The Dead Man's Ink Series *Createspace Independent Publishing Platform* **Sophia Sometimes, you don't mean to become another person. Sometimes the choice is made for you, and pretending is the only thing that keeps you going. When Alexis Romera is taken and her kidnappers find her fake ID in her purse, she must become Sophia in order to keep her family safe. Revealing her real identity to the man she's sold to would be easy enough, but can she trust him? Hell bent on revenging the murder of his uncle, Rebel doesn't seem all that interested in playing things safe. In fact, nothing about the secretive, dark and brooding MC president seems safe at all. Rebel What do you do when the man who raised you is murdered, and the only witness is kidnapped girl who's being sold as a sex slave? You buy her, of course. As president to the most powerful motorcycle club in America, Rebel isn't lacking in power. There are strings the man can pull, and entire criminal organisations and corporate businesses alike would fall to their knees. However, along with such power comes intense interest. The DEA have their eye fixed solely on the MC...and they're just waiting for Rebel to trip up. Getting Sophia to testify is the only way to bring the Los Oscuros cartel down. The beautiful, dark haired, dark eyed woman is belligerent and uncooperative and unlikely to bend to his will, but Rebel has a few tricks up his sleeve to make her compliant--he'll charm her until she's bending over backwards to please him. Of course, falling for her might cause a few hiccups along the way... * The Dead Man's Ink series contains strong ties with the Blood & Roses series, but you do not have to have read those works in order to read this one. The Dead Man's Ink series is contemporary romance story with occasional dark themes that some people might find confronting. * The Blood & Roses Series *Createspace Independent Publishing Platform* Zeth Mayfair's never been troubled by morals before. As one of Seattle's most dangerous, feared men, he's always carried out the jobs he's sent on without a second thought. Drugs? Guns? Dirty money? They're all fair game. But girls? Girls are another matter entirely. When Zeth's employer decides buying and selling kidnapped women is a lucrative sideline, Zeth's usually uncomplicated life suddenly becomes very complicated indeed. And his biggest complication goes by the name of Sloane Romera. As a trauma doctor at St. Peter's Hospital, Sloane's finger is hardly on the pulse of Seattle's underground crime scene. Her sister is missing and she needs to find her, yet all doors leading into the seedy world of human trafficking are firmly closed in Sloane's face. She needs information. What she really needs is help...and help presents itself in the most unlikely of forms. Zeth Mayfair is terrifying, scandalously hot, and comes fully loaded with a terrible attitude and wicked smile. He also looks like he's Sloane's only hope. Can she work with the guy without getting herself killed, losing her job, or falling head over heels in love? What happens in the dark never stays in the dark. Rogue *Createspace Independent Publishing Platform* *** Part 2 in the Dead Man's Ink Series. Contains scenes of violence and serious themes. Ransom *Createspace Independent Publishing Platform* SOPHIA 6 Months A lot can happen in six months. A heart can break and heal countless times. A life can change so dramatically that it's unrecognizable anymore. Sophia was a ghost, a made up pseudonym on a fake ID that helped Alexis buy beer. She was never meant to become a real person. She was never meant to live. Breathe. Hurt. Love. It's funny how one moment can alter the course of a lifetime. Now Alexis is a ghost, and Sophia is all that remains. But what happens when the threats you're terrified to acknowledge come true? What happens when your loved ones are in danger, and facing the past is the only way to save them? The newest prospect of the Widow Makers Motorcycle club is about to find out. REBEL Louis James Aubertin III has always been single minded in his goal: bring down the Los Oscuros cartel, and kill Hector Ramirez for ordering the death of his uncle. Over the course of the last 6 months, things don't seem that cut and dried anymore, though. If chasing down Hector means endangering the woman he loves, is it really worth the risk? If sending his club to war against one of the most dangerous cartels in the world means ruining the one good thing in his life, is the price worth paying? Jamie will do anything to protect Sophia, but with Hector kidnapping her family members and demanding the greatest of ransoms, keeping her safe is beginning to seem like an impossible task. Until he comes along...AlexOrphan. Degenerate.Reprobate.Deviant. Alex Moretti's earned most of his labels, and he's not ashamed