KEY=11 - ROBERSON WILLIAMSON

Raising Steel

Momma Joe

CreateSpace Josephina Steel has been alone for years. Her husband and father of her children, Jase, Cyrus, Zandor, and Xavier, died in a horrible accident when the family was already going through rough times. Through hard work, love and loyalty in abundance, her sons are the men she and Jonathan, always knew they could be. Does true love only come once in a lifetime...or can we rise up and love again?

Jase

Createspace Independent Publishing Platform Book 1 in the Men of Steel series Jase Steel is a twenty two year old hot tattooed and pierced bad boy who works at his family's tattoo shop FOREVER STEEL with his brothers. His good looks will tempt anyone to walk on the wild side and that's exactly where he wants to be. But his interest is immediately peeked when he meets Carly, his best friend's cousin. And even though his friend will not approve, Jase can't help himself. After tricking Carly to "fake date" him, he realizes that there is so much more to the beautiful girl, as the situations that surround Carly at all times are hysterical, yet heart warming. Jase falls hard and fast for her, but some painful secrets from his past may keep him away until it's too late.

Morrison

A Caldwell Brothers Novel

Loveswept The sizzling-hot Caldwell Brothers series—perfect for readers of J. S. Scott and Emma Chase—hits the Vegas strip as a bad-boy gambler from Detroit Rock City shows a single mom what it means to play for keeps. For Morrison Caldwell, life is a game of chance. A high roller with a legendary poker face, he’s the wild card of the family, always chasing the next thrill and never staying put for long. The one place that always lures him back is Las Vegas, with its hot tables and even hotter women. He’s perfectly content to live his life as a series of one-night stands. But when a parking lot confrontation with a cocktail waitress takes a naughty turn, she leaves Morrison aching for another round. After a long losing streak in Sin City, Hailey Poe is ready to get lucky. A steamy tryst with a cocky, mysterious stranger is the kind of no-strings encounter she’s been craving . . . until Morrison Caldwell asks for more than she’s willing to offer. But when Hailey’s controlling, soon-to-be ex-husband tries to take her daughter away, she can’t afford to turn down a helping hand. In this winner-takes-all game, Morrison is gambling with Hailey’s life—and her heart. Praise for Morrison “MJ Fields and Chelsea Camaron really know how to steam things up—with sizzling romance, pulse-pounding excitement, and bad boy heroes to die for!”—New York Times bestselling author Tracy Wolff “MJ Fields and Chelsea Camaron’s Caldwell brothers are addictive. If you’re a fan of dominant alpha bad boys with hearts of gold, don’t miss this series!”—New York Times bestselling author Vrina DePaul “With a sexy bad boy, insanely hot chemistry, and heart-melting romance, Morrison has it all!”—Stacey Kennedy, USA Today bestselling author of the Club Sin series “Sexy and gritty, with all the feels.”—Stina Lindenblatt, author of This One Moment “I loved this book! I never wanted the story to end. Morrison is most certainly an alpha male; he does not take no for an answer. But he is also a softy. I love the nicknames that he gives the ones he loves. I cannot wait to read about Jagger!”—NightWolf Book Blog “Oh my god, what a book! I loved this one even more than Hendrix’s book.”—Kimmie Sue’s Book Review “I am so enjoying this series and love the collaboration of Chelsea and MJ. They do a good job telling a wonderful story and keeping you right there with all the characters.”—Twinsie Talk Book Reviews “I really did love watching Morrison fall in love with not only Hailey but her little girl. It was really beautiful to see such a tough guy becoming putty in her hands.”—Escape N Books “I loved this story and will be waiting for the next one. Highly recommend for readers who enjoy a strong couple who simply belong together whether they’re ready to see that yet or not.”—Keeper Bookshelf Includes an excerpt from another Loveswept title.

Sabato

The Cross

Createspace Independent Publishing Platform ***USA Today Bestseller, MJ Fields, brings you a hot new romance novel*** la fame.... Sabato Efisto is a cursed man. Born from sin, raised in revenge, he's made a name for himself doling out pleasure and punishment in the lush Italian Riviera. io brucio.... When the sins of his father come to rest on his shoulders, Sabato trades his privileged-but dangerous-life as the son of a mafia kingpin for the untested-but willing-shores of New Jersey. Acquiring a sex club called Steelettos is only the first phase in his plan to seduce and tame his new American landscape. Phase two involves finding a woman who can meet his...very singular, and definitely less-than-legal needs. io conquisto.... Enter Melyssa Chance, a sassy southern law student who is as untested as they come. From the first glance, Melyssa knows that the sexy Italian is going to leave a mark on her reputation...and maybe a few other parts of her, while he's at it. But what she doesn't know is why she somehow caught his eye in return, what he really wants from her, and how far he's willing to go to get it. che consumo...

