THE FUTURE OF THE MUSIC BUSINESS

HOW TO SUCCEED WITH THE NEW DIGITAL TECHNOLOGIES

Hal Leonard Corporation (Music Pro Guide Books & DVDs). New technologies are revolutionizing the music business. While these changes may be smashing traditional business models and creating havoc among the major record companies, they are also providing new opportunities for unsigned artists, independent labels, and music business entrepreneurs. The Future of the Music Business provides a legal and business road map for success in today's music business by setting forth a comprehensive summary of the rules pertaining to the traditional music business, including music licensing, as well as the laws governing online distribution of music and video. The book also provides practical tips for: Selling music online; Using blogs and social networks; Developing an online record company; Creating an Internet radio station; Opening an online music store; Raising money for recording projects online; Creating a hit song in the Digital Age; Taking advantage of wireless technologies, and much more. This revised third edition is the most up-to-date and thorough examination of current trends, and offers special sections on: What to do if someone steals your song; Protecting the name of your band or label ; How to find and get a music lawyer to shop your music; How to land a deal with an indie, or a major label. The video includes a comprehensive lecture, "How to Succeed in Today's Music Business," delivered by the author at the Tisch School of the Arts at NYU.

BOB MARLEY AND THE GOLDEN AGE OF REGGAE

Titan Books (US, CA) "'Reggae got soul,' Toots Hibbert sang in one of his best-known songs, and Kim Gottlieb-Walker's remarkable photographs coax that soul out of shadow and light. Her images from Jamaica capture the rough environment that shaped and challenged these artists, and the unquenchable joy that filled their music. They're the next-best thing to listening." — Richard Cromelin During 1975 and 1976, renowned underground photo-journalist Kim Gottlieb, and her husband, Island publicity head Jeff Walker, documented what is now widely recognized as the Golden Age of reggae. Over two years of historic trips to Jamaica and exclusive meetings in Los Angeles, Kim took iconic photographs of the artists who would go on to define the genre and captivate a generation. Bob Marley and the Golden Age of Reggae features candid and intimate photographs of all of the musicians, artists and producers who brought the reggae sound to the international stage, including Peter Tosh, Bunny Wailer, Toots Hibbert, Burning Spear, Jacob Miller, Third World, Lee "Scratch" Perry and, of course, Bob Marley. Kim's photographs include never-before-seen performance shots, candid behind-the-scenes footage of Bob's home in Jamaica, and exclusive records of key moments in reggae history, such as Bob's first US television appearance, the historical Dream Concert with Stevie Wonder in Jamaica, and Bob meeting George Harrison backstage at the Roxy in 1975. Acclaimed rock journalist and director Cameron Crowe (Almost Famous) introduces this volume with a rousing foreword describing the time he accompanied Jeff and Kim to Jamaica to witness the burgeoning music scene there. Reggae historian Roger Steffens writes lucidly about the significance of those early years in reggae, and describes the pivotal moments documented in Kim's photographs, many of which have not been seen in over 30 years, and many more of which have never been released to the public. Intimate and revealing, Bob Marley and the Golden Age of Reggae is a rare and beautiful record of one of the most exciting moments in music history, told through the photographs of a true artist.

FACTASTIC: A LEGO ADVENTURE IN THE REAL WORLD (LEGO NONFICTION)

Scholastic Inc. LEGO just got Factastic! Find out everything you ever wanted to know about the world, with a little help from smart LEGO minifigures, little LEGO stories, awesome LEGO illustrations, and amazing real-world photographs. Discover how long it would take to fly to Pluto, who invented potato chips, where an octopus keeps its brain cells, when the first video game was played, why stars shine, and much, much more. Factastic is bursting with information about almost every subject under the sun, from Vikings to volcanoes, rain forests, to robots, pirates to planets. Amaze your family and impress your friends with cool facts, awesome stats, and some completely bizarre did you knows. Then, be inspired to create your own LEGO builds. Factastic is a fantastic treat for LEGO fans of all ages!

