## Marine Engineers Review

### Internal Combustion Engines

### Performance, Fuel Economy and Emissions

Woodhead Publishing This book presents the papers from the Internal Combustion Engines: Performance, fuel economy and emissions held in London, UK. This popular international conference from the Institution of Mechanical Engineers provides a forum for IC engine experts looking closely at developments for personal transport applications, though many of the drivers of change apply to light and heavy duty, on and off highway, transport and other sectors. These are exciting times to be working in the IC engine field. With the move towards downsizing, advances in FIE and alternative fuels, new engine architectures and the introduction of Euro 6 in 2014, there are plenty of challenges. The aim remains to reduce both CO2 emissions and the dependence on oil-derivate fossil fuels whilst meeting the future, more stringent constraints on gaseous and particulate material emissions as set by EU, North American and Japanese

regulations. How will technology developments enhance performance and shape the next generation of designs? The book introduces compression and internal combustion engines' applications, followed by chapters on the challenges faced by alternative fuels and fuel delivery. The remaining chapters explore current improvements in combustion, pollution prevention strategies and data comparisons. presents the latest requirements and challenges for personal transport applications gives an insight into the technical advances and research going on in the IC Engines field provides the latest developments in compression and spark ignition engines for light and heavy-duty applications, automotive and other markets

## U-Boat Emblems in World War II

Schiffer Pub Limited **Georg Hogel**, a former U-boat sailor who saw service in World War II, experienced the origin of these emblems of the U-boat service. In this book he keeps alive the memory of the legendary, sometimes very original and unforgotten emblems of German U-boats. The author has been able to collect numerous emblems, coats of arms and markings during long years of painstaking, detailed work, in memory of some 30,000 German U-boatmen, more than 80% of those who served on these boats, who were lost in the war. The brief chronicles and excerpts from first-person memoirs make the history of the German U-boats come alive in an impressive way, and documents the background of their existence. In the current edition, the newest source materials have been included, so that many hitherto unpublished emblems, coats of arms and markings are presented for the first time. AUTHOR:

## The Groomer

Independently Published **Andrew McCarthy** grows concerned for his family after he catches a young man, Zachary Denton, photographing his daughter, Grace McCarthy, and other children at a park. To his dismay, Zachary talks his way out of trouble when he's confronted by the police. He hopes that's the end of it. Then he finds Zachary at a diner and then at a grocery store. He knows their encounters aren't coincidences. And just as Andrew prepares to defend his family, Grace vanishes. As the police search stalls and the leads dry up, Andrew decides to take matters into his own hands. He starts by searching for sex offenders in the area and researching enhanced interrogation techniques... He convinces himself he'll do anything to rescue his daughter, unaware of the pure evil he'll face in his journey. He's willing to hurt-to torture-anyone to save his family. Jon Athan, the author of Into the Wolves' Den and The Abuse of Ashley Collins,

dives into the underworld of internet predators in this disturbing horror novel. Are your children safe? **WARNING: This book contains graphic content. Reader discretion is advised.**

## Review of Maritime Transport 2016

It provides an analysis of structural and cyclical changes affecting seaborne trade, ports and shipping, as well as an extensive collection of statistical information. The present edition of the Review of Maritime Transport takes the view that the long-term growth prospects for seaborne trade and maritime businesses are positive, with ample opportunities for developing countries to generate income and employment and help promote foreign trade.**

## Fast Track to Cruising

## How to Go from Novice to Cruise-Ready in Seven Days

McGraw Hill Professional **Learn how to handle a cruising sailboat in as little as seven days—even if you’ve never sailed before! Who says you have to be an experienced daysailor before you can think about cruising? Steve and Doris Colgate know that most of us don’t have that kind of time. At the Offshore Sailing School, the Colgates have helped more than 100,000 adults—three-quarters of whom started as beginning sailors or complete newcomers--take the helm of a midsize cruising sailboat. Now Fast Track to Cruising offers these proven instructional methods to all aspiring sailors with big dreams and little time. This is the very first guide that teaches sailing and cruising together, taking you from your first sail to independent cruising in one leap. You can make that leap in as little as seven days—as in the Colgates’ “Fast Track to Cruising” course—or you can get there at a more leisurely pace. Either way, no other book will take you from your first tacking or docking maneuver to a mastery of navigation and diesel engines as efficiently as this one. "America's most experienced sailing instructors present a thorough and easy to understand look at cruising. Leisure time is precious. Safety is paramount. The Colgates will help you maximize your time on the water."--Gary Jobson, ESPN's lead sailing analyst and editor at large for Cruising World and Sailing World “Doris and Steve Colgate understand that people want to reach their sailing goals as quickly as possible and they've built the excellent Fast**

