Hundreds of schools also use these amazingly effective strategies for restoring order and civility to today's turbulent classrooms. Now you too can use this philosophy as a foundation for fostering cooperation, problem-solving skills, and mutual respect in children. Imagine, instead of controlling behavior, you can be teaching; instead of confronting apathy, you will enjoy motivated, eager students! Inside, you'll discover how to: ·Create a classroom climate that enhances academic learning ·Use encouragement rather than praise and rewards ·Instill valuable social skills and positive behavior through the use of class meetings ·Understand the motivation behind students' behavior instead of looking for causes ·And much more! Over 1 million Positive Discipline books sold! **Positive Discipline Tools for Teachers Effective Classroom Management for Social, Emotional, and Academic Success** Harmony MORE THAN 2 MILLION POSITIVE DISCIPLINE BOOKS SOLD The Positive Discipline method has proved to be an invaluable resource for teachers who want to foster creative problem-solving within their students, giving them the behavioral skills they need to understand and process what they learn. In Positive Discipline Tools for Teachers, you will learn how to successfully incorporate respectful, solution-oriented approaches to ensure a cooperative and productive classroom. Using tools like "Connection Before Correction," "Four Problem-Solving Steps," and "Focusing on Solutions," teachers will be able to focus on student-centered learning, rather than wasting time trying to control their students' behavior. Each tool is specifically tailored for the modern classroom, with examples and positive solutions to each and every roadblock that stands in the way of cooperative learning. Complete with the most up-to-date research on classroom management and the effectiveness of the Positive Discipline method, this comprehensive guide also includes helpful teacher stories and testimonials from around the world. You will learn how to: - Model kind and firm leadership in the classroom - Keep your students involved and intrinsically motivated - Improve students' self-regulation -And more! **Positive Discipline Explains why children misbehave; discusses class and family meetings, mutual respect, and responsibility; and tells how parents and teachers can be more understanding and supportive** **Positive Discipline in the Montessori Classroom Preparing an Environment That Fosters Respect, Kindness and Responsibility Positive Discipline: A Teacher's A-Z Guide Hundreds of Solutions for Almost Every Classroom Behavior Problem!** Harmony Take back the classroom and make a positive difference in your students' lives. Many teachers today are facing problems and discipline issues they never dreamed of when they decided to become teachers. Combine violence, behavioral disorders, and downright defiant attitudes from students with the age-old problems of bullying, poor attendance, and more, and the mix is positively lethal. However, there are effective, positive strategies for restoring order and turning the teacher-student relationship into one of mutual respect. Applicable to all grade levels, this comprehensive A to Z guide addresses modern-day problems and practical solutions for establishing an effective learning environment. Inside, you'll discover: • The 17 fundamental tools of positive discipline • Real-life stories of proven positive discipline strategies • Suggestions for establishing and maintaining respectful, nurturing relationships with students • And much more! "Overcome obstacles and get back to why you

became a teacher in the first place: to empower students with confidence, self-respect, and resourcefulness." —Bill Scott, principal, Birney Elementary School, Marietta, Georgia "An inspiring, information-packed book. All teachers—from those just beginning to those with many years of experience—will find the tools of positive discipline easy to use." —Phillip Harris, Ed.D., director, Center for Professional Development and Services, Phi Delta Kappa International

Positive Discipline in the School and Classroom Positive Discipline in the School and Classroom Manual provides materials to empower schools to develop and implement a comprehensive school process that teaches mutual respect, fosters academic excellence and teaches students (in a structured, experiential manner) the basic skills they need to develop a strong sense of belonging and significance. Positive Discipline in the School and Classroom Manual is organized to serve three primary purposes: 1. To provide the resources to teach the social-emotional skills necessary as the foundation for class meetings and the tools to lead your classroom into the process of Positive Discipline class meetings. 2. To provide the materials used in the Positive Discipline in the Classroom professional development training workshops. 3. To provide resources and ideas to inspire co-workers in your own school.

