop dead, except Arilou, she and Hathin are swept into a grand conspiracy that leads them to the most sinister depths—and heights—of the island. “Filled with sentient volcanoes, gem-studded teeth, villains, heroes, revenge, love, and the world's most frightening dentist, this is a book to rival *The Princess Bride* in scope, adventure, and excitement. It's Hardinge's magnum opus. One that I dearly hope both kids and adults enjoy in equal measure.” —A Fuse #8 Production, *School Library Journal* “Delightfully inventive . . . Ripe, rollicking, and endlessly creative.” —The Guardian “A luminous example of gifted storytelling at its best.” —Publishers Weekly (starred review)

### Wild Hunger

*Penguin* In the first thrilling installment of Chloe Neill's spinoff to the New York Times bestselling *Chicagoland Vampires* series, a new vampire will find out just how deep blood ties run. As the only vampire child ever born, some believed Elisa Sullivan had all the luck. But the magic that helped bring her into the world left her with a dark secret. Shifter Connor Keene, the only son of North American Central Pack Apex Gabriel Keene, is the only one she trusts with it. But she's a vampire and the daughter of a Master and a Sentinel, and he's prince of the Pack and its future king. When the assassination of a diplomat brings old feuds to the fore again, Elisa and Connor must choose between love and family, between honor and obligation, before Chicago disappears forever.

### Halfway to the Grave

## A Night Huntress Novel

*Harper Collins* Meet the vampire world's supercouple Cat and Bones in this special 10th anniversary edition, with a "director's cut" collection of deleted scenes! "Cat and Bones are combustible together." - Charlaine Harris Half-vampire Catherine Crawfield is going after the undead with a vengeance, hoping that one of these deadbeats is her father—the one responsible for ruining her mother's life. Then she's captured by Bones, a vampire bounty hunter, and is forced into an unholy partnership. In exchange for finding her father, Cat agrees to train with the sexy night stalker until her battle reflexes are as sharp as his fangs. She's amazed she doesn't end up as his dinner—are there actually good vampires? Pretty soon Bones will have her convinced that being half-dead doesn't have to be all bad. But before she can enjoy her newfound status as kick-ass demon hunter, Cat and Bones are pursued by a group of killers. Now Cat will have to choose a side . . . and Bones is turning out to be as tempting as any man with a heartbeat.

## Fear Nothing

### A Novel

*Bantam* Fear, compassion, evil, courage, hope, wonder, the exquisite terror of not knowing what will happen on the next page to characters you care about deeply—these are the marvels that Dean Koontz weaves into the unique tapestry of every novel. His storytelling talents have earned him the devotion of fans around the world, making him one of the most popular authors of our time, with more than 200 million copies of his books sold worldwide. Christopher Snow is different from all the other residents of Moonlight Bay, different from anyone you've ever met. For Christopher Snow has made his peace with a very rare genetic disorder shared by only one thousand other Americans, a disorder that leaves him dangerously vulnerable to light. His life is filled with the fascinating rituals of one who must embrace the dark. He knows the night as no one else ever will, ever can—the mystery, the beauty, the many terrors, and the eerie, silken rhythms of the night—for it is only at night that he is free. Until the night he witnesses a series of disturbing incidents that sweep him into a violent mystery only he can solve, a mystery that will force him to rise above all fears and confront the many-layered strangeness of Moonlight Bay and its residents. Once again drawing daringly from several genres, Dean Koontz has created a narrative that is a thriller, a mystery, a wild adventure, a novel of friendship, a rousing story of triumph over severe physical limitations, and a haunting cautionary tale. This ebook edition contains a special preview of Dean Koontz's *The Silent Corner*.

## Starglass

*Simon and Schuster* For all of her sixteen years, Terra has lived on a city within a spaceship that left Earth five hundred years ago seeking refuge, but as they finally approach the chosen planet, she is drawn into a secret rebellion that could change the fate of her people.

