Sailing Smart Winning Techniques, Tactics, And Strategies *Macmillan* Sailing Smart is for every sailor who wants to increase his or her knowledge, understanding, and sailing expertise: the local day-sailor who wants a firmer grasp of the fundamentals, as well as the serious competitor who wants to be up on the latest, most innovative sailing techniques and racing strategies. Buddy Melges, one of the world's best-known sailors, has at last set down his highly original thoughts on how to sail well. He covers the full range of sailing experience, from the general to the specific, the basic to the highly sophisticated. Melges's message is delivered in a bright, uncluttered manner by way of applications from his own sailing experience and through step-by-step instructions on everything from basic boat handling to expert on-the-course tactics and maneuvers. The book is profusely illustrated by the noted sailing artist Ted Brennan, and each drawing is accompanied by a cogent, in-depth explanatory caption. Reading Programs for Young Adults Complete Plans for 50 Theme-Related Units for Public, Middle School and High School Libraries *McFarland* School and public libraries often provide programs and activities for children in preschool through the sixth grade, but there is little available to young adults. For them, libraries become a place for work—the place to research an assignment or find a book for a report—but the thought of the library as a place for enjoyment is lost. So how do librarians recapture the interest of teenagers? This just might be the answer. Here you will find theme-based units (such as Cartoon Cavalcade, Log On at the Library, Go in Style, Cruising the Mall, Space Shots, Teens on TV, and 44 others) that are designed for young adults. Each includes a display idea, suggestions for local sponsorship of prizes, a program game to encourage participation, 10 theme-related activities, curriculum tie-in activities, sample questions for use in trivia games or scavenger hunts, ideas for activity sheets, a bibliography of related works, and a list of theme-related films. The units are highly flexible, allowing any public or school library to adapt them to their particular needs. Catamarans : The Complete Guide for Cruising Sailors The Complete Guide for Cruising Sailors *Mcgraw-hill* The modern cruising catamaran has arrived The arguments are over and the verdict is in--cruising catamarans comprise a rapidly growing percentage of the cruising fleet worldwide. Their advantages of space, stability, speed, and handling under power are truly compelling, and modern cats are every bit as reliable as monohulls. This long overdue, in-depth guide will help you choose and cruise the right catamaran for your needs. "An authoritative guide for novices and experienced sailors; the best book written on the subjects since the early 1990s."--"Trimaran" Jim Brown, renowned multihull designer "In Catamarans, Gregor Tarjan shares his enthusiasm for yachts with two hulls, based on years of sailing all types. An excellent introduction."--Dick Newick, legendary catamaran and trimaran designer "If you are contemplating spending hundreds of thousands of dollars on a cruising catamaran, the small price of this book is probably the best investment you could possibly start with."--from the Foreword by Charles K. Chiodi, publisher of Multihulls Magazine The Complete Sailing Manual *DK* The only sailing manual you will ever need, covering everything from sailing basics to making repairs and mastering navigation. The undisputed market leader in sailing guides, this fully revised and updated sailing manual, with a foreword by quadruple Olympic gold medallist Sir Ben Ainslie, answers questions about any sailing situation, with thorough coverage of all aspects of sailing and boat ownership. In DK's The Complete Sailing Manual, former British national champion Steve Sleight offers a wealth of expert advice and guidance in the form of a complete course on seamanship, which is brought to life with breathtaking action photography and clear instructions. Fully revised, this new edition features all of the latest developments in sailing--including foiling, long-distance cruising, and high-speed apparent-wind sailing--and navigation, with technology such as modern performance systems and electronic navigation. It also highlights the latest rules, regulations, and best practices necessary for every avid sailor, from the novice to the seasoned seaperson. Packed with essential information, handy diagrams, and step-by-step illustrations, The Complete Sailing Manual is the ultimate sailing handbook to keep by your side when you're out on the waves. Voyaging With Kids A Guide to Family Life Afloat *Lin and Larry Pardey* "A treasure-trove of useful, well-organized information on sea-going parenting." --Gary "Cap'n Fatty" Goodlander, Author of Buy, Outfit and Sail Choosing a boat that is right for your family; handling the naysayers; keeping your children safe, healthy and entertained afloat--this inspirational and comprehensive guide may be just what you need to turn your dream into a reality. The three authors, who have each voyaged thousands of miles with children on board, provide a factual and balanced look at the realities of family life on the sea. From their own experience and with information from interviews with dozens of other voyaging parents, they discuss caring for an infant on board, handling the changing needs of children as they grow, education options, ensuring parents find the private time to keep their relationships in tune, and helping children make the eventual transition back to shore life. Added to the authors' voices are sidebars from other cruising parents with specialized information on subjects as diverse as handling special diets and how your children can keep in touch with friends around the world. A unique bonus chapter, written by a dozen former cruising kids, looks at the long-term effects of breaking away from shoreside normalcy. A substantial appendix of resources provides valuable further information on the subjects covered in this book. It is said that every parent inflicts their lifestyle choices on their children. Read this book to find why heading out to sea with your children may be the most rewarding infliction of all.