BRICK HISTORY

AMAZING HISTORICAL SCENES TO BUILD FROM LEGO

Brick History—the next in the series after the highly successful Brick City, Brick Wonders, Brick Flicks, and Brick Vehicles—is a journey into the most pivotal moments in world history. Using LEGO bricks, artist Warren Elmore and his team recreate stunning historic scenes, from the beginning of life in the pre-historic era right through to the inauguration of Barack Obama. Brick History is a celebration of humanity and its achievements, and of moments in time that changed the course of history.

A BOOK OF BROADSHEETS, 2 VOLUMES (ROUTLEDGE REVIVALS)

Routledge This set reissues two volumes entitled A Book of Broadsheets and A Second Book of Broadsheets, both with introductions by Geoffrey Dawson, a former editor of The Times. Together, the books make up an anthology of the 1915 broadsheets distributed by The Times to members of H.M. Forces serving in the trenches of World War I. The volumes contain a wide variety of rich literature form before the war.

THE '90S

THE INSIDE STORIES FROM THE DECADE THAT ROCKED

Harper Collins At no time since the rock & roll explosion of the 1960s did music matter more than in the 1990s—the decade of grunge, gangsta rap and Britney Spears. The Nineties might have kicked off with Vanilla Ice, but music changed forever the following year when Nirvana's "Smells Like Teen Spirit" exploded onto the airwaves, giving birth to the alternative nation. The decade spawned dozens of new stars (Pearl Jam, Eminem, Dave Matthews, Christina Aguilera and Jay-Z among them); top artists from U2 to Madonna made their most adventurous records; and hip-hop icons Tupac Shakur and Biggie Smalls met violent ends. Rolling Stone was there to tell all those stories and more—and The '90s collects the best of them: the last major interview with Kurt Cobain, conducted by David Fricke three months before the Nirvana singer took his life in 1994; Jonathan Gold's 1993 trip to Compton to check in with Snoop Dogg and Dr. Dre; Carrie Fisher's intimate one-on-one with Madonna following her 1991 film, Truth or Dare; Kim Neely partying with a riot-starting Guns n' Roses in 1991; Anthony Bozza riding along with an Ecstasy-gobbling Eminem in 1999; and, that same year, Steven Daly's visit to the bedroom of a teenage Britney Spears. Packed with over fifty stories, portraits by the biggest names in photography including Mark Seliger, David LaChapelle and Steven Meisel, and a guide to the decade's hundred greatest albums, The '90s is a definitive look back at the decade that rocked.

DOT.CON

HOW AMERICA LOST ITS MIND AND MONEY IN THE INTERNET ERA

Harper Collins The Internet stock bubble wasn't just about goggle-eyed day traderstrying to get rich on the Nasdaq and goateed twenty-five-year-olds playing wannabe Bill Gates. It was also about an America that believed it had discovered the secret of eternal prosperity: it said something about all of us, and what we thought about ourselves, as the twenty-first century dawned. John Cassidy's Dot.con brings this tumultuous episode to life. Moving from the Cold War Pentagon to Silicon Valley to Wall Street and into the homes of millions of Americans, Cassidy tells the story of the great boom and bust in an authoritative and entertaining narrative. Featuring all the iconic figures of the Internet era -- Marc Andreessen, Jeff Bezos, Steve Case, Alan Greenspan, and many others -- and with a new Afterword on the aftermath of the bust, Dot.con is a panoramic and stirring account of human greed and gullibility.

WEDNESDAY COMICS

Dc Comics Presents a collection of comics featuring sixteen stories of well-known superheroes duplicated in a newspaper-size format, including such comic strips as Batman, Superman, Green Lantern, Teen Titans, and Wonder Woman.

