Tom House Tom of Finland in Los Angeles Rizzoli Publications *An immersive glimpse into the private, domestic world of one of the twentieth century's most revolutionary artists. Nestled in a leafy, residential section of Los Angeles is the house where Tom of Finland (Touko Laaksonen, 1920–1991) lived and worked during the last decade of his life. It is an extraordinary place—part shrine, part haven, part art-historical archive, and part utopian collective. Still occupied by the men who resided there with Tom and dedicated themselves to preserving his legacy, the house serves as a living tribute to the artist's astonishing oeuvre and his radical vision of unapologetic homoerotic sexuality. Offered to the reader as an intimate view of the man behind the hypermasculine imagery, the book moves from art-filled room to art-filled room, dining room to dungeon. Almost every surface of the house is covered in work made by Tom himself, or by those he influenced and inspired. For additional insight, Martyn Thompson's revelatory photographs are paired with rarely seen preparatory sketches and unfinished drawings. Together, the compelling images place Tom's work in an entirely new light, inviting readers to explore a hidden world of dreams and desire—the world of Tom of Finland.* **American Heroes in Special Operations B&H Publishing Group** *Shares stories about what active military duty is like for Navy Seals, Army Rangers, Green Berets, and other American special operations forces, describing their experiences from 2001 to 2010 in Iraq and Afghanistan.* **Tim Page's NAM Thames & Hudson** *What You Want Is in the Limo On the Road with Led Zeppelin, Alice Cooper, and the*

Who in 1973, the Year the Sixties Died and the Modern Rock Star Was Born *Random House* An epic joyride through three history-making tours in 1973 that defined rock and roll superstardom—the money, the access, the excess—forevermore. *The Who's Quadrophenia. Led Zeppelin's Houses of the Holy. Alice Cooper's Billion Dollar Babies.* These three unprecedented tours—and the albums that inspired them—were the most ambitious of these artists' careers, and they forever changed the landscape of rock and roll: the economics, the privileges, and the very essence of the concert experience. On these juggernauts, rock gods—and their entourages—were born, along with unimaginable overindulgence and the legendary flameouts. Tour buses were traded for private jets, arenas replaced theaters, and performances transmogrified into over-the-top, operatic spectacles. As the sixties ended and the seventies began, an altogether more cynical era took hold: peace, love, and understanding gave way to sex, drugs, and rock and roll. But the decade didn't become the seventies, acclaimed journalist Michael Walker writes, until 1973, a historic and mind-bogglingly prolific year for rock and roll that saw the release of countless classic albums, from *The Dark Side of the Moon* to *Goat's Head Soup*; *Goodbye Yellow Brick Road*; *Greetings from Asbury Park, N.J.*; and *The Wild, the Innocent & the E Street Shuffle*. Aerosmith, Queen, and Lynyrd Skynyrd released their debut albums. *The Roxy* and *CBGB* opened their doors. Every major act of the era—from *Fleetwood Mac* to *Black Sabbath*—was on the road that summer, but of them all, Walker writes, it was *The Who*, *Led Zeppelin*, and *Alice Cooper* who emerged as the game changers. Walker revisits each of these three tours in memorable, all-access detail: he goes backstage, onto the jets, and into the limos, where every conceivable wish could be granted. He wedges himself into the sweaty throng of teenage fans (Walker himself was one of them) who suddenly were an economic force to be reckoned with, and he vividly describes how a decade's worth of decadence was squeezed into twelve heart-pounding, backbreaking, and rule-defying months that redefined, for our modern times, the business of superstardom. Praise for *What You Want Is in the Limo* "Required reading . . . 1973 is a turning point in popular music — the border between hippie-ethos '60s rock 'n' roll and conspicuous-consumption excess '70s rock."—*New York Post* "Loud and boisterous . . . Like a good vinyl-era single, it's over before it wears out its welcome. You may even want to flip it over and start again when you're finished."—*Fort Worth Star-Telegram* "You don't have to love the music or personas of the three bands highlighted here . . . to appreciate the vital roles that all three played in creating the modern rock star. . . . [Walker] is convincing and entertaining in explaining why 1973 was a seminal year in rock."—*The Daily Beast* "[There's] so much rock n' roll history packed inside."—*GQ* "Very well written . . . It gives an intellectual immersion into these bands' lives."—*Led-Zeppelin.org* "[Walker] argues for [1973] as a tipping point, when big tours—and bigger money—became a defining ethos in rock music."—*NPR*

