Retro Baby

Cut Back on All the Gear and Boost Your Baby's Development with More Than 100 Time-Tested Activities

Amer Academy of Pediatrics Promotes the importance of one-on-one play between parent and child by featuring over one hundred activities that encourage bonding and boost baby's development.

Retro Toddler

More Than 100 Old-School Activities to Boost Development

Retro Development You don't need to buy high-tech digital devices, apps, or expensive toys to boost your toddler's brain development! Research shows that the best way for toddlers to learn is through daily, active play and Retro Toddler includes more than 100 fun, age-appropriate, "old-school" toddler activities that promote the development of language, motor and social skills. The book includes detailed instructions for developmentally stimulating, screen-free toys that parents and toddlers can make together out of everyday household items. Parents will also learn: - What's happening inside the rapidly developing brain of a toddler - How language, social, fine and gross motor skills develop during the toddler years - How different parenting styles can affect a child's development - How to successfully praise a child to achieve a growth mindset vs. a fixed mindset - How to foster grit and self-control in toddlers - The importance of play during the toddler years - How excessive screen time is negatively impacting today's young children With more than 25 years of experience as a pediatric occupational therapist and child development specialist, the author of Retro Toddler will provide you with the research-based information you need to help foster strong growth and development in your toddler--without breaking your budget.

Caring for Your Baby and Young Child, 7th Edition

Birth to Age 5

Bantam From the American Academy of Pediatrics comes the most up-to-date, expert advice for mothers, fathers, and care providers--all in one guide.uide.

Your Baby's First Year

Fifth Edition

Bantam Comprehensive, accurate, and up-to-date, Your Baby's First Year includes: a month-by-month guide to your baby's first year that lets you know what to expect in terms of growth, behavior, and development; a complete health encyclopedia covering injuries, illnesses, and other disabilities; safety checks for home, outdoors, and cars, with crucial new information on air bag safety and infant car seats; coverage of breastfeeding techniques and benefits; guidelines for choosing a child-care provider and more.

Retro Baby

Timeless Activities to Boost Development--Without All the Gear!

It can seem like babies need so much gear and so many toys. But when it comes to their health and development, less is more. In Retro Baby, pediatric occupational therapist and child development specialist Anne Zachry shows parents how bouncers, swings, and other baby holders, as well as electronic toys and screen-time, can hinder development and delay milestones. She suggests a return to back-to-basics parenting, featuring ideas for hands-on activities, homemade toys, and lots of caregiver engagement. Her approach will save parents money, reduce household clutter, and most importantly boost development and bonding.

Taking Care of Your Child, Ninth Edition

A Parent's Illustrated Guide to Complete Medical Care

Da Capo Lifelong Books The bestselling indispensable resource for parents and caregivers, covering more than 175 common symptoms and health care problems, to raise a healthy, happy child For more than forty years, Taking Care of Your Child has been the go-to resource for parents and caregivers. It offers the most recent information on critical childcare issues, from what to do in the event of a minor injury to everyday issues such as common allergies and ailments. Covering everything from birth to infancy and toddlerhood, to first concerns, growth and development, and the most common injuries and concerns through adolescence, Taking Care of Your Child is easy to use, even in a crisis: you can simply look up a symptom to find a complete explanation of probable causes, how to treat the problem at home, and when to see a doctor. With the very latest on ADHD, autism, breast-feeding, childhood depression and obesity, discipline, immunizations, and more, the book also features sections on youth sports and head trauma, genetic screening, and minimizing risks of medical procedures.

The Baby Exercise Book for the First Fifteen Months

Pantheon

peaceful slumber! [New material and updates include: New yoga recommendations Updated information for parents of young infants Expanded information on nighttime potty training Ending co-sleeping Sleep training for twins and multiples](#)

I Love It When You Talk Retro

Hoochie Coochie, Double Whammy, Drop a Dime, and the Forgotten Origins of American Speech

