The Seventh Pillar

Createspace Independent Pub Book Three in the PROJECT thriller series. A fanatical terrorist has visions of the Islamic Mahdi commanding him to begin the Apocalypse and bring about the End of Days... An ancient brotherhood of assassins hidden for centuries reappears to murder and ignite the fires of war... A truck carrying a terrible weapon leaves Sudan for the lawless mountains of Algeria and an unknown destination... The PROJECT sends Nick Carter and Selena Connor to the burning wastelands of Western Africa, the back streets of San Diego and the bitter mountains of the Hindu Kush, before a final confrontation that will decide the future of Western civilization.

DIE AKTE NOSTRADAMUS (Project 6)

Thriller

Luzifer-Verlag Verschollene Reliquien, mystische Schätze und geheimnisvolle Artefakte - begeben Sie sich zusammen mit der streng geheimen Regierungsorganisation PROJECT auf die weltumspannende Jagd nach den letzten Rätseln der Menschheit. Als ein Pariser Antiquar auf ein verschollen geglaubtes Manuskript mit Prophezeiungen des Nostradamus stößt und wenig später ermordet wird, werden Nick Carter, Selena Connor und das restliche PROJECT-Team auf die Jagd nach einem der größten Rätsel der Menschheit geschickt. Könnten

Nostradamus' Verse den Aufbewahrungsort der legendären Bundeslade beschreiben? Die Spuren führen ins Heilige Land, auf die Fährte der geheimnisvollen Tempelritter und zu einer Geheimgesellschaft, die nicht weniger als einen neuen Kreuzzug in den Mittleren Osten plant ... "Alex Lukeman schreibt mit einem sicheren Gespür für filmische Atmosphäre. Seine fesselnden Romane mit ihren griffigen Plots sind einfach absolute Hits." - MCSFilm Review Team

White Jade

Createspace Independent Publishing Platform "WHITE JADE spins a web of deceit and murder across the globe, against the backdrop of a deadly international power game. Former Recon Marine Nick Carter is a man with a dark history of emotional and physical scars. He works for the PROJECT, a covert counter-terrorism unit reporting to the President. Selena Connor is a beautiful, strong and skilled linguist. When her wealthy uncle is murdered by someone looking for an ancient book about the elixir of immortality, she's thrown into Nick's dangerous world. Nick is assigned to protect Selena and help her recover the missing text. It's the beginning of a life and death adventure reaching from San Francisco to Beijing, from Washington to the hidden chambers of Tibet. Someone is determined to take over China and attack America--and Nick and Selena are right in the line of fire. International intrigue, terrorist acts and the threat of nuclear war form the core of this fast-paced thriller, the first volume in a series featuring Nick, Selena and the PROJECT"--Author's web page.

The Alexander Cipher

Grand Central Publishing Workers in Alexandria are excavating for a new building when they discover the ruins of an old tomb, and all work crashes to a halt. According to federal law in Egypt, all discoveries must be properly catalogued by archeologists and this tomb has unusual relics and representations, apparently contemporary with Alexander the Great. Daniel Knox's first love is history and archeology, specifically on Alexander the Great. When he pisses off a local mobster on the coast of Egypt, he heads to Alexandria to an archaeology colleague's apartment to hide out for a while. He learns his friend is getting to participate on the dig for this newly discovered tomb. Sneaking in with his friend, Daniel sees signs that the find is far bigger than anyone realizes and might hold clues to finally unravelling one of the world's greatest mysteries: Where is Alexander the Great buried? In his lifetime, Alexander was beloved as a god, and across the Mediterranean, everyone wanted to be close to him. Upon his death, there was a mad scrabbling among his former allies to secure his empire for themselves. Even now, nearly 2500 years later, Alexander is still being fought over. With the discovery of this tomb and the revelation of its relics, the race is on to find Alexander. Rival archeologists, Egyptian officials, and Macedonian nationalists all scurry and scramble, attacking each other along the way as they hunt for a glorious prize--the body of Alexander the Great.

Black Harvest

Createspace Independent Pub Book Four in the PROJECT thriller series. Three world experts on crop disease discover a secret from the time of Alexander the Great and are brutally murdered... A centuries-old conspiracy plots to destroy much of the world's food supply as part of a plan for world domination... The PROJECT team must stop a traitor and prevent a world-wide disaster... The hunt for answers leads Nick Carter and Selena Connor to Greece, Bulgaria and the United States. In a series of life and death confrontations they encounter unlikely allies, an ancient legacy of bio-warfare and a cover up with ominous implications for freedom. James Campbell is a world expert in crop viruses. He discovers nine clay tablets from ancient Persia containing a clue to the location of a golden urn marked with the curse of a Greek goddess, part of treasure seized by Alexander the Great during the fall of Babylon. Then he's horribly murdered, along with two of his colleagues. Campbell has been working on a secret bio-warfare program for the Pentagon. The murders get the attention of Elizabeth Harker, Director of a covert intelligence unit called the Project. Nick Carter is The Project team leader. He struggles with old injuries and PTSD from his years as a combat Marine. Nick is deeply conflicted about his lover and teammate, Selena Connor. Selena's been with the Project for less than a year. She's having a hard time dealing with the mayhem that goes with her job and her feelings about Nick. Nick and Selena follow a bloody trail through Greece, Bulgaria and America, uncovering a heartless plan to destroy half the world's food supply, part of a strategy by a centuries-old conspiracy to achieve world domination. It will kill millions if it succeeds and time's running out--it's set to happen soon. Harker is forced to make an unheard of alliance to try and stop the plot and avoid possible war with Russia. All the while, a high-placed traitor does his best to sabotage the Project at every turn. The surprise ending foreshadows the next book in the series. BLACK HARVEST is a contemporary international thriller of intrigue, patriotism, romance and treachery. The PROJECT Series: WHITE JADE, THE LANCE, THE SEVENTH PILLAR, BLACK HARVEST. Book Five in the series will be available late in 2012.