Home Alone 2 Lost in New York Follows Kevin McCallister as he negotiates the streets of New York while his family vacations in Florida. **Maurizio Cattelan Toilet Paper Damiani** 'Toiletpaper' comprises startling photographs colliding commercial photography with twisted narrative tableaux and surrealistic imagery. **Bruce Conner It's All True** *Univ of California Press* "This book is published by the San Francisco Museum of Modern Art on the occasion of the exhibition *Bruce Conner: It's All True*, co-curated by

Stuart Comer, Rudolf Frieling, Gary Garrels, and Laura Hoptman, with Rachel Federman"--Colophon. **The Swiss Family Robinson (Diversion Illustrated Classics) Diversion Books** A beloved adventure classic, *The Swiss Family Robinson* is a tale of courage in the face of the unknown that has endured the test of time. Trapped on a remote island after a storm leaves them shipwrecked, a Swiss pastor, his wife, and their four sons must pull together if they want to survive. Hunting, farming, and exploring a strange land for the first time, each son not only tests his own bravery, but discovers a skill all his own as they each adapt to this new, wild place. Full of wonder, revelation, and invention, this timeless adventure story has sparked imaginations of readers young and old for generations. Featuring an appendix of discussion questions, this *Diversion Classics* edition is ideal for use in book groups and classrooms. Kim Jiyoung, Born 1982: A Novel Liveright Publishing A *New York Times* Editors Choice Selection A global sensation, *Kim Jiyoung, Born 1982* "has become...a touchstone for a conversation around feminism and gender" (Sarah Shin, *Guardian*). One of the most notable novels of the year, hailed by both critics and K-pop stars alike, *Kim Jiyoung, Born 1982* follows one woman's psychic deterioration in the face of rampant misogyny. In a tidy apartment on the outskirts of Seoul, millennial "everywoman" Kim Jiyoung spends her days caring for her infant daughter. But strange symptoms appear: Jiyoung begins to impersonate the voices of other women, dead and alive. As she plunges deeper into this psychosis, her concerned husband sends her to a psychiatrist. Jiyoung narrates her story to this doctor—from her birth to parents who expected a son to elementary school teachers who policed girls' outfits to male coworkers who installed hidden cameras in women's restrooms. But can her psychiatrist cure her, or even discover what truly ails her? "A social treatise as well as a work of art" (Alexandra Alter, *New York Times*), *Kim Jiyoung, Born 1982* heralds the arrival of international powerhouse Cho Nam-Joo.

The Land Was Ours How Black Beaches Became White Wealth in the Coastal South UNC Press Books The coasts of today's American South feature luxury condominiums, resorts, and gated communities, yet just a century ago, a surprising amount of beachfront property in the Chesapeake, along the Carolina shores, and around the Gulf of Mexico was owned and populated by African Americans. Blending social and environmental history, Andrew W. Kahrl tells the story of African American-owned beaches in the twentieth century. By reconstructing African American life along the coast, Kahrl demonstrates just how important these properties were for African American communities and leisure, as well as for economic empowerment, especially during the era of the Jim Crow South. However, in the wake of the civil rights movement and amid the growing prosperity of the Sunbelt, many African Americans fell victim to effective campaigns to dispossess black landowners of their properties and beaches. Kahrl makes a signal contribution to our understanding of African American landowners and real-estate developers, as well as the development of coastal capitalism along the southern seaboard, tying the creation of overdeveloped, unsustainable coastlines to the unmaking of black communities and cultures along the shore. The result is a skillful appraisal of the ambiguous legacy of racial progress in the Sunbelt.