St. Martin's Press An entertaining and informative book about the fashion and fads of language Today's 18-year-olds may not know who Mrs. Robinson is, where the term "stuck in a groove" comes from, why 1984 was a year unlike any other, how big a bread box is, how to get to Peyton Place, or what the term Watergate refers to. I Love It When You Talk Retro discusses these verbal fossils that remain embedded in our national conversation long after the topic they refer to has galloped off into the sunset. That could be a person (Mrs. Robinson), product (Edsel), past bestseller (Catch-22), radio or TV show (Gangbusters), comic strip (Alphonse and Gaston), or advertisement (Where's the beef?) long forgotten. Such retroterms are words or phrases in current use whose origins lie in our past. Ralph Keyes takes us on an illuminating and engaging tour through the phenomenon that is Retrotalk—a journey, oftentimes along the timelines of American history and the faultlines of culture, that will add to the word-lover's store of trivia and obscure references. "The phrase "drinking the Kool-Aid" is a mystery to young people today, as is "45rpm." Even older folks don't know the origins of "raked over the coals" and "cut to the chase." Keyes (The Quote Verifier) uses his skill as a sleuth of sources to track what he calls "retrotalk": "a slippery slope of puzzling allusions to past phenomena." He surveys the origins of "verbal fossils" from commercials (Kodak moment), jurisprudence (Twinkie defense), movies (pod people), cartoons (Caspar Milquetoast) and literature (brave new world). Some pop permutations percolated over decades: Radio's Take It or Leave It spawned a catch phrase so popular the program was retitled The \$64 Question and later returned as TV's The \$64,000 Question. Keyes's own book Is There Life After High School? became both a Broadway musical and a catch phrase. Some entries are self-evident or have speculative origins, but Keyes's nonacademic style and probing research make this both an entertaining read and a valuable reference work." --Publishers Weekly

Mary Jane

A Novel

HarperCollins "The best book of the summer." -- InStyle "I LOVED this novel....If you have ever sung along to a hit on the radio, in any decade, then you will devour Mary Jane at 45 rpm." —Nick Hornby Almost Famous meets Daisy Jones & The Six in this "delightful" (New York Times Book Review) novel about a fourteen-year-old girl's coming of age in 1970s Baltimore, caught between her straight-laced family and the progressive family she nannies for—who happen to be secretly hiding a famous rock star and his movie star wife for the summer. In 1970s Baltimore, fourteen-year-old Mary Jane loves cooking with her mother, singing in her church choir, and enjoying her family's subscription to the Broadway Showtunes of the Month record club. Shy, quiet, and bookish, she's glad when she lands a summer job as a nanny for the daughter of a local doctor. A respectable job, Mary Jane's mother says. In a respectable house. The house may look respectable on the outside, but inside it's a literal and figurative mess: clutter on every surface, Impeachment: Now More Than Ever bumper stickers on the doors, cereal and takeout for dinner. And even more troublesome (were Mary Jane's mother to know, which she does not): the doctor is a psychiatrist who has cleared his summer for one important job—helping a famous rock star dry out. A week after Mary Jane starts, the rock star and his movie star wife move in. Over the course of the summer, Mary Jane introduces her new household to crisply ironed clothes and a family dinner schedule, and has a front-row seat to a liberal world of sex, drugs, and rock and roll (not to mention group therapy). Caught between the lifestyle she's always known and the future she's only just realized is possible, Mary Jane will arrive at September with a new idea about what she wants out of life, and what kind of person she's going to be.

Going Vintage

Bloomsbury Publishing USA When sixteen-year-old Mallory learns that her boyfriend, Jeremy, is cheating on her with his cyber "wife," she rebels against technology by following her grandmother's list of goals from 1962, with help from her younger sister, Ginnie.

A Taste of Blackberries

Harper Collins What do you do without your best friend? Jamie isn't afraid of anything. Always ready to get into trouble, then right back out of it, he's a fun and exasperating best friend. But when something terrible happens to Jamie, his best friend has to face the tragedy alone. Without Jamie, there are so many impossible questions to answer -- how can your best friend be gone forever? How can some things, like playing games in the sun or the taste of the blackberries that Jamie loved, go on without him?

Fun with Fabric

Sew, Cut, Print and Stick with Retro and Vintage Fabric

Outlines trendy approaches to fabric designs that emulate 1950s and 1960s style aesthetics, sharing 15 projects that use fabrics from the author's personal collection, from simple patchwork cushions and bags to quilts and covered notebooks.

