Hitler at Home

Yale University Press A look at Adolf Hitler’s residences and their role in constructing and promoting the dictator’s private persona both within Germany and abroad. Adolf Hitler’s makeover from rabble-rouser to statesman coincided

with a series of dramatic home renovations he undertook during the mid-1930s. This provocative book exposes the dictator's preoccupation with his private persona, which was shaped by the aesthetic and ideological management of his domestic architecture. Hitler's bachelor life stirred rumors, and the Nazi regime relied on the dictator's three dwellings—the Old Chancellery in Berlin, his apartment in Munich, and the Berghof, his mountain home on the Obersalzberg—to foster the myth of the Führer as a morally upstanding and refined man. Author Despina Stratigakos also reveals the previously untold story of Hitler's interior designer, Gerdy Troost, through newly discovered archival sources. At the height of the Third Reich, media outlets around the world showcased Hitler's homes to audiences eager for behind-the-scenes stories. After the war, fascination with Hitler's domestic life continued as soldiers and journalists searched his dwellings for insights into his psychology. The book's rich illustrations, many previously unpublished, offer readers a rare glimpse into the decisions involved in the making of Hitler's homes and into the sheer power of the propaganda that influenced how the world saw him. "Inarguably the powder-keg title of the year."—Mitchell Owen, *Architectural Digest* "A fascinating read, which reminds us that in Nazi Germany the architectural and the political can never be disentangled. Like his own confected image, Hitler's buildings cannot be divorced from their odious political hinterland."—Roger Moorhouse, *Times*

Following the events of The Fire Sermon, the Omega resistance has been brutally attacked, its members dead or in hiding. The Alpha Council’s plan for permanently containing the Omegas has begun. But all is not entirely lost: the Council’s seer, the Confessor, is dead, killed by her twin’s sacrifice. Cass is left haunted by visions of the past, while her brother Zach’s cruelty and obsession push her to the edge and threaten to destroy everything she hopes for. As the country moves closer to all-out civil war, Cass will learn that to change the future she will need to uncover the past. But nothing can prepare her for what she discovers: a deeply buried secret that raises the stakes higher than ever before.
