## **I WILL NOT SURRENDER TO TERRORISM**

---

---

## **PLEASE GIFT THIS BOOK TO EVERY TERRORIST WORLDWIDE, IT CAN HELP THEM TO GET AWAY FROM THE PATH OF TERRORISM**

---

**Createspace Independent Publishing Platform** *I will not surrender to terrorism* By Mr.Gijo Vijayan. This book aims at preventing a person from becoming a terrorist. The author aim at killing the motive behind terrorism, whatever may be the reason behind. Forgive and forget, the world will be safer. An eye for an eye make the whole world blind, said Mahatma Gandhi. If you know anyone, who has extreme and radical views on religion or any ideology, that cause harm to society. This book can be an eye opener to narrow minded people, who think I am right and whole world is wrong. Stop revenge, forgive and forget, the world will be safer. For nations to live in

peace, stop quest for dominance, stop trying to grab someone's land or sea. More investment in military makes common people suffer indirectly. Billions of dollars spent on military expenses can be diverted for betterment of the lives of people, if there is no friction between nations. Billions of dollars spent on atom bombs, missiles, ships, fighter planes etc will eventually of no use to the betterment of humanity. If a third world war occurs, there won't be anyone left to celebrate victory, so it is foolishness to wage war in the name of any ideology or religion. There is only One way to stop terrorism - Education. When millions of people refuse to become terrorist at any cost - by applying thought, the purpose of this book is achieved. To kill terrorism, we must kill the motivation behind terrorism. When you refuse to become a terrorist, you make the world safer. When millions of people around the world refuse to become terrorists, we all win. So, take a pledge today itself, -I will not become a terrorist. -I will not allow my kids to become terrorists. -I will not change my mind, because of people or circumstances around me. -No media, politics or religion can manipulate me. -I will help misguided people to leave the path of terrorism.

### **LET GOD'S LOVE REWRITE YOUR STORY**

---

**Zondervan** *A firsthand look into Kim Walker-Smith's journey from a place of shame and fear to stages around the world where she boldly proclaims the unconditional love of God. Kim Walker-Smith's passionate performance of "How He Loves" helped transform Jesus Culture into a global worship movement. But she wasn't always so confident of God's unrelenting, powerful love. Coming from a painful childhood, Kim struggled to believe that God could heal her heart or bring any sense from her past. Yet when she chose to hand her struggles over to God and receive His love, freedom, and healing in return, everything began to change. On the other side of surrender, Kim began a journey of looking at one painful memory at a time with God and exchanging her perspective for His truth--a journey in which God rewrote her story of pain into a story of redemption and hope. If you are longing to experience God more than the shame or hurts of your past, the pressures of your present, or the fear of your future, Brave Surrender offers a soul-healing path forward. As Kim learned in her own life, the first step--and the bravest step--is letting go. Once we let go of anything that gets between us and God, we are freed to take hold of the life that truly matters. As Kim writes, "When we encounter God's love, it changes the way we see. And when we learn to see what He sees, we will never be the same again."*

## **SURRENDER, WHITE PEOPLE!**

### **OUR UNCONDITIONAL TERMS FOR PEACE**

---

**HarperCollins** *THE NATIONAL BESTSELLER* "Hughley uses his trademark humor to address the stark divisions in society that stem from centuries of white supremacy." —*People Surrender, white people!* After 400 years of white supremacy in America, a reckoning is here. These are the terms of peace—and they are unconditional. Hope you brought a sense of humor, because this is gonna sting. After centuries of oppressing others, white people are in for a surprise: You're about to be a minority yourself. Yes, the face of America is getting a lot browner—and a reckoning is coming. Black and brown folk are not going to take a back seat anymore. It's time to surrender your unjust privileges and sue for peace while the getting's still good. Lucky for America, D.L. Hughley has a plan. On the eve of America becoming a majority-minority nation, Hughley warns, the only way for America to move forward peacefully is if Whites face their history, put aside all their visions of superiority, and open up their institutions so they benefit everyone in this nation. But we can still have fun with this right? *Surrender, White People!* hilariously holds America account for its wrongs and offers D.L.'s satirical terms for reparations and reconciliation. But it's not all bad news, white folks. The upside is that if you put D.L.'s plan into effect, you can FINALLY get black people to stop talking about oppression, discrimination, and their place in America. Now, that's something we ALL can get behind.

## **A NIGHT TO SURRENDER**

---

**Harper Collins** *Welcome to Spindle Cove, where the ladies with delicate constitutions come for the sea air, and men in their prime are . . . nowhere to be found. Or are they? Spindle Cove is the destination of choice for certain types of well-bred young ladies: the painfully shy, young wives disenchanted with matrimony, and young girls too enchanted with the wrong men; it is a haven for those who live there. Victor Bramwell, the new Earl of Rycliff, knows he doesn't belong here. So far as he can tell, there's nothing in this place but spinsters . . . and sheep. But he has no choice, he has orders to gather a militia. It's a simple mission, made complicated by the spirited, exquisite Susanna Finch—a woman who is determined to save her personal utopia from the invasion of Bram's makeshift*

*army. Susanna has no use for aggravating men; Bram has sworn off interfering women. The scene is set for an epic battle...but who can be named the winner when both have so much to lose?*