THE STORY OF ISLAND RECORDS

KEEP ON RUNNING

Universe Pub From its beginnings bringing Jamaican music to a broader stage, Island Records has brought a global audience to the works of Bob Marley, U2, Cat Stevens, Steve Winwood, John Martyn, and Nick Drake among many others. Mixing cultures and influences from reggae to pop, hip hop, and punk, Island has shaken up artistic tastes and introduced new categories to mainstream music. This book, produced in collaboration with the label, moves chronologically from Island's origins in founder Chris Blackwell's passionate mission to bring Jamaican reggae to the mainstream, to the label's rise in popularity in the late 1960s and its acquisition of Traffic, Elvis Costello, U2, Roxy Music, and other era-defining acts, and finally to the new millennium and Island's continuing presence in the music industry. Included are photographs and album art from such acts as Bob Marley, Peter Tosh, Steve Winwood, Brian Eno, Grace Jones, Tom Waits, Eric B & Rakim, Tricky, Keane, Amy Winehouse, and many others. Heavily illustrated with a comprehensive retrospective of album covers, artist portraits, and photo shoots from the Island archive, and accompanied by essays from the founder of the company Chris Blackwell as well as ten of contemporary music's most esteemed writers, including Chris Salewicz, Jon Savage, Joe Boyd, and Richard Williams, Keep on Running: The Story of Island Records is a celebration of one of the most influential record labels of the twentieth century.

HERB RITTS

THE GOLDEN HOUR : A PHOTOGRAPHER'S LIFE AND HIS WORLD

Rizzoli International Publications The definitive book on the life of the legendary photographer Herb Ritts, withnever-before-seen images and interviews with his closest confidants. At the time of his death in 2002, Herb Ritts was among the most celebrated photographers in celebrity portraiture, fashion, and music videos. During a career that spanned nearly thirty years, he was virtually in a league of his own in terms of style and productivity. Ritts was Hollywood royalty, as were his closest friends and the subjects he photographed. The Golden Hour reveals for the first time the personal aspects of Ritts's world, work, and legacy. The book includes many never-before-seen photographs and scores of interviews from business associates, curators, staff, lovers, and family, such as Cindy Crawford, Elton John, Tom Cruise, Anna Wintour, Madonna, Calvin Klein, and Christopher Buckley (Ritts's college roommate). The book includes images from Ritts's personal archive—behind the scenes at photo shoots, parties, travels, intimate portraits, and moments with friends—along with notes and contact sheets that show how ideas became his best-known iconic images.

TALKING TO GIRLS ABOUT DURAN DURAN

ONE YOUNG MAN'S QUEST FOR TRUE LOVE AND A COOLER HAIRCUT

Penguin From the bestselling author of Love Is a Mix Tape and Turn Around Bright Eyes, "a funny, insightful look at the sublime torture of adolescence".—Entertainment Weekly The 1980s meant MTV and John Hughes movies, big dreams and bigger shoulder pads, and millions of teen girls who nursed crushes on the members of Duran Duran. As a solitary teenager stranded in the suburbs, Rob Sheffield had a lot to learn about women, love, music, and himself. And he was sure his radio had all the answers. As evidenced by the bestselling sales of Sheffield's first book, Love Is a Mix Tape, the connection between music and memory strikes a chord with readers. Talking to Girls About Duran Duran strikes that chord all over again, and is a pitch-perfect trip through '80s music—from Bowie to Bobby Brown, from hair metal to hip-hop. But this book is not just about music. It's about growing up and how every song is a snapshot of a moment that you'll remember the rest of your life.

