UNCOVERING THE CORRETTIS

Harlequin The more powerful the family...the darker the secrets. Meet the family everyone's talking about in this prequel novella to the Sicily's Corretti Dynasty series, brought to you by Harlequin Presents. Investigative journalist Emily Hyslop is furious when her editor—and ex—reassigns her from a career-making expos to a frivolous wedding in Sicily. But scandalous secrets lie behind the union of the rival Corretti and Battaglia families. Things start looking up when Emily meets the most intimidating, not to mention sexiest, man she's ever encountered.... Detective Anton Soranno has valuable insight into the Correttis and their scandalous dealings...and plenty of reason to hate them. He's the perfect source of information—and the more he helps Emily with her story, the more time they have to explore their intense desire. But even as their passionate nights uncover surprising feelings in both of them, Emily and Anton know that she must leave Sicily once the wedding is over.... Look for more books in the Sicily's Corretti Dynasty series from Harlequin Presents, beginning with A Legacy of Secrets by Carol Marinelli.

CAT PARTY #6

AT HOME WITH OUR CATS

Microcosm Publishing Contributors reflect on their relationships with their feline companions while quarantined together during the coronavirus pandemic in this new, heartfelt anthology of comics and stories about the cats we've known. Inside you'll find the surprisingly lighthearted story of Soxy the haunted-house cat by Vanessa Berry, the quarantined days of comics artist Jay McQuirns narrated by Lucy and Squetch, a poetic ode by Joe Carlough, Jackie Soro's illustrated meditation on the relative merits of sharing her isolation with a cat vs a girlfriend, a reminder that All Cats Are Babies, two of Missy Kulik's comics about her cat Nilla, Defectivepudding's demented fairy tale comic about a pie, and Helen Kaucher on felines' and humans' shared dreams of escape from the house.

SPORT PSYCHOLOGY FOR YOUNG ATHLETES

Routledge Understanding and applying psychology within youth sport settings is key to maximising young athletes' enjoyment, wellbeing, and sporting performance. Written by a team of leading international researcher-practitioners, this book is the first to offer an evidence-based introduction to the theory and practice of sport psychology for children and young athletes. It provides practical strategies and guidance for those working in or researching youth sport, demonstrating how to integrate sport psychology effectively in a variety of youth sport contexts. With real-life case studies that demonstrate psychological theory put into practice, it discusses a wide spectrum of issues faced by young athletes and recommends the best approaches to addressing them. Key topics covered include: the cognitive, social, and physical development of young athletes optimising fun, motivation, and self-confidence enhancing young athletes' relationships with coaches, parents, and peers managing stress, injuries, and transitions effectively developing talent and long-term engagement in sport encouraging organisational culture change. The most up-to-date and authoritative guide to sport psychology for young people, this is essential reading for anyone working in youth sport.

MILTON AND LIBERTY**INVALIDISM AND IDENTITY IN NINETEENTH-CENTURY BRITAIN**

University of Chicago Press Nineteenth-century Britain did not invent chronic illness, but its social climate allowed hundreds of men and women, from intellectuals to factory workers, to assume the identity of "invalid." Whether they suffered from a temporary condition or an incurable disease, many wrote about their experiences, leaving behind an astonishingly rich and varied record of disability in Victorian Britain. Using an array of primary sources, Maria Frawley here constructs a cultural history of invalidism. She describes the ways that Evangelicalism, industrialization, and changing patterns of doctor/patient relationships all converged to allow a culture of invalidism to flourish, and explores what it meant for a person to be designated—or to deem oneself—an invalid. Highlighting how different types of invalids developed distinct rhetorical strategies, her absorbing account reveals that, contrary to popular belief, many of the period's most prominent and prolific invalids were men, while many women found invalidism an unexpected opportunity for authority. In uncovering the wide range of cultural and social responses to notions of incapacity, Frawley sheds light on our own historical moment, similarly fraught with equally complicated attitudes toward mental and physical disorder.

LOOK INTO BIBLE SERIES - JAMES

'Look Into' materials provide the reader with an overview of Scripture at a level to help personal knowledge and application for the individual, together with Bible study and sermon material for the hard-working church leader. 'Look Into' series are intended to provide an overview of Bible books and pick out main topics. In this way, the reader is left with a real flavour of the specific Biblical subject, with the hope that, in due time, he/she might be encouraged into a deeper study. These studies from the book of James meet our aims and focus the reader on the need to study, learn and apply the undoubted word of God. Why? Because we live in a time when the Word of God has never been easier to obtain, yet it is a time when that same Word is so little understood. This creates one of the greatest dangers to the Church that is from within, not from outside.

Also includes assessment sheets, skills tracker, answer keys, and more.

MILITARY INTERFERENCE WITH THE ELECTION IN DELAWARE, NOVEMBER 4, 1862

Originally published by order of the Delaware General Assembly in 1863, Military Interference With the Election in Delaware, November 4, 1862 contains testimonies from nearly one hundred and thirty citizens about Republicans' use of federal troops to disarm volunteer militia companies and harass, assault, arrest, imprison, and disenfranchise Democratic voters. There are also dissenting voices who maintain that Southern-sympathizing Democrats planned to suppress the Republican or Union vote, and had to be restrained by force. The joint committee appointed by the General Assembly to investigate the controversy concluded that Republican politicians orchestrated a military invasion of Delaware "to defeat the fair expression of the popular will at the polls by the potent influence of Federal bayonets." The first edition of the committee's report and journal was never reprinted, and is one of the rarest books about Delaware history. This new edition, transcribed and edited by Christopher Slavens, will enable readers to read the hundreds of pages of testimonies about the events of 1862 for themselves, and make up their own minds about what happened, and why.