Anti-Stepbrother He told me to settle. He asked what was wrong with me. He called me an easy target. That was within minutes when I first met Caden Banks. I

labeled him an *sshole, but he was more than that. Arrogant. Smug. Alpha. He was also to-die-for gorgeous, and my stepbrother's fraternity brother. Okay, yes I was a little naive, a tad bit socially awkward, and the smallest amount of stalker-ish, but if Caden Banks thought he could tell me what to do, he had another thing coming. I came to college with daydreams about being with my stepbrother, but what if I fell for the anti-stepbrother instead? *Stand-alone novel **Chhota Bheem Vol. 51 Camping Holiday Green Gold Animation** One lovely day Bheem along with his friends plan to go camping. They find three huge blue stones and realize that they are not stones but eggs. Three beautiful looking birds emerge from the eggs. The kids are happy to discover their newly found friends. But a vulture and two thieves try to take away the birds. Will Bheem be able to save the birds from the clutches of the vulture and thieves? Enjoy reading to know this pleasant tale. Everything is easy. Now you can get to play with our character heroes, by using coloring books, activity books and so on. Buy them now to know more. Now at your reach bring home the fun!!! **Gentlemen's Club Partners of Exotic Dancers** Gentlemen's Club features 40 portrait sittings and interviews with the partners of exotic dancers. **Top Health Issues for LGBT Populations: Information and Resource Kit Public Health Service** Top Health Issues for LGBT Populations Information & Resource Kit informs health care providers and prevention specialists about the health experiences of LGBT populations. Understanding the health issues of LGBT individuals is a significant step in improving access to care and the quality of behavioral health services. The information and resource kit contains seven fact sheets as well as PowerPoint slides that can be used individually or together. DHHS Publication No. SMA 12-4684. **Car Rental in the U.S.A. Golden Kingdoms Luxury Arts in the Ancient Americas Getty Publications** This volume accompanies a major international loan exhibition featuring more than three hundred works of art, many rarely or never before seen in the United States. It traces the development of gold working and other luxury arts in the Americas from antiquity until the arrival of Europeans in the early sixteenth century. Presenting spectacular works from recent excavations in Peru, Colombia, Panama, Costa Rica, Guatemala, and Mexico, this exhibition focuses on specific places and times—crucibles of innovation—where artistic exchange, rivalry, and creativity led to the production of some of the greatest works of art known from the ancient Americas. The book and exhibition explore not only artistic practices but also the historical, cultural, social, and political conditions in which luxury arts were produced and circulated, alongside their religious meanings and ritual functions. Golden Kingdoms creates new understandings of ancient American art through a thematic exploration of indigenous ideas of value and luxury. Central to the book is the idea of the exchange of materials and ideas across regions and across time: works of great value would often be transported over long distances, or passed down over generations, in both cases attracting new audiences and inspiring new artists. The idea of exchange is at the intellectual heart of this volume, researched and written by twenty scholars based in the United States and Latin America. **Glasgow Girls Women in Art and Design, 1880-1920 Canongate** At the turn of the 20th century, Glasgow was the centre for an avant-garde movement of art and design innovation in Europe, which we now refer to as The Glasgow Style. While the "Glasgow Boys" group of painters has been widely written about, their female contemporaries have received