MYSTERIOUS SECRETS OF THE DARK KINGDOM

THE BATTLE FOR PLANET EARTH

ATRIA BOOKS: A BOOKLOVERS SAMPLER

Simon and Schuster You've heard of love at first sight—but have you experienced love at first read? Introducing six of the most talented new voices in contemporary women's fiction. Prepare to fall head over heels for... Beautiful Disaster by Jamie McGuire Abby Abernathy is a good girl, who could bring the ultimate bad boy to his knees...but not before the secrets of her own dark past come back to haunt her. Love Unscripted by Tina Reber Taryn Mitchell is nursing a recent heartbreak, and content to keep her distance from men for a while...until Hollywood's most sought after actor walks into her small-town pub and turns her world upside down. Naked by Raine Miller Brynne Bennett is an American art student in London swept up in a torrid love affair with a sexy, successful businessman—who proves to be as domineering in the bedroom as he is in the boardroom. One Tiny Lie by K.A. Tucker After navigating the death of her parents and her older sister's self-destructive phase, smart and stable Livie thinks Princeton should be a breeze—but Jell-O shots, a party-animal roommate she can't say "no" to, and Ashton, the gorgeous but arrogant captain of the men's rowing team were definitely not part of the plan... The Sea of Tranquility by Katja Millay A story of first love—and forever love: In the midst of a bustling high school, a fragile girl and a lonely boy find each other. As they grow closer, the attraction between them grows, too—but can either of them risk losing the friendship that's saved them from their troubled pasts for a romance that might just shape their future? Slammed by Colleen Hoover The unexpected death of her father has left Layken feeling lost and invisible—until she meets Will, her new neighbor and a passionate poet. Sparks soon fly...but a shocking discovery could bring their relationship to a slamming halt before it's even fully begun.

INTRODUCTION TO LASER TECHNOLOGY

John Wiley & Sons The only introductory text on the market today that explains the underlying physics and engineering applicable to all lasers Although lasers are becoming increasingly important in our high-tech environment, many of the technicians and engineers who install, operate, and maintain

them have had little, if any, formal training in the field of electro-optics. This can result in less efficient usage of these important tools. Introduction to Laser Technology, Fourth Edition provides readers with a good understanding of what a laser is and what it can and cannot do. The book explains what types of laser to use for different purposes and how a laser can be modified to improve its performance in a given application. With a unique combination of clarity and technical depth, the book explains the characteristics and important applications of commercial lasers worldwide and discusses light and optics, the fundamental elements of lasers, and laser modification. In addition to new chapter-end problems, the Fourth Edition includes new and expanded chapter material on: Material and wavelength Diode Laser Arrays Quantum-cascade lasers Fiber lasers Thin-disk and slab lasers Ultrafast fiber lasers Raman lasers Quasi-phase matching Optically pumped semiconductor lasers Introduction to Laser Technology, Fourth Edition is an excellent book for students, technicians, engineers, and other professionals seeking a fuller, more formal introduction to the field of laser technology.

GRIFTOPIA

BUBBLE MACHINES, VAMPIRE SQUIDS, AND THE LONG CON THAT IS BREAKING AMERICA

Scribe Publications The dramatic story behind the most audacious power grab in American history The global financial crisis isn't past but prologue. The fall and rescue of Wall Street was the coming-out party for the looters at the nexus of American political and economic power. The grifter class—made up of the largest players in finance and the politicians who do their bidding—has been growing in power for a generation, transferring wealth upward through complex financial and political manoeuvres. The crisis was one manifestation of how they've hijacked America's political and economic life. Rolling Stone's Matt Taibbi unravels the fiendish rise of the grifters. He traces the origins to the cult of Ayn Rand and her most influential—and possibly weirdest—acolyte, Alan Greenspan. He reveals backroom deals that decided the winners in the government bailouts; shows how finance dominates politics, from investment bankers auctioning off America's infrastructure to the battle for healthcare reform; and tells the story of Goldman Sachs, a 'vampire squid wrapped around the face of humanity'. Taibbi combines deep sources, trailblazing reportage, and provocative analysis to create the most lucid, emotionally galvanising, and scathingly funny account yet of the American political and financial crisis. It is essential reading in order to understand the inner workings of politics and finance in America, and the profound consequences for us all.

LETTERS, SPEECHES AND ADDRESSES OF AUGUST BELMONT ...