Positive Discipline The Classic Guide to Helping Children Develop Self-Discipline, Responsibility, Cooperation, and Problem-Solving Skills Ballantine Books For twenty-five years, Positive Discipline has been the gold standard reference for grown-ups working with children. Now Jane Nelsen, distinguished psychologist, educator, and mother of seven, has written a revised and expanded edition. The key to positive discipline is not punishment, she tells us, but mutual respect. Nelsen coaches parents and teachers to be both firm and kind, so that any child—from a three-year-old toddler to a rebellious teenager—can learn creative cooperation and self-discipline with no loss of dignity. Inside you'll discover how to • bridge communication gaps • defuse power struggles • avoid the dangers of praise • enforce your message of love • build on strengths, not weaknesses • hold children accountable with their self-respect intact • teach children not what to think but how to think • win cooperation at home and at school • meet the special challenge of teen misbehavior "It is not easy to improve a classic book, but Jane Nelsen has done so in this revised edition. Packed with updated examples that are clear and specific, Positive Discipline shows parents exactly how to focus on solutions while being kind and firm. If you want to enrich your relationship with your children, this is the book for you." —Sal Severe, author of *How to Behave So Your Children Will, Too!* Millions of children have already benefited from the counsel in this wise and warmhearted book, which features dozens of true stories of positive discipline in action. Give your child the tools he or she needs for a well-adjusted life with this proven treasure trove of practical advice.

Positive Discipline for Children with Special Needs Raising and Teaching All Children to Become Resilient, Responsible, and Respectful Random House LLC Helps teachers and parents support their children with special needs, as they cope with their unique challenges, while also teaching the children the values and discipline they need to lead happy and fulfilling lives.

Positive Discipline for Childcare Providers A Practical and Effective Plan for Every Preschool and Daycare Program Harmony Empowering Methods for Effective Childcare As a professional childcare provider, you want to create an environment that is inviting and nurturing for children as well as encouraging for your adult staff. You want to find ways to form a partnership with parents in their children's development. Simply put, you want to provide an all-around quality childcare experience at every level. This book is also great for parents who want to take an active role in assuring the best childcare for their children. Positive Discipline for Childcare Providers offers a thorough, practical program that is easily adaptable to any childcare or preschool situation and setting. Inside are workable solutions to many of today's toughest childcare issues and everything you need to develop an enriching experience for children, parents, and workers alike. You'll learn how to: • Create a setting where children can laugh, learn, and grow • Support healthy physical, emotional, and cognitive development in all children, including those with special needs • Encourage parents to establish a partnership with you and provide the same kind, firm limits and respectful environment at home • Uncover support and learning opportunities for yourself and fellow childcare providers • And much more! "In a magical way, Positive Discipline for Childcare Providers demonstrates techniques that decrease misbehavior by increasing the child's sense of capability, courage, and community feeling." —Rob Guttenberg, a state-certified childcare trainer, director of parenting education at YMCA Youth Services Maryland, and author of *The Parent As Cheerleader* "Wow! This book is an incredible resource full of effective and practical ideas—from creating an environment where everyone feels welcome to a model of discipline that respects and empowers adults and children." —Mary Jamin Maguire, M.A., L.P., LICSW, trainer, Minnesota School-Age Childcare Training Network

Positive Discipline Parenting Tools The 49 Most Effective Methods to Stop Power Struggles, Build Communication, and Raise Empowered, Capable Kids Random House USA Incorporated "Jane Nelsen, author of the successful Positive Discipline series, has now compiled a toolkit for parents to teach their children creative cooperation and self-discipline, with success stories from parents worldwide"—

Topics include classroom rules, standards of conduct, lesson planning, unruly students, students with special needs, communicating with parents, and more! An easy to read guide packed with background information, underlying principles, and ideas. 224 pp.

Positive Discipline for Preschoolers For Their Early Years--raising Children who are Responsible, Respectful, and Resourceful Harmony An updated child-care manual designed for parents of preschool-age children tells how to prevent misbehavior through non-punitive discipline and how to reinforce useful social skills and positive behavior, while dealing with the challenges of young children as they learn and grow. Original. 15,000 first printing.

Positive Discipline in the Christian Home Rj Communications A Biblical Approach to Raising a Respectful, Responsible, and Capable Child "Train a child in the way he should go and when he is old he will not turn from it." (Proverbs 22:6) As Christian parents, you know you need to train your child, yet you probably wonder just how you can accomplish the fulfillment of this Scripture. What kind of parenting ensures that your child will become a responsible, capable adult who can choose to love and follow God for life? Positive Discipline in the Christian Home clarifies how the Bible and the time-proven skills of Positive Discipline can work together. Using stories and passages from the Bible as well as real-life stories from families using these principles, this non-denominational book will show you how to: * Teach your children life skills and values * Set appropriate boundaries with your children * Understand and respond to misbehavior with loving guidance * Follow through with kindness and firmness at the same time * AND MUCH MORE!