## Verdigris Deep

*Abrams* "Deliciously shiver-inducing . . . Fans of dark fantasies such as Neil Gaiman's *Coraline* will find this tale irresistible"—from the award-winning author (*School Library Journal*). **Verdigris (n.):** a blue-green rust that tarnishes aging and forgotten copper coins, altering them entirely . . . Ryan feels invisible: At school, he's in a class with students older and cooler than him, and at home, he's largely ignored during his parents' petty arguments. And then he meets Josh. Josh is popular in the way that only beautiful boys can be—he's almost electric. Both Ryan and his chatterbox sidekick, Chelle, fall under Josh's spell, and the three soon become inseparable. One summer afternoon, they sneak off to the troubled town of Magwhite. Trapped without bus fare for the ride home, Josh convinces his less mischievous companions their only solution is to steal coins from the infamous wishing well. Soon after, each develops a unique, sinister power. When the well witch appears, she gargles demands of her three new servants. Ryan, Josh, and Chelle have robbed her and now must obey her . . . and the wishes rotting at the bottom of her well. "A deliciously creepy tale . . . There is a vividness and energy to Hardinge's imagination that makes almost every moment of this absorbing story shine with light or glossy darkness." —*The Horn Book* (starred review) "Inescapably chilling . . . a dark, polished gem." —*Publishers Weekly* (starred review) "There's no denying Hardinge's power as a storyteller, her ability to create beautiful, precise imagery, or her expectation that her readers will grasp the subtle ideas and reflections woven into the novel." —*Booklist* (starred review)

## Night Game

*Penguin* In this “suspenseful...captivating” (Publishers Weekly) novel in GhostWalker series, #1 New York Times bestselling author Christine Feehan tracks the desperate steps of a wanted woman—betrayed, avenging, and dangerously irresistible... Gator Fontenot of the Special Forces paranormal squad can't refuse an urgent request to save the elusive Iris “Flame” Johnson, a victim of the same horrific experiments that warped Gator. Now unleashed, she's a red-haired weapon of unimaginable destructive powers, a walking time bomb bent on revenge in the sultry bayous of New Orleans, and hunted by a shadowy assassin. It's Gator's job to reel Flame in. But can two people haunted by violent betrayals trust the passion that soon ignites between them? Or is one of them just playing another seductive and deadly night game?

## Bob Marley: The Untold Story

*Farrar, Straus and Giroux* What was it about Bob Marley that made him so popular in a world dominated by rock 'n' roll? How is it that he not only has remained the single most successful reggae artist ever, but also has become a shining beacon of radicalism and peace to generation after generation of fans? The man who introduced reggae to a worldwide audience, Marley was a hero figure in the classic, mythological sense. From immensely humble beginnings, with talent and religious belief his only weapons, the Jamaican recording artist applied himself with unstinting perseverance to spreading his prophetic musical message across the globe. In 1980, on tour, Bob Marley and the Wailers played to the largest audiences a musical act had ever experienced in Europe. Less than a year later, Marley would die, only thirty-six years old. Sales of Marley's albums before his death were spectacular; in the years since he died, they have been phenomenal. Chris Salewicz, the bestselling author of Redemption Song, the classic biography of Joe Strummer, interviewed Bob Marley in Jamaica in 1979. Now, for the first time, in this thorough, detailed account of Marley's life and the world in which he grew up and which he came to dominate, Salewicz brings to life not only the Rastafari religion and the musical scene in Jamaica, but also the spirit of the man himself. Interviews with dozens of people who knew Marley and have never spoken before are woven through the narrative as Salewicz seeks to explain why Marley has become such an enigmatic and heroic figure, loved by millions all over the world.

## City of a Thousand Dolls

*Harper Collins* The girl with no past, and no future, may be the only one who can save their lives. Nisha was abandoned at the gates of the City of a Thousand Dolls when she was just a little girl. ## Blood Sense

*SubtleDemon Publishing, LLC* **Saxom is dead. The vampires know this. Anthony Hancock, Director of the Joint NSA/Homeland Security Department, knows it as well. Tony and the vampires are now on the hunt for Saxom's brood, all of whom are determined to avenge their sire's death. Neither Tony nor the vampires are aware of the other's efforts to search out these rogues, who may number in the hundreds at the very least. Tony holds information the vampires don't—he knows that Xenides, Saxom's eldest vampire child, has allied with terrorists (both foreign and domestic). Tony also neglects to provide vital information to Wlodek when he requests Lissa's help. While struggling to recover from a near-fatal bout with the sun, Lissa fails to understand why Wlodek willingly sends her away on assignment so quickly. With very little information provided to her, Lissa is forced to face an enemy more deadly than anyone can imagine and unravel a plot that could kill millions.**