Synbat

"Dave Riley and his Green Beret A-Team must defeat a threat shockingly inhuman. Set in the shadowy world of genetic research, Synbat stands for Synthetic Battle Form. Riley is called up for 'damage control' at a lab in the deep woods of western Tennessee. The research conducted there, under the Pentagon's secret Black Budget, is Top Secret. Until the subjects of the experiment escape. The Synbats are now roaming the countryside, acting out what they were designed to do: kill." -- Back cover

The Lair of Anubis

An ancient papyrus describing the death of Cleopatra hold clues to the secret location of the lost tomb of Alexander the Great, filled with priceless treasure.

Elizabeth Harker sends the Project team to Egypt, to find out if the tomb and treasure still exist. It doesn't take long before people start dying. A secret cult has worshipped Alexander as the Sun God for thousands of years, and they're not about to let unbelievers desecrate the tomb of their god. They'll stop at nothing to prevent it. Nick and Selena are getting older, their bodies starting to show the effects of too many battles and too many wounds. With two children to worry about, maybe it's time to quit. But neither one of them is quite ready to give up the adrenaline fueled lifestyle they've been addicted to for years. It's a decision they need to make soon. But first they have to get through this mission, with no guarantee they'll survive.

High Alert

Createspace Independent Publishing Platform When an American missile submarine is sunk in the Sea of Japan, it's the opening move in a madman's plan to plunge the world into war. A day later the Chinese ambassador to Washington is assassinated. Meanwhile, the unstable leader of North Korea prepares to attack America with a terrible weapon. The U.S. President calls in the Project, a deep black ops unit that goes places and does things others can't or won't do. They've had tough assignments before: but this time they're up against an unknown enemy, a man bent on vengeance against all of humanity. He won't rest until the world is turned into a radioactive hell... and when it comes to the Project, it's personal. Can the Project team find him before he unleashes nuclear Armageddon?

The Eye of Shiva

Createspace Independent Pub On a mission to the Philippines Nick Carter of the Project finds ancient gold coins in a terrorist stronghold. The terrorists have been using the gold to buy weapons. Where did the coins come from? The discovery sets the Project team on a collision course with a ruthless terrorist who dreams of an Islamic Caliphate in India and a dying spy from India's CIA seeking revenge for the murder of his wife and son. All the while, a secret global conspiracy is manipulating events from behind the scenes. The conspirators want to provoke war between Pakistan and India and launch a nuclear missile at China. Clues hint that the gold coins are part of a legendary treasure looted from India in the 18th century by a Persian King. Among the stolen artifacts is a mystical jewel known as the Eye of Shiva. One man is obsessed with finding it and fulfilling a prophecy predicting the destruction of India's enemies. Nick and his lover Selena struggle with their doubts about each other even as they risk their lives against murderous enemies. As the war drums grow louder and tensions rise on the sub-continent, Nick and Selena are caught in a race against time to stop a nuclear war that will devastate China, Pakistan and India. The Eye of Shiva is a fast moving story of love, revenge and intrigue, guaranteed to keep you turning pages.

The Black Templar

Project The Project is in transition, their future in doubt. Selena Connor is no longer part of the active field unit, and she misses the action and excitement. When she's approached to translate a thirteenth century Templar document written in code, she jumps at the chance. The document reveals a clue to the location of the legendary Templar treasure, lost for seven hundred years. Nick and Selena follow the clue to Portugal, thinking they'll get a little vacation time while they search for something to tell them what happened to the treasure. But the vacation turns into a nightmare and launches the Project team on another deadly race against time. There's something hidden with the gold, and if the Project can't prevent it from falling into the hands of the Black Templars, a terrible darkness will descend upon the world. Can they succeed against the odds?

Solomon's Gold

Createspace Independent Publishing Platform An ancient scroll written in code is discovered in a New York museum. Selena Connor is called in to break the code and translate the writing. She's a world-class linguist, a member of the secretive, covert operations team known as the Project. The scroll reveals clues to a treasure collected by King Solomon to build and maintain the First Jewish Temple. Hidden somewhere in the desert lands of Israel is a vast hoard of gold, the heritage of a nation. Director Harker of the Project sends the team out to discover where the treasure is hidden. Selena is determined to quit the dangers of the field, but this looks like a pleasant change from the usual mission. It's just a simple archaeological expedition, after all. But nothing that involves the Project is ever simple. Betrayal, murder, and vicious enemies stalk the expedition, as Selena and her teammates follow the clues revealed by the scroll. Meanwhile, back in New York where it all began, a sinister plan is unfolding. Will the Project survive their enemies and find Solomon's gold? Can they stop a plot to kill two of the world's most important leaders and thousands of unsuspecting victims? The issue is in doubt...