Positive Classroom Discipline Fredric H Jones & Assocs

Offers a systematic approach to discipline management, describes practical schoolroom techniques, and tells how to set limits **Kagan Cooperative Learning Structures (MiniBook)** Kagan Cooperative Learning The Big Picture in a MiniBook! Discipline problems disappear. And teaching and learning are fun! To good to be true? No. The data is in! This MiniBook reveals the secret to success. With no change in your curriculum, and with no specials materials, you will transform your class and your career. It is easy! Read this MiniBook and join the instructional revolution. **Positive Time-Out And Over 50 Ways to Avoid Power Struggles in the Home and the Classroom** Harmony Discover the Power of Positive Time-Out Time-out is one of the most popular disciplinary techniques used in homes and schools today. But instead of being the positive, motivating, experience it should be for children, it is often punitive, counterproductive, and damaging to their gentle psyches. In this book, bestselling parenting author Jane Nelsen shows you how to make time-out a positive learning experience for children. Inside, you'll discover how positive time-out can teach children the art of self-discipline and instill such invaluable qualities as self-confidence and problem-solving skills. You'll also learn how to: ·Make time-out an encouraging experience ·Develop an attitude and action plan to avoid power struggles with children ·Empower children by involving them in the behavior changing process ·Understand the mistaken goals of negative behavior "Gives parents and teachers the encouragement and tools they need to help children handle their own behavior."—Sheryl Hausinger, M.D., Texas Children's Pediatric Associates and mother of three "Offers more than 50 ways that parents can set limits while still encouraging their kids. It should be in every doctor's waiting room."—Jody McVittie, M.D., family physician **Gentle Discipline Using Emotional Connection--Not Punishment--to Raise Confident, Capable Kids** Penguin As seen in the New York Times -- a practical guide that presents an alternative to shouting, shaming, and blaming--to give kids the skills they need to grow and thrive Discipline is an essential part of raising happy and successful kids, but as more and more parents are discovering, conventional approaches often don't work, and can even lead to more frustration, resentment, power struggles, and shame. Enter Sarah Ockwell-Smith, a popular parenting expert who believes there's a better way. Citing the latest research in child development, psychology and neuroscience, Gentle Discipline debunks common myths about punishments, rewards, the "naughty chair," and more, and presents practical, connection-based techniques that really work--and that bring parents and kids closer together instead of driving them apart. Topics include: Setting--and enforcing--boundaries and limits with compassion and respect Focusing on connection and positivity instead of negative consequences Working with teachers and other caregivers Breaking the cycle of shaming and blaming Filled with ideas to try today, Gentle Discipline helps parents of toddlers as well as school-age kids embrace a new, more enlightened way to help kids listen, learn and grow. **Raising Self-Reliant Children in a Self-Indulgent World Seven Building Blocks for Developing Capable Young People** Harmony Seven building blocks for developing capable young people. **Positive Teaching The Behavioural Approach** Routledge Problems of classroom management and control are a recurring concern for many teachers. Disruptive behaviour and inattention hinder effective learning and impose a constant drain upon the teachers' emotional resources. Continual nagging at children only increases teacher stress: what is needed is an effective alternative set of strategies. Originally published in 1984, Positive Teaching seeks to meet this need by presenting the behavioural approach to teaching in a