Track program to accomplish it."--Bernadette Bernon, former editorial director of Cruising World magazine "Together Steve and Doris Colgate have been teaching beginners to sail for over half a century. In Fast Track to Cruising they have included every concept and procedure you need to get yourself from a want-to-be sailor to one who is knowledgeable and competent to take the helm--with confidence and a smile."--Charles Mason, Executive Editor, SAIL magazine

## Cruising Guide to the Leeward Islands

Fair winds and fine cruising is author Chris Doyle's wish for readers of this popular, newly updated guide to the 10 island nations of this enchanting Caribbean chain. Doyle's background in research makes this volume rich in practical details; yet its tone is conversational. His is also an intimate knowledge, gathered from more than 20 years of live-aboard Caribbean cruising on his Carib 41 Helos, a former charterboat. The Leewards are a cultural and topographic mix, and Doyle addresses them by geographical grouping. The Renaissance Islands (St. Martin, St. Barts and Anguilla), an economically strong bareboating enclave, offer short cruising passages and a wide choice of anchorages. The Islands That Brush the Clouds - a volcanic chain strung between Saba and Montserrat - present cruisers with a variety of channels and terrain. Most broadly strewn are the Islands of Mountains and Mangroves, a patchwork chiefly of rugged rainforest and exotic fauna, guarded in spots by spectacular reefs. The southern Leewards in particular have cried for reliable charting. Doyle provides aid throughout, using GPS coordinates, a trove of charts and color maps. All are cross-referenced with the newly released Caribbean Yachting Charts, exactly detailed and available through Cruising Guide Publications. Spectacular photographs add a visual feast. Onshore accommodations, transportation, communications, entertainment and provisioning are also addressed throughout the guide, and in an exhaustive directory by island and service type.

## A Secondhand Lie

Tabella House **Sometimes you know things you're not supposed to know. Things that you can never un-know. Things that will change the course of your life...and the fate of the ones you love. I found her in our living room, bleeding and close to death, but alive. Barely. Until morning stole her last breath. The media called her killer the "Triangle Terror" ... and then forgot about her. But I never forgot—my murdered sister, and an investigation that led to my own resurrection from the dead. Twenty-two years ago, on a cold February night, Landon Worthington lost his father for the last time. After an armed robbery gone wrong, evidence and witness testimony pointed a shaky finger at Dan Worthington—deadbeat dad and alcoholic husband. But before the dust could settle over the conviction, Landon's preteen sister, Alexis, is murdered in their home, plunging Landon's life into further despair. Two decades and a cold case later, Landon is dogged by guilt over their estranged relationship and decides to confront his incarcerated father about what really happened the night of the robbery. But the years of lies are hard to unravel. And the biggest question of all haunts him: How does everything tie into his sister's murder? And so begins Landon's journey to piece together the puzzle of secrets, lies, and truths that can free his father, avenge his sister, and perhaps save himself. A short story mystery perfect for fans of Robert Dugoni's *Third Watch* and Dean Koontz's *The Neighbor*. Read as a standalone or as the companion book to *A Secondhand Life*.**

## The Spice Necklace

## A Food-Lover's Caribbean Adventure

Doubleday Canada **A follow-up to the national bestseller *An Embarrassment of Mangoes*, Ann Vanderhoof and her husband navigate the Caribbean on a sailboat, discovering local culture in each tiny port, and collecting sumptuous original recipes along the way. Spices and herbs are the heart and soul of Caribbean cooking, adding more to the pleasures of the table here than perhaps anywhere else. In *The Spice Necklace*, award-winning food and travel writer Ann Vanderhoof embarks on a voyage of culinary discovery, as she follows her nose (and her tastebuds) into tiny kitchens and fragrant markets, through rainforest gardens and to family cookups on the beach, linking each food to its**

traditions, folklore and history. Meandering from island to island by sailboat, Vanderhoof takes readers along as she gathers nutmeg in Grenada, hunts crabs and freshwater crayfish in the mountains of Dominica, and obsesses about oregano-eating goats in the Dominican Republic. Along the way, she is befriended by a collection of unforgettable island characters who share with her their own delicious recipes, making this truly a book to savour.