## Every Part of You

*St. Martin's Griffin* **First published as a five-part e serial novel, Megan Hart's *Every Part Of&nbsp;You &nbsp;is&nbsp;now available for the first time as a complete book.* Simone Kahan's been watching Elliott Anderson through her office window for months. He likes to bring women back to his office for late-night trysts, and Simone enjoys her voyeurism until one night, Elliott appears to go too far with his date. The other woman might not be into spanking, but Simone is, and when she meets Elliott in the elevator later that night, she makes sure he's intrigued enough by her to ask her to go with him to the party he no longer has a date for. Thrown together by circumstances he'd never have imagined, Elliott isn't sure what to think about Simone. She's nothing like the women he normally dates, but something about her draws him in until he can't stop himself from wanting her... until their goodnight kiss becomes something harder. Harsher. Simone responds to his rough hands as no woman ever has, and Elliott's not ready to pursue what he's always told himself is wrong.**

**"Staff from smaller airports typically lack specialized expertise in the negotiation and development of airport property or the resources to hire consultants. ACRP Research Report 213 provides airport management, policymakers, and staff a resource for developing and leasing airport land and improvements, methodologies for determining market value and appropriate rents, and best practices for negotiating and re-evaluating current lease agreements. There are many factors that can go into the analysis, and this report reviews best practices in property development."--Foreword.**

## Political Memory in and After the Persian Empire

**SBL Press Various disciplines that deal with Achaemenid rule offer starkly different assessments of Persian kingship. While Assyriologists treat Cyrus's heirs as legitimate successors of the Babylonian kings, biblical scholars often speak of a "kingless era" in which the priesthood took over the function of the Davidic monarch. Egyptologists see their land as uniquely independently minded despite conquests, while Hellenistic scholarship tends to evaluate the interface between Hellenism and native traditions without reference to the previous two centuries of Persian rule. This volume brings together in dialogue a broad array of scholars with the goal of seeking a broader context for assessing Persian kingship through the anthropological concept of political memory.**

## Deadly Conclusion

**AuthorHouse Following its failure to gain military dominance in World War II, Japan implemented a top secret contingency plan. This plan was aimed at world economic dominance. It utilized genetic engineering and industrial espionage as primary weapons. The implementation of the plan was a brilliant success. Japan had stolen industrial secrets from the best companies in the Western world. Once Japan's economy was well established, all traces of the plan had to be eliminated, including killing everyone with even the remotest knowledge of it. Four of the five founders were also killed leaving only the Emperor with full knowledge. Or so he thought! Years later an inadvertent publication revealed that one person with all this knowledge was still alive. Rob Campbell was believed to have been killed but unknown to the Emperor his life had been spared and he now lived with his wife and baby son in Hawaii. If details of this heinous plan were made public it could severely damage the entire Japanese economy and bring the downfall of the Emperor and his lineage. He would not allow this to happen. The Emperor sent a clandestine group of intelligent, highly trained assassins to find and eliminate the entire Campbell family. Fortunately for Rob, two allies came to his aid. Both had World War II espionage training. But would their combined capability be sufficient to overcome the Emperor's experienced assassins? There would be many more questions as the trail led from one side of the Pacific to the other. Many questions - but only one certainty. Many people would die before the quest reached a conclusion.**

## Nicolás Guagnini: Theatre of the Self

**Nicolás Guagnini: Theatre of the Self** is a hybrid catalogue-reader based on the exhibition of the multi-threaded performances of Buenos Aires-born New York-based Guagnini. Many of these works, spanning from 2005 until 2019, have never been seen before or have not been seen since their original live presentation. Raised in Argentina during the "Dirty War" and violent military dictatorship, Guagnini moved to New York in the late 1990s and co-founded the film production company Union Gaucha Productions with Karin Schneider in 1997. In 2005 Guagnini became co-founder of Orchard Gallery, an artist cooperative based on the Lower East Side. The work in *Theatre of the Self* is informed in part by autobiography, history, politics and through Guagnini's community itself. Some performances were participatory, some were not. But all were made polyvocally in collaboration with a group of artists with shared interests and concerns around performance and the moving image including Ei Arakawa, Leigh Ledare, Jeff Preiss, Aura Rosenberg, Karin Schneider among others. This publication invites internationally acclaimed art historians, curators and artists to think about the material in Guagnini's work within a unique format. Readers of the publication will be interested in contemporary art, film, political science, performance studies, and Latin American studies.