clear, direct and lucid way. By adopting the behavioural approach, problem behaviour can be minimised, or rapidly nipped in the bud when it does arise. While punishment may be used in an attempt to stop almost any kind of behaviour, only the appropriate use of positive methods applied contingently, immediately and consistently can teach new, more adaptive behaviour. This is a crucial issue in real teaching and is rarely encountered or even discussed in most teacher education programmes. It is the central focus of Positive Teaching. This book is for all teachers, from the beginning student to experienced head teachers; for those teaching in a first school, and for those teaching sixth-formers; for those experiencing difficulties and for those whose authority is already well established. The behavioural approach offers practical support to those who are struggling and a rationale for the effective, positive strategies of the successful. We can all improve our teaching. **Setting Limits in the Classroom, Revised** **How to Move Beyond the Dance of Discipline in Today's Classrooms** Crown Disruptive behavior, power struggles, lack of motivation, attention deficit disorder—at times the list of obstacles to teaching seems endless. That's why thousands of teachers and child-care providers have turned to the solutions in Setting Limits in the Classroom. This fully updated and expanded third edition offers the most up-to-date alternatives to punishment and permissiveness—moving beyond traditional methods that wear you down and get you nowhere. Topics include: • Eliminating power struggles and handling disruptions quickly • Establishing an effective environment for learning • Using natural and logical consequences to support your rules • Conducting proactive, focused parent conferences • New research and techniques for supporting special-needs children With its new focus on younger students and special tools for handling "strong-willed" children, this edition offers schoolteachers the tools they need to gain control of their classrooms—respectfully and effectively. **Positive Discipline Tools for Teachers Cards 52 Tools for Classroom Management** The number one stressor for teachers, who want to make a difference in the lives of students, is the time they have to spend on dealing with "misbehavior." Based on the best selling Positive Discipline series (rooted in the work of Alfred Adler and Rudolf Dreikurs), this deck of cards includes 52 tools that teach skills for dealing with "misbehavior" in ways that teach social emotional learning at the same time. Instead of using rewards and punishments (proven by research to be ineffective long-term), these tools help teachers understand the "belief behind the behavior" (the driving force behind the behavior) and then how to use encouraging methods such as involving students in focusing on solutions. Each tool includes a cartoon to help you see the humor in difficult situations, which then helps you access the part of your brain that is open to solutions. The "text" side of the card provides quick and easy steps to implement 52 tools that meet the Five Criteria for Positive Discipline. **How Positive Discipline and Class Meetings Can Positively Affect the Classroom Learning Environment** The research question addressed in this project was, in what ways will the use of positive discipline and class meetings affect the learning environment in my fifth grade classroom? It documents one teacher's eight-week implementation of the positive discipline methods and class meeting process as discussed in the book Positive Discipline: Developing Mutual Respect, Cooperation, and Responsibility in Your Classroom (2000) by Jane Nelsen, Lynn Lott, and Stephen Glenn. The outcomes of the study were based on data collected from student journaling, parent surveys, and teacher observations. Results indicated that as a result of positive discipline strategies and regular class meetings students began to interact with each other more effectively, resolve