CHAMBER'S JOURNAL OF POPULAR LITERATURE, SCIENCE AND ARTS

THE COMPANY DAUGHTERS

A HEART-WRENCHING COLONIAL LOVE STORY

Bookouture 'Blew my mind... so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book... I loved every moment of it... immersive, heart-wrenching, I feel emotional writing this review.' Goodreads reviewer, 5 stars Wanted: Company Daughters. Virtuous young ladies to become the brides of industrious settlers in a foreign land. The Company will pay the cost of the lady's dowry and travel. Returns not permitted, orphans preferred. Amsterdam, 1620. Jana Beil has learned that life rarely provides moments of joy. Having run away from a violent father, her days are spent searching for work in an effort to stay out of the city brothels, where desperate women trade their bodies for a mouthful of bread. But when Jana is hired as a servant for the wealthy and kind Master Reynst and his beautiful daughter Sontje, Jana's future begins to look brighter. Then Master Reynst loses his fortune on a bad investment, and everything changes. The house is sold to creditors, leaving Jana back on the street and Sontje without a future. With no other choice, Jana and Sontje are forced to sign with the East India Company as Company Daughters: sailing to a colonial Dutch outpost to become the brides of male settlers they know nothing about. With fear in their hearts, the girls begin their journey - but what awaits them on the other side of the world is nothing like what they've been promised... Based on true history, this is a gripping and unputdownable historical novel, perfect for fans of Girl with a Pearl Earring, The Miniaturist and The Indigo Girl. WINNER OF THE 2021 GOLDEN CROWN LITERARY SOCIETY AWARD FOR DEBUT FICTION. FINALIST FOR THE 2021 BISEXUAL BOOK AWARDS. LONGLISTED FOR THE 2021 HWA DEBUT CROWN AWARD. What readers are saying about The Company Daughters: 'Blew my mind... a book I've told so many people about purely because I'm still in disbelief that it exists, that it's so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book of a woman's struggle to survive... I loved every moment of it. Breathlessly, and in a way that took up my entire brain... immersive, heart-wrenching, and I feel emotional writing this review.' Goodreads reviewer, 5 stars 'From the moment I started reading The Company Daughters, I was captivated by this historical tale. Although it does contain a love story, it's not a romance...This was a gripping read.' Goodreads reviewer 'This book is so stunningly tender and beautiful, all mixed in with some seriously tragic and heart-wrenching events... Rajaram is an extremely skilled writer, and I love her writing style... The themes of sisterhood and female love were so present in this book and I found it very moving.' Goodreads reviewer 'I was enchanted by this book! It's a delightful read that will have your emotions all over the place.' Goodreads reviewer 'I love historical fiction, and this book touched on a topic and time I knew nearly nothing about...There's love, there's loss, there's surviving, there's thriving... It was a very beautiful book.' Goodreads reviewer 'The Company Daughters is a beautifully written love story... a perfect example of the power of human will and the endurance and hope that love can give a person.' Goodreads reviewer, 5 stars 'This book has a beauty and grace to it. The author's writing just flows off the page, and although there are struggles and upsets by the time you close the book over you are filled with a warm glow.' Goodreads reviewer 'A powerful and insightful read. I look forward to reading more historical work by Samantha Rajaram!' Goodreads reviewer 'Heartbreaking... a moving book... vivid, with amazing characters... This is a great read.' Goodreads reviewer

PROCEEDINGS OF THE ... ANNUAL MEETING OF THE NATIONAL BOARD OF TRADE

HOMEOPATHIC GUIDE FOR TRAVELERS

REMEDIES FOR HEALTH AND SAFETY

North Atlantic Books Ravi Roy and Carola Lage-Roy present a wealth of strategies for using homeopathic medicine to stay happy and healthy while traveling. A bestseller in its original German edition, The Homeopathic Guide for Travelers is equally useful for backpackers, business travelers, and even luxury vacationers. It provides all the preparation needed for a journey, whether a short outing, far-off holiday, or challenging trek. The homeopathic remedies profiled here—many of them effective even when taken last-minute—address everything from exhaustion to altitude change, from jet lag to climate shifts to the side effects of unfamiliar foods. Drawing from the latest research, the book describes which homeopathic medicines work best against infectious diseases, such as malaria, hepatitis, and Lyme disease, and details remedies for injuries sustained while backpacking, climbing, or diving. Roy and Lage-Roy also explain how to treat stings and bites from poisonous animals and reactions from plants like poison ivy. An introductory chapter features a basic traveler's first-aid kit.