Hendrix

Ballantine Group USA TODAY BESTSELLER • Perfect for fans of J. S. Scott and Emma Chase, Hendrix introduces the wild and sexy Caldwell boys—three brothers who are living up to their legendary names in Detroit Rock City. Hendrix Caldwell wants nothing more than to revitalize the family bar—and tear down every last reminder of his no-good father. But business isn’t the only thing on his mind. An explosive encounter with a stranger at a charity masquerade is just the distraction he craves, with no names and no strings attached. For Hendrix, sex is casual, and love is a four-letter word. His commitment is to his brothers, his bar, and his bike. So why can’t he stop thinking about the naughty Cinderella who rocked his world, then left him—and her panties—behind? Olivia Hemmingway knows fairytales are for little girls. Drowning in debt and hiding a shameful secret, she won’t be saved by a knight in tattooed armor, no matter how mind-blowing their one-night stand may have been. Olivia never expects to meet her masked lover again. But when she takes a job at Hendrix Caldwell’s bar, her sexy new boss seems all too familiar. And once the lights go out and the music is turned up, the sparks between them burn hotter than ever. Praise for Hendrix and the Caldwell Brothers series “MJ Fields and Chelsea Camaron really know how to steam things up—with sizzling romance, pulse-pounding excitement, and bad boy heroes to die for!”—New York Times bestselling author Tracy Wolff “What happens when two worlds collide not once, but twice? Wow. There are so many books I want from this series.”—Reading Renee “I loved seeing the family dynamics and bond these three brothers have.”—Twinsie Talk “I can’t wait to dive into more of the Caldwell brothers’ stories.”—The Book

Enthusiast Includes an excerpt from another Loveswept title.

Unraveled

MJ Fields “I let my inhibitions go, and they fell in the wrong place. I didn’t know he would be my unraveling. I didn’t know he was twenty-five.” A single mother often lives by certain rules, and Angela Petrov has made certain to adhere to hers: Mom first, career second, and no man will meet her child unless they will be in her life long-term. However, with her daughter now in college, the company she has worked at for over a decade facing major changes, and no lover in sight, Angela’s life has lost all its carefully construed and configured organization. When news that the annual, employee, Labor Day party in the Hamptons will still be held, Angela tries to bail out. However, her best friend and coworker, Autumn, convinces her otherwise. Turns out that, while attempting to enjoy the elite Hampton nightlife with her coworkers, she meets a much-younger, tall, dark, and sexy man who offers her an escape for the long weekend. So, throwing caution to the ocean breeze, she accepts his offer of a true time-out in life, focusing only on time between the sheets with no ... strings attached. What happens when you allow yourself to let go of life’s stresses, release inhibitions, and embrace desire? You chase regret

Wrapped in Silk

Book 1 in Mj Fields Wrapped Series

CreateSpace Highly emotional, erotic, sensitive story of second chances at life, and love. Emma a single mother to seven year old London finds herself separated and on the verge of divorce. She is not looking for love just a happy life and the ability to take care of her daughter. Emma is faced with making the decision to move in order for her to move giving her the ability to support her family. While London is on a visit with her father, Emma visits a college room mate, a publicist in New York City she literally runs into Brody Hines, a British rock star. Emma finds herself attracted to him immediately and does not realize who he is. Left in fates hands the two meet again and he knows he has to have her.