conflicts more efficiently, and developed an increased awareness of other people's perspectives. **Positive Discipline for Teenagers Empowering Your Teens and Yourself Through Kind and Firm Parenting** Three Rivers Press Positive Parenting for Those Important Teen Years Adolescence is often a time of great stress and turmoil—not only for kids going through it, but for you, their parents as well. During the teen years, kids aggressively begin to explore a new sense of freedom, which often leads to feelings of resentment and powerlessness for parents who increasingly are excluded from their children's lives. This revised edition of *Positive Discipline for Teenagers* shows you how to break the destructive cycle of guilt and blame and work toward greater understanding and communication with your adolescents. Inside, you'll: ·Find out how to encourage your teen and yourself ·Grow to understand how your teen still needs you, but in different ways ·Learn how to get to know who your teen really is ·Discover how to develop sound judgment without being judgmental ·Learn how to use follow-through—the only surefire way to get chores done Over the years, millions of parents have come to trust the classic *Positive Discipline* series for its consistent, commonsense approach to child rearing. Inside, you'll discover proven, effective methods for working with your teens. Over 1 million *Positive Discipline* books sold! "I highly recommend this book to parents, teachers, and all others who work with young people. It is one of the best books I have seen on helping adults and adolescents turn their conflict into friendship. Remarkably, it shows how to accomplish this while helping young people develop courage, confidence, responsibility, cooperation, self-respect, and trust. I urge you to read it." —H. Stephen Glenn, Ph.D., coauthor of *Raising Self-Reliant Children in a Self-Indulgent World*. **School, Family, and Community Partnerships Your Handbook for Action** Corwin Press Strengthen family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Based on 30 years of research and fieldwork, this fourth edition of a bestseller provides tools and guidelines to use to develop more effective and equitable programs of family and community engagement. Written by a team of well-known experts, this foundational text demonstrates a proven approach to implement and sustain inclusive, goal-oriented programs. Readers will find: Many examples and vignettes Rubrics and checklists for implementation of plans CD-ROM complete with slides and notes for workshop presentations **From Discipline to Culturally Responsive Engagement** **45 Classroom Management Strategies** Corwin Press The forward-thinking techniques you need to manage today's diverse classrooms Contemporary educators know that discipline-based classroom management is less effective in today's schools. Evidence shows that a strategy of culturally responsive engagement is essential to giving students the best education, whatever their background. In a readable and compelling text, Laura E. Pinto outlines: Keys to developing the cultural fluency necessary to prepare all students for success. Exercises for teachers to reflect deeply on how they manage their classrooms, and identify areas for improvement. 45 easy strategies—including many that support the Common Core—for boosting engagement and cultural responsiveness in the classroom **Classroom Management for Elementary Teachers 15 Strategies to Manage Challenging Behaviors and Create a Responsive Classroom** Say goodbye to worrying about low engagement and ineffective learning: this guide has everything you need to level up your classroom management. Do you ever feel like you're not quite the teacher you dreamed you could be? Maybe you've experienced minimal engagement from your students during class, or you've been overwhelmed by low assessment scores. Perhaps you've experienced the awful sinking feeling of being unable to resolve a class conflict. Being a teacher, especially for the first time, can be a challenge. There's nothing easy about managing a group of young children who are all learning how to navigate their emotions and learn new things each day. Some educators, despite years of having worked in schools, still find difficulty in successfully managing their classes. In fact, the University of Phoenix has found that a total of 77% of teachers have reported feeling stressed, and 75% have reported feeling anxious. There are some that might just resort to thinking that "kids will always be kids," and opt to leave their classroom as it is for the sake of a quiet life. But what if you learned that it's possible to manage your classroom, ensure consistent learning, and create a positive environment? In *Classroom Management for Elementary Teachers*, here's a fraction of what you will discover: ● The preparations you can make from Day 1 -- to the practices you can implement until the end of the year-- to make learning fun ● What personality traits can help a teacher create a positive classroom environment (and how you can find yours) ● How you can link learning material to real-life lessons, and give students the motivation to keep learning ● Why communication matters inside a classroom setting (and how you can inspire your students to be more responsible about it) ● How you can introduce and enforce class policies -- while getting your students to respect, understand, and participate in them ● A fool-proof guide to recognizing and managing difficult behavior ● What empathy and conflict resolution skills can do to improve relationships between you and your students -- and how to use them And much more. Avoid low engagement, ineffective learning, and low-quality relationships inside your classroom by preparing for the differing needs of your students. Worried about experimenting with something as sensitive as classroom management? Don't fret -- this guide has everything you need to safely and successfully experiment with the different techniques that can create a positive classroom environment for you and your students. **Positive Discipline A-Z 1001 Solutions to Everyday Parenting Problems** Harmony Alphabetically organized for easy access, a comprehensive parenting manual offers parents advice on hundreds of parenting problems, such as temper tantrums, sibling rivalry, ADD, shyness, eating problems, bedtime hassles, and school problems. Original. 15,000 first printing. **Teaching Parenting the Positive Discipline Way** Teaching Parenting the Positive Discipline Way (developed by Lynn Lott and Jane Nelsen) is a research-based parent education program that provides a step-by-step approach to starting and leading experientially based parenting groups. **Language Learning with Technology Ideas for Integrating Technology in the Classroom** Cambridge University Press " ... Contains over 130 practical classroom activities suitable for beginners to more advanced learners, incorporating a wide range of up-to-date tools, such as mobile technologies and social networking"--Cover, page [4]. **Parenting Matters Supporting Parents of Children Ages 0-8** National Academies Press Decades of research have demonstrated that the parent-child dyad and the environment of the family—which includes all primary caregivers—are at the foundation of children's well-being and healthy development. From birth, children are learning and rely on parents and the other caregivers in their lives to protect and care for them. The impact of parents may never be greater than during the earliest years of life, when a child's brain is rapidly developing and when nearly all of her or his experiences are created and shaped by parents and the family environment. Parents help children build and refine their knowledge and skills, charting a trajectory for their health and well-being during childhood and beyond. The experience of parenting also impacts parents themselves. For instance, parenting