The Population Bomb

Dollys and Friends Originals 1990s Paper Dolls

Vintage Fashion Dress Up Paper Doll Collection with Iconic Nineties Retro Looks

Meet Dolly, Polly, Holly, Lolly, Jolly and Molly, new fashion paper dolls Dollys and Friends. You can begin creating your collection of paper dolls with this book which has 3 paper dolls and more than 40 outfits in 1990s styles of fashion. This book is a perfect gift for fashion historians, fashion enthusiasts, costume history lovers, paper doll collectors or anyone interested in 1990s. Please be aware that these paper dolls require careful hand cutting. For adults, paper dolls may be a gateway to childhood memories but they also make great gifts for children. Younger children may need the help to cut these dolls out since the dolls and clothes are not perforated. However, this is a nice opportunity for fun family time. Paper dolls can bring adults and children together, and collections of paper dolls have always passed down to younger generations. New generations can learn a lot while playing with paper dolls. In a digital era where dress up games allow us to change clothes on paper dolls by only touching a screen, cutting these dolls the traditional way is a great help for developing motor skills. Playing together also helps to develop communication and cooperation between friends and family. Playing games goes hand in hand with storytelling, role-playing and fantasy so everyone can treasure the time spent playing with these paper dolls as memories full of creativity and imagination. Paper dolls have a long history, and although inspired by antique and vintage paper dolls, Dollys and Friends are modern fashion dolls. Still, most of their wardrobe pieces are vintage fashions or period costumes. While these clothes are created after research, each outfit may not be authentic for that time period. Although there are many costumes and designer fashions for vintage themed books, it is still best to describe them as inspired by historical periods but not exact period costumes. Especially undergarments are more modern for the dolls to be used with different wardrobe choices. Every new outfit from Dollys and Friends Originals Books you will get will be wearable by these Original Dollys. Collecting these paper dolls and sharing them with children can also make fashion and history become one of their passions. Paper doll fans and children of all ages can enjoy these creations. Anyone who is cutting out these dolls and trying the outfits can have a great time with this entertaining activity whether they are fashion enthusiasts, history lovers, paper doll collectors, children or adults.

The Monster at the End of This Book

Golden Books Adapted into a sturdy board book format, a best-selling Sesame Street Little Golden Book classic follows a frantic Grover's efforts to prevent readers from turning the pages and finding the not-so-scary monster at the end of the book. TV tie-in.

Ask a Manager

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work

Ballantine Books From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Mommie Dearest

Paramount Pictures The story of the tormented and glamorous star, Joan Crawford, struggling to survive in a cutthroat world, succumbing to a rage leading to alcoholism and child abuse.

Snuggle the Baby

Harry N. Abrams This interactive novelty book invites the reader to take care of a new baby, from feeding and diaper-changing to swaddling and shushing.

Daughter of Gloriavale

My life in a Religious Cult

Allen & Unwin In this personal account, Lilia Tarawa exposes the shocking secrets of the cult, with its rigid rules and oppressive control of women. She describes her fear when her family questioned Gloriavale's beliefs and practices. When her parents fled with their children, Lilia was forced to make a desperate choice: to stay or to leave. No matter what she chose, she would lose people she loved. In the outside world, Lilia struggled. Would she be damned to hell for leaving? How would she learn to navigate this strange place called 'the world'? And would she ever find out the truth about the criminal convictions against her grandfather? 'A powerful and revealing book...' Kirsty Wynn, New Zealand Herald 'An affecting parable and testament, in the most commendably secular senses.' David Hill, New Zealand Listener

1940s Hairstyles

Expanded and back in print, this popular resource to recreating authentic period hairstyles covers everything from short hairdos popular in the early 1940s to the cut-to-fit look made popular by Christian Dior in the late 1940s. Hundreds of vintage illustrations, photographs, and diagrams accompany detailed instructions and techniques for replicating the styles of the decade. Fun facts and trivia related to the hairstyles of the time are included, as is a look at wartime hair and regulations brought about by the government. Comprehensive lists of the beauty tools needed to create these hairdos, where to purchase the various hard-to-find items discussed, and hairstyles based on hair length and type are all included for those interested in revisiting the period beauty of the 1940s.

The Garden of Last Days: A Novel

W. W. Norton & Company "So good, so damn compulsively readable, that I can hardly believe it." —Stephen King, Entertainment Weekly In his stunning follow-up to the #1 best-selling House of Sand and Fog, Andre Dubus draws us into the lives of three deeply flawed, driven people whose paths intersect on a September night in Florida. April, a stripper, has brought her daughter to work at the Puma Club for Men. There she encounters Bassam, a foreign client both remote and too personal, and free with his money. Meanwhile, another man, AJ, has been thrown out of the club, and he's drunk and angry and lonely. From these explosive elements comes a relentless, raw, and page-turning narrative that seizes the reader by the throat with psychological tension, depth, and realism.