CHURCHMAN'S MAGAZINE

VETERINARY CLINICAL PATHOLOGY

A CASE-BASED APPROACH

CRC Press Veterinary Clinical Pathology: A Case-Based Approach presents 200 cases with questions for those interested in improving their skills in veterinary clinical pathology. It emphasises an understanding of basic pathophysiologic mechanisms of disease, differential diagnoses and recognition of patterns associated with various diseases or conditions. Topics discussed include haematology, clinical chemistry, endocrinology, acid-base and blood gas analysis, haemostasis, urinalysis, biological variation and quality control. Species covered include the cat, dog and horse, with additional material on ruminants. Cases vary in difficulty, allowing beginners to improve their clinicopathologic skills while more complicated cases, or cases treating unfamiliar topics, are included for experienced readers. This book is a helpful revision aid for those in training as well as for those in practice who are pursuing continuing education. It is also a valuable resource for veterinary nurses and technicians.

THE DEFINITIVE GUIDE TO LINUX NETWORK PROGRAMMING

Apress * Clear and abundant examples, using real-world code, written by three experienced developers who write networking code for a living. * Describes how to build clients and servers, explains how TCP, UDP, and IP work, and shows how to debug networking applications via packet sniffing and deconstruction. * Well suited for Windows developer looking to expand to Linux, or for the proficient Linux developer looking to incorporate client-server programming into their application.

Presented in full color and completely updated to reflect all the major advances and clinical developments, Harrison's Manual of Medicine, 18e offers high-yield coverage of: Etiology and Epidemiology Clinically Relevant Pathophysiology Signs & Symptoms Differential Diagnosis Physical and Laboratory Findings Therapeutics Practice Guidelines Utilizing an effective mix of succinct text, bullet points, algorithms, and tables, Harrison's Manual of Medicine, 18e covers every area of clinical medicine – as only Harrison's can.

AUDEL MILLWRIGHTS AND MECHANICS GUIDE

John Wiley & Sons The hardcover, fully updated edition of the only multi-craft trade guide Respected by generations of skilled workers, Audel Millwright's and Mechanic's Guide is the only trade manual to cover maintenance and troubleshooting for all the mechanical trades in a single volume. Now available in hardcover, it covers the newest equipment on shop floors as well as older machinery, sometimes more than 30 years old, for which little maintenance and repair information remains available. Millwrights, mechanics, machinists, carpenters, pipe fitters, electricians, engineers, and those who supervise them will find this book invaluable. The only hardcover maintenance and repair manual to cover all the mechanical trades in one guide This updated guide covers new industrial machinery as well as 30-year-old equipment for which little information can be found Essential for those who repair machinery as well as machinists, carpenters, pipe fitters, electricians, millwrights, mechanics, engineers, mechanical technicians, industrial maintenance managers, and construction tradespeople This hardcover edition of Audel Millwright's and Mechanic's Guide is as valuable to today's skilled workers as previous editions were to their fathers and grandfathers.

NEUROLOGY FOR MRCP

THE ESSENTIAL GUIDE TO NEUROLOGY FOR MRCP PART 1, PART 2 AND PACES

World Scientific This book is the essential revision guide for neurology in the Membership of the Royal College of Physicians (MRCP). Neurology has been rated as the most difficult subject in MRCP examinations and there has been no concise and easy-to-use revision guide to help candidates through the exams until now. Neurology for MRCP is written by two experienced neurologists who have taught both the written (Part 1 and Part 2) and clinical (PACES) sections of the exam. This pioneering new book will also be useful for medical students sitting for their final examinations and for doctors who are preparing for the PLAB examination.