can enrich and give focus to parents' lives; generate stress or calm; and create any number of emotions, including feelings of happiness, sadness, fulfillment, and anger. Parenting of young children today takes place in the context of significant ongoing developments. These include: a rapidly growing body of science on early childhood, increases in funding for programs and services for families, changing demographics of the U.S. population, and greater diversity of family structure. Additionally, parenting is increasingly being shaped by technology and increased access to information about parenting. *Parenting Matters* identifies parenting knowledge, attitudes, and practices associated with positive developmental outcomes in children ages 0-8; universal/preventive and targeted strategies used in a variety of settings that have been effective with parents of young children and that support the identified knowledge, attitudes, and practices; and barriers to and facilitators for parents' use of practices that lead to healthy child outcomes as well as their participation in effective programs and services. This report makes recommendations directed at an array of stakeholders, for promoting the wide-scale adoption of effective programs and services for parents and on areas that warrant further research to inform policy and practice. It is meant to serve as a roadmap for the future of parenting policy, research, and practice in the United States.

Teacher Effectiveness Training The Program Proven to Help Teachers Bring Out the Best in Students of All Ages Crown Archetype For nearly thirty years, *Teacher Effectiveness Training*, or the T.E.T. book, based on Dr. Thomas Gordon's groundbreaking program, has taught hundreds of thousands of teachers around the world the skills they need to deal with the inevitable student discipline problems effectively and humanely. Now revised and updated, T.E.T. can mean the difference between an unproductive, disruptive classroom and a cooperative, productive environment in which students flourish and teachers feel rewarded. You will learn:

- What to do when students give you problems
- How to talk so that students will listen
- How to resolve conflicts so no one loses and no one gets hurt
- How to best help students when they're having a problem
- How to set classroom rules so that far less enforcement is necessary
- How to increase teaching and learning time

Jared's Cool-Out Space How to Behave So Your Children Will, Too! Penguin In this eye-opening resource, Dr. Sal Severe taps his twenty-five years of experience as a school psychologist and parenting workshop leader to show that a child's behavior is often a reflection of the parent's behavior, and by making changes themselves, parents can achieve dramatic results in their children. Instead of focusing on what children do wrong, Dr. Severe teaches parents to emphasize the positive, to be consistent, and to be more patient. He shows parents how to teach their children to behave, listen, and be more cooperative, and how moms and dads can manage their own anger and prevent arguments and power struggles. Packed with concrete strategies for dealing with homework hassles, ending tantrums, and other common problems, Dr. Severe's empathetic, common-sense book will be welcome everywhere.

Whole to Part Phonics How Children Learn to Read and Spell Researchers have discovered that traditional phonics, with its emphasis on letters, sounds, and words, ignores the complexity of children's natural learning processes, including children's inclination to focus first on the text, then on whole words, and then on their constituent parts. Whole-to-part phonics offers a concise, accessible introduction to this research and proven strategies for translating it into effective classroom practice. The contributors to *Whole-to-part phonics* recognize that children need to understand letter-sound relationships in order to become independent and fluent readers. But, they argue, this knowledge is of little value unless children learn how to use it in context. Accordingly, the authors maintain that children's encounters with print lay the groundwork for effective phonics learning. By drawing on children's wider experience and their preferred modes of learning, whole-to-part phonics enables students to focus on the construction of meaning rather than the decoding of text.

Positive Discipline for Teenagers, Revised 2nd Edition Empowering Your Teens and Yourself Through Kind and Firm Parenting Harmony Positive Parenting for Those Important Teen Years Adolescence is often a time of great stress and turmoil—not only for kids going through it, but for you, their parents as well. During the teen years, kids aggressively begin to explore a new sense of freedom, which often leads to feelings of resentment and powerlessness for parents who increasingly are excluded from their children's lives. This revised edition of *Positive Discipline for Teenagers* shows you how to break the destructive cycle of guilt and blame and work toward greater understanding and communication with your adolescents. Inside, you'll:

- Find out how to encourage your teen and yourself
- Grow to understand how your teen still needs you, but in different ways
- Learn how to get to know who your teen really is
- Discover how to develop sound judgment without being judgmental
- Learn how to use follow-through—the only surefire way to get chores done

Over the years, millions of parents have come to trust the classic *Positive Discipline* series for its consistent, commonsense approach to child rearing.
