Zombie Elementary

The Real Story

Tundra Books Zombies, radioactive meatloaf, baseball, math, chainsaws. Welcome to Zombie Elementary. Larry Mullet is your typical fourth grader. He's not the biggest kid or the smartest kid or the best looking kid. He rides his bike, plays baseball, takes the school bus, avoids cafeteria food, and--oh yeah, he's a zombie hunting expert. Larry was just doing his usual thing when Alex Bates from Ms Hoag's class tried to eat him. Sadly, that was only the beginning. Something odd was going on at Brooks Elementary... and it was up to Larry and his friends to take charge (for some reason). Hilariously told interview-style as a record of the REAL story, and peppered with zombie tips and facts, zombie cheerleaders and plenty of gore, this book will be a surefire hit for anyone interested in a ghoulishly good life-or-death comedy.

Astrology for Real Life

A Workbook for Beginners

Weiser Books A fun and sassy no-nonsense invitation to the practice of astrology with easy-to-understand tools for self-development and conscious living Astrology books are typically either overly simplistic sun-sign books or overly complicated chart calculations filled with astro jargon. Astrology for Real Life goes beyond simple sun-sign interpretation and at the same time cuts through the complications of horoscope analysis to make understanding your chart in depth, simple and easy. The goal is to make astrology accessible to total newbies and provide a working reference guide for intermediates. The book is presented in workbook format exploring each part of chart interpretation—signs, planets, houses, aspects—with exercises following each chapter and fill-in-the-blank lessons that take the reader through all the just-learned steps. The tone is warm, fun, and personal, and the exercises give the reader experiential hands-on practice. The end result: once you learn the basics in Astrology for Real Life, you can easily navigate the cosmos by making them work for you. It's kind of like a roadmap where we begin by understanding the terrain and the tools available. From there, the planets will guide you in making brave, excellent choices in love, work, and life. It's profound, fun, and practical. You'll learn how to interpret your chart with confidence and use astrology in a practical, proactive way, with no astro excuses (blaming the stars for your issues).