Double Whammy

Penguin "Follow the adventures of a news-photographer-turned-private-eye as he seeks truth, justice, and an affair with his ex-wife" (The New York Times) in this hilarious caper from bestselling author Carl Hiaasen. R.J. Decker, star tenant of the local trailer park and neophyte private eye is fishing for a killer. Thanks to a sportsman's scam that's anything but sportsmanlike, there's a body floating in Coon Bog, Florida—and a lot that's rotten in the murky waters of big-stakes, large-mouth bass tournaments. Here Decker will team up with a half-blind, half-mad hermit with an appetite for road kill; dare to kiss his ex-wife while she's in bed with her new husband; and face deadly TV evangelists, dangerously seductive women, and a pistol-toting redneck with a pit bull on his arm. And here his own life becomes part of the stakes. For while the "double whammy" is the lure, first prize is for the most ingenious murder.

The Family ADHD Solution

A Scientific Approach to Maximizing Your Child's Attention and Minimizing Parental Stress

Macmillan The indispensable guide for parents to give their child with ADHD the tools to succeed.

The Tender Bar

A Memoir

Hachette Books Soon to be a major Amazon film directed by George Clooney and starring Ben Affleck, Tye Sheridan, Lily Rabe, and Christopher Lloyd, a raucous, poignant, luminously written memoir about a boy striving to become a man, and his romance with a bar, in the tradition of *This Boy's Life* and *The Liar's Club*. J.R. Moehringer grew up captivated by a voice. It was the voice of his father, a New York City disc jockey who vanished before J.R. spoke his first word. Sitting on the stoop, pressing an ear to the radio, J.R. would strain to hear in that plummy baritone the secrets of masculinity and identity. Though J.R.'s mother was his world, his rock, he craved something more, something faintly and hauntingly audible only in *The Voice*. At eight years old, suddenly unable to find *The Voice* on the radio, J.R. turned in desperation to the bar on the corner, where he found a rousing chorus of new voices. The alphas along the bar—including J.R.'s Uncle Charlie, a Humphrey Bogart look-alike; Colt, a Yogi Berra sound-alike; and Joey D, a softhearted brawler—took J.R. to the beach, to ballgames, and ultimately into their circle. They taught J.R., tended him, and provided a kind of fathering-by-committee. Torn between the stirring example of his mother and the lurid romance of the bar, J.R. tried to forge a self somewhere in the center. But when it was time for J.R. to leave home, the bar became an increasingly seductive sanctuary, a place to return and regroup during his picaresque journeys. Time and again the bar offered shelter from failure, rejection, heartbreak—and eventually from reality. In the grand tradition of landmark memoirs, *The Tender Bar* is suspenseful, wrenching, and achingly funny. A classic American story of self-invention and escape, of the fierce love between a single mother and an only son, it's also a moving portrait of one boy's struggle to become a man, and an unforgettable depiction of how men remain, at heart, lost boys. Named a best book of the year by *The New York Times*, *Esquire*, *The Los Angeles Times Book Review*, *Entertainment Weekly*, *USA Today*, NPR's "Fresh Air," and *New York Magazine* *A New York Times*, *Los Angeles Times*, *Wall Street Journal*, *San Francisco Chronicle*, *USA Today*, *Booksense*, and *Library Journal* Bestseller *Booksense Pick Borders New Voices Finalist Winner of the Books for a Better Life First Book Award*

Earth Day

Pebble Books *Earth Day* celebrates our beautiful planet and calls us to act on its behalf. Some people spend the day planting flowers or trees. Others organize neighborhood clean-ups, go on nature walks, or make recycled crafts. Readers will discover how a shared holiday can have multiple traditions and be celebrated in all sorts of ways.

Antique Paper Dolls

The Edwardian Era

Taking Care of Your Child

A Parent s Illustrated Guide to Complete Medical Care

Da Capo Lifelong Books Taking Care of Your Child offers the most recent information on obesity, behavioral issues, and other critical health concerns, along with updated immunization schedules and new material on complementary and alternative medicine. Taking Care of Your Child is easy to use, even in a crisis. Parents can look up a symptom to find a complete explanation of probable causes, how serious they are, and how to relieve the problem at home. Easy-to-follow decision charts show exactly when to take a child to see a doctor. Covering more than 100 common complaints—like injuries, allergies, and childhood diseases—and with especially clear advice on handling emergencies, it is the indispensable guide for parents.