far less attention. In this work, the editor redresses this imbalance, bringing together research from 18 scholars on the work of an astonishing number of female artists from this period. **Cosmos & Culture Cultural Evolution in a Cosmic Context** From GPO Bookstore's Website: Authors with diverse backgrounds in science, history, anthropology, and more, consider culture in the context of the cosmos. How does our knowledge of cosmic evolution affect terrestrial culture? Conversely, how does our knowledge of cultural evolution affect our thinking about possible cultures in the cosmos? Are life, mind, and culture of fundamental significance to the grand story of the cosmos that has generated its own self-understanding through science, rational reasoning, and mathematics? Book includes bibliographical references and an index. **The Health of Lesbian, Gay, Bisexual, and Transgender People Building a Foundation for Better Understanding** National Academies Press At a time when lesbian, gay, bisexual, and transgender individuals--often referred to under the umbrella acronym LGBT--are becoming more visible in society and more socially acknowledged, clinicians and researchers are faced with incomplete information about their health status. While LGBT populations often are combined as a single entity for research and advocacy purposes, each is a distinct population group with its own specific health needs. Furthermore, the experiences of LGBT individuals are not uniform and are shaped by factors of race, ethnicity, socioeconomic status, geographical location, and age, any of which can have an effect on health-related concerns and needs. The Health of Lesbian, Gay, Bisexual, and Transgender People assesses the state of science on the health status of LGBT populations, identifies research gaps and opportunities, and outlines a research agenda for the National Institute of Health. The report examines the health status of these populations in three life stages: childhood and adolescence, early/middle adulthood, and later adulthood. At each life stage, the committee studied mental health, physical health, risks and protective factors, health services, and contextual influences. To advance understanding of the health needs of all LGBT individuals, the report finds that researchers need more data about the demographics of these populations, improved methods for collecting and analyzing data, and an increased participation of sexual and gender minorities in research. The Health of Lesbian, Gay, Bisexual, and Transgender People is a valuable resource for policymakers, federal agencies including the National Institute of Health (NIH), LGBT advocacy groups, clinicians, and service providers. **Rock Gardening Reimagining a Classic Style** Timber Press AHS Book Award winner Rock gardening—the art of growing alpinists and other miniature plants in the company of rocks in order to recreate the look of a rugged mountaintop—has been surging in popularity. Time and space constraints, chronic drought in the American West, and a trend toward architectural plants are just a few of the reasons for the increased interest. Rock Gardening brings this traditional style to a new generation of gardeners. It includes a survey of gorgeous rock gardens from around the world, the techniques and methods specific to creating and maintaining a rock garden, and profiles of the top 50 rock garden plants. **Edge of Dawn** A Midnight Breed Novel Delacorte Press NEW YORK TIMES BESTSELLER In this pulse-pounding and thrillingly sensual novel, Lara Adrian returns to the mesmerizing world of the Midnight Breed, following new characters into a dark future where an uneasy peace can unravel into war—and a great betrayal can mask an all-

