## The Arrivals

### A Novel

*William Morrow Paperbacks* The Wasteland is a world beyond our own. It is a rough and ragged landscape under a two-moon sky, inhabited by monsters and creatures that could almost pass for human. Into this alternate world unwitting people are brought, from both past and present, for reasons none of them know. Chloe Mattison goes to sleep, drunk and heartbroken, in Washington, D.C., and wakes up in the Wasteland. Chloe is welcomed by Jack and Kitty, brother and sister from a Wild West frontier town. "You're one of us," they tell her, yet neither Jack nor Kitty, nor any of their companions, know why they were chosen. Two questions loom large in all of their minds: Why are we here? Is there a way out of this corrupt, demon-filled world? Equal parts The Matrix and The Wizard of Oz, The Arrivals is a page-turning adventure set in a world you will not soon forget.

## The Arrivals

### A Novel

*Harper Collins* The Arrivals is the second novel for adults by internationally bestselling author Melissa Marr. Chloe walks into a bar and blows five years of sobriety. When she wakes, she finds herself in an unfamiliar world, The Wasteland. She discovers people from all times and places have also arrived there: Kitty and Jack, a brother and sister from the Wild West; Edgar, a prohibition bootlegger; Francis, a one-time hippie; Melody, a mentally unbalanced 1950s housewife; and Hector, a former carnival artist. None know why they arrived there—or if there is a way out of a world populated by monsters and filled with corruption. Just as she did in Graveminder, Marr has created a vivid fantasy world that will enthrall. Melissa

Marr's The Arrivals is a thoroughly original and wildly imagined tale about making choices in a life where death is unpredictable and often temporary.

## The Arrivals

Harper Chloe knew she shouldn't have gone into the bar last night. Now, in addition to a pounding headache and weak limbs, she's got the guilt of five years sobriety down the drain. When she wakes, she's not in the world she knows. She's in the Wasteland, a world populated by monsters and unfamiliar landscapes, in the company of people just like her, pulled to the Wasteland out of time and place, for reasons no one knows or understands. Once there, though, their mission is clear: keep the peace, protect each other, and try not to die, because sometimes, after six days of death, you might not wake up.

## Made for You

Harper Collins Eva Tilling wakes up in the hospital to discover she possesses a strange new skill—the ability to foresee people's deaths when they touch her. While she is recovering from her hit-and-run accident, Nate, an old flame, reappears, and the two must traverse their rocky past as they figure out how to use Eva's power to keep their friends—and each other—from falling into the hands of a killer. This contemporary romantic suspense novel from five-time New York Times bestselling author Melissa Marr earned widespread critical acclaim, with Kirkus Reviews calling it a "riveting whodunit that delivers a bouquet of teen romance, paranormal, and thriller." And BCCB declared, "Between the suspense, the horror, the romance, and the wit, this will have equal appeal for fans of Sarah Dessen and Rosemary Clement-Moore." A stark departure from her fantasy settings, this Southern Gothic, racy thriller gives fans old and new chilling twists, unrequited obsession, and high-stakes romance.

He and Aya may be prizefighters from the otherworldly Untamed City, but his strange, obsessive connection makes staying away from the witch-ruled human world, and Mallory, harder every day. All Mallory knows of the Untamed City is what her elders have told her—that it's full of debauchery and daimons looking to destroy her. But she knows she's being pulled toward Kaleb with an emotion so fierce that it's utterly foreign. The two are forced apart by Mallory's overprotective witch father, stranded by necessity between warring populations that can't coexist. But when The City's ruler raises the stakes of the Carnival's prize, there's nothing Mallory, Kaleb, or Aya can do to stop the two worlds colliding. Mallory's about to discover her true identity—and stumble into a fate she'd die to avoid. Fans of The Hunger Games will devour this tale of lush secrets, dark love, and the struggle to forge one's own destiny from the bestselling author of Wicked Lovely, Melissa Marr.