of a single one of them. He'll earn far worse before he's finished with his new found 'friends' at Raleigh High. Having spent years being ground down under the boot heel of society, it's time for a little payback. And if exacting revenge upon the heads of the Raleigh elite means he can also help the beautiful girl who hovers in the shadows, then that's all for the better. Oil and water. Fire and ice. Road to Ruin *Createspace Independent Publishing Platform* Malicious Destruction of Property. Two counts of breaking and entering. Two counts of possession of a controlled dangerous substance. Four counts of assault. Three counts of illegal gambling. Three years served in Orleans Parish Prison. Tommy 'Havoc' Kendrick's rap sheet reads like a recipe for disaster: one part mayhem to three parts chaos. There's no arguing the matter; he's a bad guy, or at least he used to be. For the past five years, Tommy's been on the straight and narrow, keeping his head down and staying out of trouble. He left the French Quarter behind, along with the New Orleans crime syndicates and underground fights that used to pay his bills. Trading in the high-octane thrill of earning money with his fists to work in an auto mechanic's was hard, and yet somehow, despite everything, he's made it work. Until now. Tommy hadn't planned on seeing his brother again. When David Kendrick turns up on his doorstep with a bag full of money and four broken ribs, Tommy finds himself heading back to the place he swore he'd never return. Back to the fights. Back to the drinking, the drugs, and the women. Back to a life he thought he'd left behind for good. Nikita Moreau has lived in New Orleans all her life. She learned to drive there, lost her virginity there, bought her first house there, and she's damned if she isn't going to die there, too. As a prison psychologist at one of the country's most dangerous facilities, she runs the risk of dying in the state of Louisiana on a daily basis, and yet she wouldn't give it up for the world. There's nothing more satisfying than helping those everyone else has given up on. Nothing more rewarding than fixing something everyone said was broken. The day she meets Tommy Kendrick, however, she learns a painful lesson: sometimes a person is too broken to be fixed. Sometimes a person is beyond reach and cannot be saved. The tall, dark and handsome, tattoo-covered devil is danger personified. She knows this. She knows he's bad news. So then why can't she stop thinking about him? Why can't she stay away from him? And, most importantly, why won't she save herself? Tool *Ruthless Romance* Being the VP of the Ruthless Kings has made me jaded and scarred, a savage bloodthirsty beast. The Things We Cannot Say A Novel *Harlequin* Now a New York Times bestseller! From the author of Truths I Never Told You, Before I Let You Go, and the The Warsaw Orphan, Kelly Rimmer's powerful WWII novel follows a woman's urgent search for answers to a family mystery that uncovers truths about herself that she never expected. "Kelly Rimmer has outdone herself. I thought that Before I Let You Go was one of the best novels I had ever read...If you only have time to read one book this year The Things We Cannot Say should be that book. Keep tissues handy."—Fresh Fiction "Fans of The Nightingale and Lilac Girls will adore The Things We Cannot Say." —Pam Jenoff, New York Times bestselling author In 1942, Europe remains in the relentless grip of war. Just beyond the tents of the Russian refugee camp she calls home, a young woman speaks her wedding vows. It's a decision that will alter her destiny...and it's a lie that will remain buried until the next century. Since she was nine years old, Alina Dziak knew she would marry her best friend, Tomasz. Now fifteen and engaged, Alina is unconcerned by reports of Nazi soldiers at the Polish border, believing her neighbors that they pose no real threat, and dreams instead of the day Tomasz returns from college in Warsaw so they can be married. But little by little, injustice by brutal injustice, the Nazi occupation takes hold, and Alina's tiny rural village, its families, are divided by fear and hate. Then, as the fabric of their lives is slowly picked apart, Tomasz disappears. Where Alina used to measure time between visits from her beloved, now she measures the spaces between hope and despair, waiting for word from Tomasz and avoiding the attentions of the soldiers who patrol her parents' farm. But for now, even deafening silence is preferable to grief. Slipping between Nazi-occupied Poland and the frenetic pace of modern life, Kelly Rimmer creates an emotional and finely wrought narrative. The Things We Cannot Say is an unshakable reminder of the devastation when truth is silenced...and how it can take a lifetime to find our voice before we learn to trust it.