consuming love. Twenty years after the terror of *First Dawn*—when mankind learned that vampires lived secretly among them—the threat of violence reigns as the two species struggle to coexist. The only group preserving the fragile harmony is the Order, an elite cadre of Breed warriors dedicated to protecting humans and vampires alike. And in this precarious world of torn loyalties and shattered trust, Mira, a fiery squad captain, finds that every fight bears an intensely personal cost. Raised among the Order, Mira has always believed in the warrior’s code of swift—and even lethal—justice. But the one thing she desires more than the Order’s hard-won acceptance is Kellan Archer, a sexy but troubled Breed fighter. In love with him since childhood, Mira once broke through his tough exterior during an unexpected night of rapture, but the next day he mysteriously disappeared, never to return. Kellan didn’t think he would ever see Mira again—or have to confront the truth of why he left. After abandoning the Order years ago, he now leads a band of human rebels intent on carrying out their own vigilante rule of law. Yet a high-profile kidnapping assignment brings him face-to-face with the past he sought to avoid, and the striking woman he has tried desperately to forget. And as tensions mount and the risk of bloodshed grows, Kellan and Mira must take sides—between the competing missions that dominate their lives, and the electrifying passion that claims their hearts. **BONUS:** This edition includes an excerpt from Lara Adrian’s *Crave the Night*. Praise for *Edge of Dawn* “With an Adrian novel, readers are assured of plenty of dangerous thrills and passionate chills.”—RT Book Reviews “The eleventh installment in Adrian’s strikingly original *Midnight Breed* series delivers an abundance of nail-biting suspenseful chills, red-hot sexy thrills, an intricately built world, and realistically complicated and conflicted protagonists, whose happily-ever-after ending proves to be all the sweeter after what they endure to get there.”—Booklist (starred review) “Adrian has always been an impeccable writer, but as I started reading this book, I was reminded of just how amazing and talented she is. She paints a vivid picture for every scene, delves deeper into each character until readers know everything about them, and writes some of the best action sequences I’ve encountered in a long time. . . . Make no mistake, Lara Adrian is one of the premier authors of paranormal romance and with this book, she proves it! . . . *Edge of Dawn* is a game changer—a book that will revolutionize the way readers see the *Midnight Breed* world and stir up some excitement! Filled with angst, tortured hearts, above all, selfless love, *Edge of Dawn* will break your hearts and mend them back up again.”—Fresh Fiction “A spine tingling thrill ride for both old and new fans alike . . . *Edge of Dawn* is one of the few stories that deserve more than a five star rating.”—Night Owl Reviews “Well worth waiting for . . . Adrian once again engulfs her readers in a world of Breed loyalty, fierce passion and emotional overload. . . . The complexity of the plot will leave you stunned to say the least and in my case, left wondering what will happen next. . . . I guarantee you will be begging for more.”—Guilty Pleasures Book Reviews **Action Comics: 80 Years of Superman Deluxe Edition DC Comics** *Action Comics* is the longest-running continually published comic book in history, and it’s the series that launched the superhero genre with the introduction of Superman in 1938. DC Entertainment is celebrating its 80th anniversary with *Action Comics: 80 Years of Superman Deluxe Edition*, which features cover art by artist and DC Publisher Jim Lee. Join DC in a celebration of *Action Comics*’ amazing 80-year run, with reflections on *Action Comics* by

Laura Siegel Larson (daughter of Superman co-creator Jerry Siegel) and celebrated writers Jules Feiffer, Tom DeHaven, David Hajdu, Larry Tye, Gene Luen Yang, Marv Wolfman and Paul Levitz. Featuring the very first Superman story, the debut of Supergirl, the first stories of arch-villains the Toyman and Brainiac, a never-before-published story from the original creative studio of Jerry Siegel and Joe Shuster, dating back seven decades, and more! Celebrate the hundreds of people who made Action Comics so impactful and culturally relevant for over eight decades with *Action Comics: 80 Years of Superman Deluxe Edition*. **The Knowledge Gap The hidden cause of America's broken education system--and how to fix it Penguin** The untold story of the root cause of America's education crisis--and the seemingly endless cycle of multigenerational poverty. It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country's frustrating lack of progress when it comes to providing every child with a quality education. The problem wasn't one of the usual scapegoats: lazy teachers, shoddy facilities, lack of accountability. It was something no one was talking about: the elementary school curriculum's intense focus on decontextualized reading comprehension "skills" at the expense of actual knowledge. In the tradition of Dale Russakoff's *The Prize* and Dana Goldstein's *The Teacher Wars*, Wexler brings together history, research, and compelling characters to pull back the curtain on this fundamental flaw in our education system--one that fellow reformers, journalists, and policymakers have long overlooked, and of which the general public, including many parents, remains unaware. But *The Knowledge Gap* isn't just a story of what schools have gotten so wrong--it also follows innovative educators who are in the process of shedding their deeply ingrained habits, and describes the rewards that have come along: students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed. If we truly want to fix our education system and unlock the potential of our neediest children, we have no choice but to pay attention. **Forgiveness A Memoir Simon and Schuster** "I wrote this book not to dismiss a rumor but to share something much more important: my journey to forgiveness." Chiquis Rivera is a singer and the daughter of the late music superstar Jenni Rivera. In *Forgiveness*, her memoir, Chiquis bravely reveals the abuse she suffered at the hands of her father during her childhood and the difficulties she's faced in her personal life as a result. Despite growing up marked by the wounds of abuse, she eventually conquered her fear of love and intimacy. The story within these pages also recounts what caused the distance between her and her mother toward the end of Jenni's life. In *Forgiveness*, Chiquis brings to light truths that she wishes she had been able to reveal to Jenni. Two years after her mother's death, Chiquis answers the most difficult questions: Was she able to make peace with Jenni? And in this story of triumph and tragedy, who is most in need of forgiveness? **The Science of Kissing What Our Lips Are Telling Us Grand Central Publishing** From a noted science journalist comes a wonderfully witty and fascinating exploration of how and why we kiss. When did humans begin to kiss? Why is kissing integral to some cultures and alien to others? Do good kissers make the best lovers? And is that expensive lip-plumping gloss worth it? Sheril Kirshenbaum, a biologist and science journalist, tackles these questions and more in *THE SCIENCE OF KISSING*. It's everything you always wanted to know about kissing but either haven't asked,