ATTACK OF THE COPULA SPIDERS

ESSAYS ON WRITING

Biblioasis A GLOBE & MAIL BEST BOOK OF THE YEAR FOR 2012 “Glover is a master of narrative structure.” —Wall Street Journal In the tradition of E.M. Forster, John Gardner, and James Wood, Douglas Glover has produced a book on writing at once erudite, anecdotal, instructive, and amusing. Attack of the Copula Spiders represents the accumulated wisdom of a remarkable literary career: novelist, short story writer, essayist, teacher and mentor. Glover has for decades been asking the vital questions. How does the way we read influence the way we write? What do craft books fail to teach aspiring writers about theme, about plot and subplot, about constructing point of view? How can we maintain drama on the level of the sentence—and explain drama in the sentences of others? What is the relationship of form and art? How do you make words live? Whether his subject is Alice Munro, Cervantes, or the creative writing classroom, Glover's take is frank and fresh, demonstrating again and again that graceful writers must first be strong readers. This collection is a call-to-arms for all lovers of English, and Attack of the Copula Spiders our best defense against the assaults of a post-literate age. Douglas Glover is the award-winning author of five story collections, four novels, and two works of non-fiction. He is currently on the faculty of the Vermont College of Fine Arts MFA in Writing program. Praise for Douglas Glover "So sharp, so evocative, that the reader sees well beyond the tissue of words into ... the author's poetic grace." - The New Yorker "Glover invents his own assembly of critical approaches and theories that is eclectic, personal, scholarly, and smart ... a direction for future literary criticism to take." - The Denver Quarterly "A ribald, raunchy wit with a talent for searing self-investigation." - The Globe and Mail "Knotty, intelligent, often raucously funny." - Maclean's "Passionately intricate." - The Chicago Tribune "Darkly humorous, simultaneously restless and relentless." - Kirkus Reviews

INTEGRATING INFORMATION TECHNOLOGY INTO THE TEACHER EDUCATION CURRICULUM

PROCESS AND PRODUCTS OF CHANGE

Routledge As teaching evolves, teacher education must keep up. This book examines systemic reforms that incorporate new technology to improve any teacher education program. While there are books that address the integration of technology into teaching curricula, very few address the process for teacher education faculty and the systemic reform of a teacher education program. Integrating Information Technology into the Teacher Education Curriculum: Process and Products of Change provides practical examples and suggestions for teacher education departments striving to integrate new technologies into their curriculum. It will help in the effort to motivate faculty to make utilizing new technology a natural strategy for the teachers they are educating. It describes the creation of Design Teams at Brigham Young University's McKay School of Education (funded by a PT3 grant) and how these teams worked to successfully reconfigure the school's teacher preparation curricula. Integrating Information Technology into the Teacher Education Curriculum examines: how to compose and create a curriculum design team—including both teacher education and content-specific methods instructors training and collaboration opportunities that focus on the infusion of technology how to facilitate alignment among a university, cooperating school districts, the State Office of Education, and other available teacher preparation programs specific case examples of the redevelopment of teacher education courses by the instructors who teach them the process of changing a technology course required by the teacher education program the process of extending grant activities to the university's partner school districts and the State Office of Education From the editors: Preparing tomorrow's teachers to use technology in schools is a complex endeavor requiring the infusion of technology into curriculum and instructional practices at all levels of the pre-service program. In many early teacher education programs, prospective teachers took a computer literacy class separate from content methods classes and rarely engaged in real collaboration on how schoolteachers could integrate technology into authentic learning experiences. By focusing merely on how to use computers, technology training failed by not addressing how to teach students more effectively using a variety of technological tools. What teachers need to know most is how to teach content more effectively. Technology integration should cause teachers to develop different perspectives through rethinking teaching and learning. Teaching with technology causes teachers to confront their established beliefs about instruction and their traditional roles as classroom teachers.