Blue Love

Scandalous Scotsman

A Cocky Hero Club Novel

Mj Fields Books One trip down the stairs, caused by a lone Lego, while wrapped in a towel, spewing a plethora of profanities, and my cell phone went flying.I landed on my ass, and then the ER.Between those two occurrences was a FaceTime call, placed by a bouncing phone, to the number of a man I didn't even truly look at. A man who had now seen more of my body than anyone had since my Tinder days, over a year ago.Three declined calls later, I limped out the door to get myself to the ER before starting my hectic day.The ER was packed, but when I saw Nurse Bridget, one of my students' mothers, I pleaded my case and she hurried me into an examination room.An hour later, I left on crutches with a bruised ass, a fractured ankle, and an appointment to see an orthopedic surgeon at four p.m.Arriving fifteen minutes late for that appointment, I heard the sexy yet very brash accent of a man who clearly had an obsession with punctuality and, apparently, no bedside manner.Dr. Ethan Stewart, tall, copper-haired, sinfully sexy ? was a total ass.After a tongue-lashing about how irresponsible I was to, first, leave the ER with such an injury, and second, be late, I put him in his place ? or so I thought.Turned off by his arrogant attitude, turned on by the roguish glint in his green eyes and the way he spoke, I left his office a hot ? and wet mess.Upon exiting, my phone rang again. It was the same number from before, and I couldn't help answering to give the caller a piece of my mind.Once in my car, I hung up, tossed my phone on the passenger seat, and then looked out the window to see him with his phone to his ear and a grin spread across his far too handsome face.It couldn't be ?Could it?

27 Truths

Ava's Story

Createspace Independent Publishing Platform From USA Today Bestselling author, MJ Fields, comes a gripping story of love and it's many truths. Once upon a time, Luke Lane loved a little, stubborn, delusional girl, and that little girl was me. My fairytale happy ever after always included my black-haired, blue-eyed, knight in shining armor, and that knight was Luke Lane. Then I grew up and convinced myself that it wasn't a fairytale after all. It was Fate. I twisted Fate to make her story come to life, but Fate fought back, and now I am looking at a man I still love, but he doesn't feel the same. I have to walk away. Not just for me, but for him. And not for the version of him who broke my heart, but for the version who was truly a knight in shining armor to the little girl I was, so many fairy tales ago.

New Love

Frenzy

Little, Brown Books for Young Readers 14-year-old Heath Lambert is spending his summer at Camp Harmony in the picturesque Cascade Mountain Valley. It's the perfect place to enjoy the soothing calm of nature as he weighs a heavy decision. The camp offers distractions: his friends, Cricket and Dunbar, always up for trouble; his reluctant crush on Emily, one half of the beautiful Em & Em Twins; and hulking bullies Thumper and Floaties, who are determined to make him their punching bag for the summer. But no one rattles Heath like his creepy cabin mate, Will Stringer. Brilliant, cold and calculating, Will views the world as one big chess game, and he's always three moves ahead of everyone else. Heath soon learns there's a much bigger threat to contend with. Something's wrong with the animals in the surrounding forest. A darkness is spreading, driving them mad with rage. Wolves, bears, mountain lions???even the chipmunks are infected, spurred on in droves by one horrific goal: hunt and kill every human they find. Heath and a ragtag band of campers are faced with a choice: follow Will's lead and possibly survive, or follow the camp staff and die. But how do you trust a leader when you suspect he's more dangerous than the animals you're running from? Heath came to Camp Harmony to be surrounded by nature. He's about to get his wish.

Jase and Carly Summer Lovin'

[Createspace Independent Publishing Platform](#) This is the conclusion fo Jase and Carly's story. Tattooed bad boy Jase declared his love for Carly. But they will have to decide if love is enough, or if their relationship is only based on inescapable attraction. Do they have what it takes to make it to forever?

Field Book for Describing and Sampling Soils

Hundred Percent

[Chronicle Books](#) The last year of elementary school is big for every kid. In this novel, equal parts funny and crushing, utterly honest and perfect for boys and girls alike, Christine Gouda faces change at every turn, starting with her own nickname—Tink—which just doesn't fit anymore. Readers will relate to this strong female protagonist whose voice rings with profound authenticity and absolute novelty, and her year's cringingly painful trials in normalcy—uncomfortable Halloween costumes, premature sleepover parties, crushed crushes, and changing friendships. Throughout all this, Tink learns, what you call yourself, and how you do it, has a lot to do with who you are. This book marks beloved author Karen Romano Young's masterful return to children's literature: a heartbreakingly honest account of what it means to be between girl and woman, elementary and middle school, inside and out—and just what you name that in-between self.