couldn't find out, or didn't realize you should understand. The book is informed by the latest studies and theories, but Kirshenbaum's engaging voice gives the information a light touch. Topics range from the kind of kissing men like to do (as distinct from women) to what animals can teach us about the kiss to whether or not the true art of kissing was lost sometime in the Dark Ages. Drawing upon classical history, evolutionary biology, psychology, popular culture, and more, Kirshenbaum's winning book will appeal to romantics and armchair scientists alike. **Mickalene Thomas Origin of the Universe Strange Chemistry** Mickalene Thomas (born 1971) has won acclaim for her elaborate, colorful paintings of African-American women, often posed provocatively against rich, 1970s-themed backgrounds adorned with rhinestones, enamel and acrylics. Thomas draws from earlier traditions of portraiture to arrive at her contemporary sensibility. She engages with the tension between a personal investigation of eroticism, black femininity and beauty and a pop-cultural critique of the overt sexual imagery prevalent in the media--from Blaxploitation film heroines like Cleopatra Jones to the construction of middle-class, African-American taste in Ebony magazine. Her portraits of trans-generational female empowerment have been receiving attention far beyond the standard art-world venues and have been reproduced everywhere from The New Yorker to Bomb magazine. Thomas also reenvision landscapes and interiors through playful and passionate recontextualizations of such artists as Romare Bearden, Édouard Manet, Henri Matisse and Balthus. Mickalene Thomas: The Origin of the Universe is the first monograph on the artist, and accompanies her first solo museum exhibition in the United States at the Santa Monica Museum of Art. It features a wide array of full-color reproductions of her work across media--much of it new and never before published--including photo collages and provocative landscapes, along with an interview with the artist and critical texts that elucidate her paintings' investigations of femininity, sexuality and power, and provide extensive context for her oeuvre as a whole. **Our Moon Has Blood Clots The Exodus of the Kashmiri Pandits Penguin Enterprise** "Rahul Pandita was fourteen years old when he was forced to leave his home in Srinagar along with his family, who were Kashmiri Pandits: the Hindu minority within a Muslim-majority Kashmir that was by 1990 becoming increasingly agitated with the cries of 'Azaadi' [freedom] from India. The heartbreaking story of Kashmir has so far been told mainly through the prism of the brutality of the Indian security forces, the pro-independence demands of Muslim separatists or India and Pakistan's rivalry. But there is another part of the story that has remained unrecorded and buried. Our Moon Has Blood Clots is the untold chapter in the story of Kashmir, in which hundreds of thousands of Kashmiri Pandits were tortured, killed and forced to leave their homes by Islamist militants, and to spend the rest of their lives in exile in their own country. Rahul Pandita has written a deeply personal, powerful and unforgettable story of history, home and loss."--Page 4 of cover. **Sleeping with a Stranger The Lost Boys Vol. 1 Vertigo** In this follow-up to the 1987 cult classic film, horror masters Tim Seeley and Scott Godlewski wade into the bloody, badass world of California vampires for an all-new tale of thrills, chills, and good old-fashioned heart-staking action in THE LOST BOYS VOL. 1! Welcome to scenic Santa Carla, California. Great beaches. Colorful characters. Killer nightlife. And, of course, all the damn vampires. The Emerson brothers (Sam and Michael) and the Frog brothers (Edgar and Alan) learned that

