Hopeful

Louise Bay A long time ago, Joel Wentworth told me he'd love me for infinity . . . and I can't give up hope that it might have been true. How long does it take to get over your first love? Eight years should be long enough. My mind knows that, but there's no convincing my heart. Guys like Joel weren't supposed to fall for girls like me. He had his pick of women at University, but somehow the laws of nature were defied and we fell crazy in love. After graduation, Joel left to pursue his career in New York. He wanted me to go with him but my life was in London. We broke up and my heart split in two. I haven't seen or spoken to him since he left. If only I'd known that I'd love him this long, this painfully, this desperately. I might have said yes all those years ago. He might have been mine all this time in between. Now, he's moving back to London and I need to get over him before he gets over here. But how do you forget someone who gave you so much to remember? Hopeful is a stand alone, sexy contemporary romance. What others are saying about Louise Bay: "A fabulous, smouldering love story" Katy Evans, NYT bestselling author "Insanely hot passion, and deliciously naughty and sweet characters. How to Teach English Overseas

Use Your Native Language to Fund Your Travels All Over the World

Ever since I can remember I have had an insatiable desire to travel. I have always wanted to see the world, experience new things, and have a pretty good time while doing it. Unfortunately, there was a rather large barrier to my dreams of travel. Namely the fact that travel is incredibly expensive. Which is when I started to explore my options and stumbled upon the concept of teaching English abroad. After looking into it further, I realized that it was exactly what I was looking for. An opportunity to travel, immerse myself in an entirely different culture, and make money while doing it. It truly sounded too good to be true. But I quickly found out it wasn't. Since that time I have worked teaching English abroad in over a dozen different countries. I have had the pleasure of seeing some incredibly beautiful places and meeting some truly amazing people. The work is rewarding, and the lifestyle is perfect. But the process required to get to this point took quite a bit of trial and error, in which it certainly wasn't as easy as it could be. Which is actually what prompted me to write this book. By learning from my experiences, you can find out everything you need to know to teach English overseas. In the following book you will find: What you need to do to become an English teacher abroad What qualifications provide you with the best job opportunities Where the best places to start your teaching career are And how to make sure you get the chance to work and travel overseas While I can give you the required information on HOW you can become an English teacher abroad, you are the one who truly needs to make this change. While the information within this book has the capacity to change your life, you are the one who needs to take the jump. And it is seriously a single click away. With this in mind, I should also note that this book comes with a money back guarantee - if you are not happy with the results you observe after implementing the ketogenic diet into your life, then you get your money back, no questions asked.