To Err Is Human

Building a Safer Health System

[National Academies Press](#) Experts estimate that as many as 98,000 people die in any given year from medical errors that occur in hospitals. That's more than die from motor vehicle accidents, breast cancer, or AIDS—three causes that receive far more public attention. Indeed, more people die annually from medication errors than from workplace injuries. Add the financial cost to the human tragedy, and medical error easily rises to the top ranks of urgent, widespread public problems. To Err Is Human breaks the silence that has surrounded medical errors and their consequence—but not by pointing fingers at caring health care professionals who make honest mistakes. After all, to err is human. Instead, this book sets forth a national agenda—with state and local implications—for reducing medical errors and improving patient safety through the design of a safer health system. This volume reveals the often startling statistics of medical error and the disparity between the incidence of error and public perception of it, given many patients' expectations that the medical profession always performs perfectly. A careful examination is made of how the surrounding forces of legislation, regulation, and market activity influence the quality of care provided by health care organizations and then looks at their handling of medical mistakes. Using a detailed case study, the book reviews the current understanding of why these mistakes happen. A key theme is that legitimate liability concerns discourage reporting of errors—which begs the question, "How can we learn from our mistakes?" Balancing regulatory versus market-based initiatives and public versus private efforts, the Institute of Medicine presents wide-ranging recommendations for improving patient safety, in the areas of leadership, improved data collection and analysis, and development of effective systems at the level of direct patient care. To Err Is Human asserts that the problem is not bad people in health care—it is that good people are working in bad systems that need to be made safer. Comprehensive and straightforward, this book offers a clear prescription for raising the level of patient safety in American health care. It also explains how patients themselves can influence the quality of care that they receive once they check into the hospital. This book will be vitally important to federal, state, and local health policy makers and regulators, health professional licensing officials, hospital administrators, medical educators and students, health caregivers, health journalists, patient advocates—as well as patients themselves. First in a series of publications from the Quality of Health Care in America, a project initiated by the Institute of Medicine

Abe

Forever Steel

Men of Steel

[CreateSpace](#) Before they found love, Cyrus, Jase, Zandor, and Xavier Steel work at their family owned tattoo shop, Forever Steel, during the day and sometimes into the night. When the shop closes these tattooed, pierced, alpha, bad boys play hard. Real hard. To celebrate Xavier's birthday and Cyrus becoming a home owner they decide to throw a party. But first they need to come up with the house rules. No shoes, No sleepovers, No bullshit. With rules set in place it's time to get the party started. It's BYOB, bring your own batteries, because they ain't providing them. Get ready you're in for one hell of a party. Raise your glass for a toast to Forever Steel.

The Man in the High Castle

[Houghton Mifflin Harcourt](#) In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

Jase

Steel Brothers - a Family Affair

[Createspace Independent Publishing Platform](#) I don't play by the rules. I'm wild. Pierced. Tatted from head to toe. People say I'm a bad boy, but what's so bad about wanting to have a good time? Straight up, I don't really care what you, or anyone else thinks about it. There's this blonde chick who has had my eye for awhile. Her name is Carly. She's HOT, but innocent. I'm going for it. I'm going to make her bow to the prince. In true Steel style. Forever Steel, baby.

44 Charles Street

A Novel

Delacorte Press BONUS: This edition contains an excerpt from Danielle Steel's *Betrayal*. A magical transformation takes place in Danielle Steel's luminous novel: Strangers become roommates, roommates become friends, and friends become a family in a turn-of-the-century house in Manhattan's West Village. The plumbing was prone to leaks, the furniture rescued from garage sales. And every square inch was being devotedly restored to its original splendor—even as a relationship fell to pieces. Now Francesca Thayer, newly separated from her boyfriend, is suddenly the sole mortgage payer on her Greenwich Village townhouse. The struggling art gallery owner does the math and then the unimaginable. She puts out an advertisement for boarders, and soon her home becomes a whole new world. First comes Eileen, a fresh, pretty L.A. transplant, now a New York City schoolteacher. Then there's Chris, a young father fighting for custody of his seven-year-old son. The final tenant is Marya, a celebrated cookbook author hoping to start a new chapter in life after the death of her husband. Over the course of one amazing, unforgettable, ultimately life-changing year, Francesca discovers that her accidental tenants have become the most important people in her life. The house at 44 Charles Street fills with laughter, heartbreak, and hope—and in the hands of master storyteller Danielle Steel, it's a place those who visit will never want to leave.