last part the hard way,,these underage slayers took on the vampire master Max and his pack of punked-out minions, and drove a stake right through their plans to suck Santa Carla dry. After scraping the undead goo off their shoes, they figured everything was back to normal. But now there are new vamps in town. A coven of female undead called the Blood Belles has moved in, and they've targeted Sam, Michael, the Frog Brothers, and every other vampire hunter in Santa Carla for bloody vengeance. It'll take every trick in the brothers' monster-killing book to stop these bloodsuckers from unleashing an entire army of the damned. And they'll need help from an unexpected source,,a certain shirtless sax-playing savior known only as the Believer! Do you still believe? Collects #1-6. **The Ansel Adams Wilderness National Geographic** Paying tribute to Ansel Adams and the California Sierra Nevada wilderness area named in his honor, an esteemed National Geographic photographer captures the fragile beauty of the High Sierras through the modern lens of digital photography. **The Souls of Black Folk Phoenix Classics Ebooks** The Souls of Black Folk W. E. B. Du Bois - One of the Most Important Books on Civil Rights, Race, and Freedom Ever Written. It is a seminal work in the history of sociology and a cornerstone of African-American literature and a monumental collection of essays that examines race and racism in America during the early 1900s and prior. To develop this work, Du Bois drew from his own experiences as an African American in American society. Outside of its notable relevance in African-American history, The Souls of Black Folk also holds an important place in social science as one of the early works in the field of sociology. The Souls of Black Folk is perfect for anyone interested in African-American literature and history **America, You Sexy Bitch A Love Letter to Freedom Da Capo Press** "Meghan and Michael embark on a balls-out, cross-country tour starting in California, the heart of liberal America, and ending in the state of Connecticut, the home of blue-blood Wall Street billionaires. Along the way, they visit such cultural touchstones as Graceland and Branson, party in Las Vegas and New Orleans, pretend to be Mormon in Salt Lake City (only for a second), and go to a mosque in Dearborn, Michigan. They tour the nation's capital; they fire semiautomatic weapons. But mostly Meghan McCain and Michael Ian Black talk to each other: about their differences, their similarities, and how American politics has gotten so divided."--Front jacket flap. **Meet Me in London A Novel HQN Books** "Armchair travelers will adore this tour of Christmastime London...[a] charming rom-com from British reality TV star Georgia Toffolo." —Publishers Weekly Fans of Josie Silver's One Day in December and Christina Lauren's In a Holidaze will adore watching Victoria and Oliver's pretend engagement dissolve as their very real chemistry threatens to upend all their carefully laid-out secrets. Set against the most charming London backdrop, Meet Me in London is an irresistible seasonal treat! What do you do when your fake engagement starts to feel too real... Aspiring clothes designer Victoria Scott spends her days working in a bar in Chelsea and her evenings designing vintage clothes, dreaming of one day opening her own boutique. But these aspirations are under threat from the new department store opening at the end of her road. She needs a Christmas miracle, but one is not forthcoming. Oliver Russell's Christmas is not looking very festive right now. His family's new London department store opening is behind schedule, and on top of that his interfering, if well-meaning, mother is pressing him to introduce his girlfriend to her over the holidays—a girlfriend who does

not exist. He needs a diversion...something to keep his mother from meddling while he focuses on the business. When Oliver meets Victoria, he offers a proposition: pretend to be his girlfriend at the opening of his store and he will provide an opportunity for Victoria to showcase her designs. But what starts as a business arrangement soon becomes something more tempting as the fake relationship starts to feel very real. But when secrets in Victoria's past are exposed, will Oliver walk away, or will they both follow their hearts and find what neither knew they were looking for...? "An ideal Christmas escape!"—Laura Jane Williams, Bestselling author of *Our Stop*