ATRIAL FIBRILLATION

FROM BENCH TO BEDSIDE

Springer Science & Business Media This important new book presents advancements in the treatment and prevention of Atrial Fibrillation (AF). The reader is provided with the latest information that is critically important in the daily care and for the potential cure of patients with AF. Each chapter deals with a different aspect of AF and each chapter is authored by internationally recognized experts in the evolving field of cardiac electrophysiology. This book is a single source that provides a multi-perspective look at and approach to AF. Because AF is so prevalent and affects all areas of medicine, the information in this book will be useful to all those in the medical field.

Written by three experienced and well-educated RNs, the NCLEX-RN® Exam Cram is your best way to study quicker and score higher.

JOBS

HOW TO FIND A JOB IN 30 DAYS, A STEP BY STEP GUIDE

Createspace Independent Publishing Platform It has been reported in various business websites, news stations, newspapers and social media that the US unemployment rate went down to 5.5% as of February 2015. Is this good news? Yes, because that means 94.5% of the working population is employed. The bad news is you might be, or might know someone, who is still a part of the remaining 5.5%. Now, with the competition that includes knowledge, experience, personality and determination as the main criteria for judging, you have to prove yourself worthy of a position in that 94.5%. It does not matter if you have been laid off, you resigned or a fresh graduate; what is important is that you want the bosses to know what you are capable of. If you have been looking around and trying for quite some time now but is still not getting that offer, you might want to revamp your plans. This book aims to help you find and get that job you have always dreamed of. It will guide you through the whole process of job-hunting: from the searching, to preparing your documents, the interview and whatever comes next. These are proven effective ways on how to get a job in 30 days without sacrificing your passion or talent.

MISTER OWITA'S GUIDE TO GARDENING

HOW I LEARNED THE UNEXPECTED JOY OF A GREEN THUMB AND AN OPEN HEART

Random House Australia From the publisher of The Help comes a moving true story of a unique friendship between two people who had nothing-and ultimately everything-in common. Carol Wall was at a crossroads. Her children had flown the nest, her beloved parents were ageing and becoming increasingly reliant on her and she had overcome a serious illness. Her neglected garden was the least of her worries. Until one day she notices an African man working in her neighbour's garden and realises he is responsible for its spectacular transformation. His name is Giles Owita. He comes from Kenya. And he's very good at gardening. Before long Mr Owita is transforming not only Carol's neglected garden, but her life. Although they appear to have nothing in common, a powerful bond grows between them. But both hold long-buried secrets that will change their friendship forever. This is the story of a woman who at mid-life finds there is so much more to learn and a man whose grace in facing life's challenges is a lesson for us all. 'Deeply personal, poetic, and brimming with humanity, this is a book of lasting grace.' Steve Lopez, New York Times bestselling author of The Soloist

AUDEL PRACTICAL ELECTRICITY

John Wiley & Sons Everything begins with the basics To succeed in any of today's electrical specialties, you must first understand the fundamentals. This concise guidebook, fully updated and revised to comply with the National Electrical Code, provides that solid foundation in electrical theory, circuitry, and common applications. Whether you're pursuing an electrical career, need a refresher course, or simply want to understand the wiring in your home, you'll learn the basics from this book. * Examine the fundamentals of magnetism and electric-ity, conductors, insulators, and circuits * Study common applications including house wiring, lighting, cables, electric heating, and generating * Become familiar with test procedures and electromagnetic induction * Understand inductive and capacitive AC circuits and the principles of alternating current * Explore alarm and intercom wiring, home circuiting, and multiple switching * Find out how generating stations and substations function * Learn from clear, specific text, functional illustrations, and review questions in every chapter

TEXTBOOK OF HUMAN HISTOLOGY WITH COLOUR ATLAS

Printed throughout in full colour. Short descriptions of each figure in the colour Atlas now appear alongside it. Atlas figures have been repeated in the text chapters wherever necessary. Matters of detail are now clearly demarcated from the main text.