Between the World and Me

One World #1 NEW YORK TIMES BESTSELLER • NATIONAL BOOK AWARD WINNER • NAMED ONE OF TIME'S TEN BEST NONFICTION BOOKS OF THE DECADE • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • ONE OF OPRAH'S "BOOKS THAT HELP ME THROUGH" • NOW AN HBO ORIGINAL SPECIAL EVENT Hailed by Toni Morrison as "required reading," a bold and personal literary exploration of America's racial history by "the most important essayist in a generation and a writer who changed the national political conversation about race" (Rolling Stone) NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY The New York Times Book Review • O: The Oprah Magazine • The Washington Post • People • Entertainment Weekly • Vogue • Los Angeles Times • San Francisco Chronicle • Chicago Tribune • New York • Newsday • Library Journal • Publishers Weekly In a profound work that pivots from the biggest questions about American history and ideals to the most intimate concerns of a father for his son, Ta-Nehisi Coates offers a powerful new framework for understanding our nation's history and current crisis. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

Jase

Los Hermanos Steel - Un Romance Familiar (Men of Steel Libro Uno)

Carly Dicen que nunca debes juzgar a un libro por su portada, pero, como ávida lectora de 'ese tipo de libros'? y como miembro del club de lectura de mi mamá, es difícil no hacerlo. A lo que me refiero es, ¿quién puede culparme por desear a un encantador chico malo, con tatuajes y piercings, ojos color chocolate y toda esa sexy melena? La manera en que me mira hace que me moje tanto como la costa de Jersey. Simplemente es deseo a primera vista. Solo hay algo que me detiene de arrojar mi precaución por los vientos y permitirle devorarme de la misma forma en que hacen los héroes con las mujeres en los libros que leo. Soy virgen. Vale, hay dos cosas que me detienen: también es el mejor amigo de mi primo, Jase. He visto esa mirada cientos de veces. Me lo está pidiendo a gritos. Quizás no con palabras, pero sí con la forma en que me mira. Quiero devorarme entera a la rubiecita sexy de hermosos ojos azules, tetas perfectas y culo respingon. Ella también quiere que lo haga. El único problema es que es la prima de mi mejor amigo y él sabe que yo no soy ningún príncipe Encantador que cabalgará sobre un caballo blanco para rescatar a la doncella. He trabajado duro para mantener la reputación de ser alguien sin ataduras, un chico más al estilo príncipe Albert. Pero ella está haciendo que todo sea más? difícil.

Forged

[Createspace Independent Publishing Platform Maddox Hines](#) walked away from the things he took comfort in, sex, drugs, and rock and roll. Things that helped dull the pains from his past and allowed him to continue waking up each day and push forward. He set out to win back the love of the girl who held his heart for five years. A girl who he knew was too good for him, deserved better than him, but it no longer mattered. Maddox set out to win her back. When he found her a life changing secret was revealed. One he felt was a blessing not a curse. Harper Abrahams fear of disappointing her family came to fruition and Maddox was her rock. When their family left to return to their homes Maddox stayed behind believing things were going as planned and determined to earn her trust back. Harper pushes him away to guard her heart from what only he was capable of doing to it. Harper loves Maddox but can no longer trust him, there was too much to loose. Pushing him away she hangs onto Blake her friend, confidant, and the man who she knows would be perfect for her. He had never let her down, and she knew he never would. Maddox holds strong in his fight, he won't lose her again. His persistence pays off but will it get them through what lies ahead. Will the sins of his past annihilate his dreams for his future with Harper? Will he be strong enough for her when she needs him the most?

Disgrace

A Novel

[Penguin J.M. Coetzee's latest novel, The Schooldays of Jesus, is now available from Viking. Late Essays: 2006-2016 will be available January 2018. Set in post-apartheid South Africa, J. M. Coetzee's searing novel tells the story of David Lurie, a twice divorced, 52-year-old professor of communications and Romantic Poetry at Cape Technical University. Lurie believes he has created a comfortable, if somewhat passionless, life for himself. He lives within his financial and emotional means. Though his position at the university has been reduced, he teaches his classes dutifully; and while age has diminished his attractiveness, weekly visits to a prostitute satisfy his sexual needs. He considers himself happy. But when Lurie seduces one of his students, he sets in motion a chain of events that will shatter his complacency and leave him utterly disgraced. Lurie pursues his relationship with the young Melanie—whom he describes as having hips “as slim as a twelve-year-old’s”—obsessively and narcissistically, ignoring, on one occasion, her wish not to have sex. When Melanie and her father lodge a complaint against him, Lurie is brought before an academic committee where he admits he is guilty of all the charges but refuses to express any repentance for his acts. In the furor of the scandal, jeered at by students, threatened by Melanie’s boyfriend, ridiculed by his ex-wife, Lurie is forced to resign and flees Cape Town for his daughter Lucy’s smallholding in the country. There he struggles to rekindle his relationship with Lucy and to understand the changing relations of blacks and whites in the new South Africa. But when three black strangers appear at their house asking to make a phone call, a harrowing afternoon of violence follows which leaves both of them badly shaken and further estranged from one another. After a brief return to Cape Town, where Lurie discovers his home has also been vandalized, he decides to stay on with his daughter, who is pregnant with the child of one of her attackers. Now thoroughly humiliated, Lurie devotes himself to volunteering at the animal clinic, where he helps put down diseased and unwanted dogs. It is here, Coetzee seems to suggest, that Lurie gains a redeeming sense of compassion absent from his life up to this point. Written with the austere clarity that has made J. M. Coetzee the winner of two Booker Prizes, Disgrace explores the downfall of one man and dramatizes, with unforgettable, at times almost unbearable, vividness the plight of a country caught in the chaotic aftermath of centuries of racial oppression.](#)