Fearless Governance Diamond Pocket Books Pvt Ltd The Book 'Fearless Governance' by Dr Kiran Bedi, former Lt Governor of Puducherry and IPS (retd) is a revelation of stark realities of governance. This book is based on the ground realities of nearly five years of service of Dr. Bedi as Lt. Governor of Puducherry and her vast experience of 40 years in the Indian Police Service. Sams Teach Yourself UNIX System Administration in 24 Hours Pearson Education In the wake of the highly successful Sams Teach Yourself Unix in 24 Hours, this book focuses on the additional Unix commands that an advanced user or beginning system administrator needs to know in order to administer and maintain a Unix system. The book includes coverage of the key Unix variations: Red Hat Linux, Solaris, HP-UX, and Apple's Mac OS X environment. The book will not be a comprehensive solution to all problems facing new system administrators, but instead is a tutorial introduction to the process of learning about and maintaining a running Unix server.

The Big Swim Coming Ashore in a World Adrift New Society Publishers How the climate crisis changed one woman's life: "Stunningly beautiful . . . I found myself laughing out loud on one page and brushing away tears on the next." —Ruth Ozeki, author of *A Tale for the Time Being* Climate change is alarming and complicated. Governments are acting too slowly or not at all, and not enough people feel informed or empowered enough to demand action. But ignoring a catastrophe of such magnitude is a certain path to disaster. *The Big Swim* puts forward the idea that personal growth arises from facing both inner tensions and threats to the biosphere. In a collection of stories that is frequently touching,

*surprisingly funny, and always thought-provoking, Carrie Saxifrage seeks out the places where science meets self-discovery, inviting us to join her as she: Learns the art of appreciation from an ancient jawbone Hikes solo through the wilderness to find balance in a field of blueberries Swims for four hours through cold, open water, seeking a fleeting state of grace Each of the stories in The Big Swim encourages possibilities for greater personal satisfaction with lower environmental impacts. While exploring significant topics, such as sustainable forestry, nature-centered philosophy, or First Nations' culture, the author discovers that the greatest adventure is learning to align how she lives with what she loves. By turning her own despair into action, she paves the way for us all to discover the many tools we have at hand to meet the biggest challenge humanity has ever faced. **Food Habits of North American Diving Ducks Tru Blue EverAfter Romance** TRU BLUE is a USA TODAY BESTSELLER TRU BLUE is a sexy, dark stand-alone novel written in the same loving, raw, and emotional voice romance readers have come to love, and the deeply emotional literary prose women's fiction readers have come to expect, from New York Times & USA Today bestselling, award-winning author Melissa Foster. "With her wonderful characters and resonating emotions, Melissa Foster is a must-read author!" New York Times Bestseller Julie Kenner "Melissa Foster is synonymous with sexy, swoony, heartfelt romance!" New York Times Bestseller Lauren Blakely He wore the skin of a killer, and bore the heart of a lover... There's nothing Truman Gritt won't do to protect his family--Including spending years in jail for a crime he didn't commit. When he's finally released, the life he knew is turned upside down by his mother's overdose, and Truman steps in to raise the children she's left behind. Truman's hard, he's secretive, and he's trying to save a brother who's even more broken than he is. He's never needed help in his life, and when beautiful Gemma Wright tries to step in, he's less than accepting. But Gemma has a way of slithering into people's lives and eventually she pierces through his ironclad heart. When Truman's dark past collides with his future, his loyalties will be tested, and he'll be faced with his toughest decision yet. ** "You can always rely on Melissa Foster to deliver a story that's fresh, emotional and entertaining. Make sure you have all night, because once you start you won't want to stop reading. Every book's a winner!" NYT Bestselling Author Brenda Novak*