## Althusser and Law

Routledge **Althusser and Law** is the first book specifically dedicated to the place of law in Louis Althusser's philosophy. The growing importance of Althusser's philosophy in contemporary debates on the left has - for practical and political, as well theoretical reasons - made a sustained consideration of his conception of law more necessary than ever. As a form of what Althusser called 'Ideological State Apparatuses', law is at the forefront of political struggles: from the destruction of Labour Law to the exploitation of Patent Law; from the privatisation of Public Law to the ongoing hegemony of Commercial Law; and from the discourse on Human Rights to the practice of judicial courts. Is Althusser still useful in helping us to understand these struggles? Does he have something to teach us about how law is produced, and how it is used and misused? This collection demonstrates that Althusser's ideas about law are more important, and more contemporary, than ever. Indeed, the contributors to **Althusser and Law** argue that Althusser offers a new and invaluable perspective on the place of law in contemporary life.

## First Born

## Guardian of Dare Chronicles-Book One

The chase is on for nineteen-year-old Tarian Prescott after narrowly escaping an air strike on the Entente Military Academy. Audrey, a fierce fighter and enigmatic immortal, may be the only person he can trust to save his life, but she's barely acknowledged his existence until now. She takes him to the mysterious hidden village of the Guardians of Dare, where he learns the truth about his murdered father, his immortal blood, and his beloved Entente of Nation's deepest secret. Tarian discovers he is the first immortal to be born in over 500 years, and now someone hunts him for his DNA. With only days to train and develop his immortal gifts, he struggles both physically and emotionally.

Balancing the truth he must keep secret from his family with the duty of saving not only himself but also his kind and his homeland. If he and Audrey fail, all immortals will die, the government will lose its greatest asset, and his father's death will remain unavenged. The layers of deceit run deep. Someone is lying, many are keeping secrets. Is Tarian the only innocent player in this game? Will they be enough to conquer an immortal army? Love and betrayal weave into this fast-paced adventure set in a future on the brink of war. And it's only the beginning.

# Quaker Writings

## An Anthology, 1650-1920

Penguin An illuminating collection of work by members of the Religious Society of Friends. Covering nearly three centuries of religious development, this comprehensive anthology brings together writings from prominent Friends that illustrate the development of Quakerism, show the nature of Quaker spiritual life, discuss Quaker contributions to European and American civilization, and introduce the diverse community of Friends, some of whom are little remembered even among Quakers today. It gives a balanced overview of Quaker history, spanning the globe from its origins to missionary work, and explores daily life, beliefs, perspectives, movements within the community, and activism throughout the world. It is an exceptional contribution to contemporary understanding of religious thought. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

## Dirt

## A Love Story

University Press of New England **Community farms. Mud spas. Mineral paints. Nematodes. The world is waking up to the beauty and mystery of dirt. This anthology celebrates the Earth's generous crust, bringing together essays by award-winning scientists, authors, artists, and dirt lovers to tell dirt's exuberant tales. Geographically broad and topically diverse, these essays reveal life as lived by dirt fanatics - admiring the first worm of spring, taking a childhood twirl across a dusty Kansas farm, calculating how soil breathes, or baking mud pies. Essayists build a dirt house, center a marriage around dirt, sink down into marshy heaven, and learn to read dirt's own language. Scientists usher us deep underground with the worms and mycorrhizae to explore the vast and largely ignored natural processes occurring beneath our feet. Whether taking a trek to Venezuela to touch the oldest dirt in the world or reveling in the blessings of our own native soils, these muscular essays answer the important question: How do you get down with dirt? A literary homage to dirt and its significance in our lives, this book will interest hikers, gardeners, teachers, urbanites, farmers, environmentalists, ecologists, and others intrigued by our planet's alluring skin. Essayists include Vandana Shiva, Peter Heller, Janisse Ray, Bernd Heinrich, Linda Hogan, Wes Jackson, BK Loren, David Montgomery, Laura Pritchett, and Deborah Koons Garcia.**