Marked Steel

The Idea Factory

Bell Labs and the Great Age of American Innovation

[Penguin The definitive history of America’s greatest incubator of innovation and the birthplace of some of the 20th century’s most influential technologies “Filled with colorful characters and inspiring lessons . . . The Idea Factory explores one of the most critical issues of our time: What causes innovation?” —Walter Isaacson, The New York Times Book Review “Compelling . . . Gertner's book offers fascinating evidence for those seeking to understand how a society should best invest its research resources.” —The Wall Street Journal From its beginnings in the 1920s until its demise in the 1980s, Bell Labs-officially, the research and development wing of AT&T-was the biggest, and arguably the best, laboratory for new ideas in the world. From the transistor to the laser, from digital communications to cellular telephony, it's hard to find an aspect of modern life that hasn't been touched by Bell Labs. In The Idea Factory, Jon Gertner traces the origins of some of the twentieth century's most important inventions and delivers a riveting and heretofore untold chapter of American history. At its heart this is a story about the life and work of a small group of brilliant and eccentric men-Mervin Kelly, Bill Shockley, Claude Shannon, John Pierce, and Bill Baker-who spent their careers at Bell Labs. Today, when the drive to invent has become a mantra, Bell Labs offers us a way to enrich our understanding of the challenges and solutions to technological innovation. Here, after all, was where the foundational ideas on the management of innovation were born.](#)

Ethics for A-Level

[Open Book Publishers What does pleasure have to do with morality? What role, if any, should intuition have in the formation of moral theory? If something is 'simulated', can it be immoral? This accessible and wide-ranging textbook explores these questions and many more. Key ideas in the fields of normative ethics, metaethics and applied ethics are explained rigorously and systematically, with a vivid writing style that enlivens the topics with energy and wit. Individual theories are discussed in detail in the first part of the book, before these positions are applied to a wide range of contemporary situations including business ethics, sexual ethics, and the acceptability of eating animals. A wealth of real-life examples, set out with depth and care, illuminate the complexities of different ethical approaches while conveying their modern-day relevance. This concise and highly engaging resource is tailored to the Ethics components of AQA Philosophy and OCR Religious Studies, with a clear and practical layout that includes end-of-chapter summaries, key terms, and common mistakes to avoid. It should also be of practical use for those teaching Philosophy as part of the International Baccalaureate. Ethics for A-Level is of particular value to students and teachers, but Fisher and Dimmock's precise and scholarly approach will appeal to anyone seeking a rigorous and lively introduction to the challenging subject of ethics. Tailored to the Ethics components of AQA Philosophy and OCR Religious Studies.](#)

Zandor

Men of Steel

[Createspace Independent Publishing Platform](#) Zandor Steel had spent the better part of the past year in Italy helping to oversee the building of a posh casino resort. A playground for the rich and famous. After hearing about what had been going on at home, he knew he must return to help his brothers remember who they were. Jase and Cyrus the oldest of the Steel brothers had been his mentors. They taught him to never get attached, and to know the difference between physical needs and the heart. Now he was racing home in hopes that he could stop yet another one of his brothers from making a mistake. Little did he know he was going to come face to face with a beautiful Southern Bell, Bekah George, who would challenge everything he thought he desired. Zandor knew his expectations in the bedroom were not for the faint of heart. He had spent a year living out his sexual fantasies. As he gets to know Bekah, he sees in her the same raw untamed heat that burned within him. But this strong, sexual, woman he is falling for turns out to be a bit broken. He needs to decide if he wants to go back to the lifestyle he had been enjoying, or if he has he fallen too deep?
