### The Prose Reader

### Essays for Thinking, Reading, and Writing

This rhetorical reader is designed to help individuals improve their abilities to think, read, and write on progressively more sophisticated levels. It features a collection of 56 provocative, interesting, rhetorically organized essays accompanied by clear, well-developed rhetorical introductions, sample essays, and carefully sequenced prereading and prewriting questions, comprehension questions, and writing projects. Contains essays representing the four main purposes of writing — description, narration, exposition, persuasion. Organizes essays to reflect progressively more sophisticated levels of thinking, reading, and writing. The essays cover a broad range of contemporary topics and portray the universality of human experience as expressed through the viewpoints of men and women, many different ethnic and racial groups, and a variety of ages and social classes. Presents biographical information about the authors — explaining the real experiences from which the essay emerged poses provocative prereading questions that help readers focus on the purpose, audience, and subject of the essay. Provides complete sample essays illustrating each rhetorical pattern, accompanied by the writer's own thorough analysis of the writing experience — explaining the most enjoyable, exasperating, or noteworthy aspects of writing that particular essay. For anyone interested in refining their basic composition skills.

## Fantasy Media in the Classroom

### Essays on Teaching with Film, Television, Literature, Graphic Novels and Video Games

**McFarland** A common misconception is that professors who use popular culture and fantasy in the classroom have abandoned the classics, yet in a variety of contexts—high school, college freshman composition, senior seminars, literature, computer science, philosophy and politics—fantasy materials can expand and enrich an established curriculum. The new essays in this book combine analyses of popular television shows including Buffy the Vampire Slayer; such films as The Matrix, The Dark Knight and Twilight; Watchmen and other graphic novels; and video games with explanations of how best to use them in the classroom. With experience-based anecdotes and suggestions for curricula, this collection provides a valuable pedagogy of pop culture.

## Children's and YA Books in the College Classroom

### Essays on Instructional Methods

**McFarland** Using children's and young adult literature is a great way to enhance a variety of college classes in fields as varied as biology, computer game development, political science and history. This collection of new essays by educators from a number of disciplines describes how to use such works as Where the Wild Things Are, The Tale of Peter Rabbit, Swamp Thing, Percy Jackson, and Harry Potter to introduce complex concepts and spark interest in difficult subjects. The contributors describe innovative teaching strategies using dystopian fiction, graphic narratives, fairy tales and mythology. Often overlooked or dismissed by teachers, children's literature can support student learning by raising levels of academic rigor, creativity and critical thinking.

Reading Like a Writer

A Guide for People Who Love Books and for Those Who Want to Write Them

**Union Books** DIV In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour and wisdom, Reading Like a Writer will inspire readers to return to literature with a fresh eye and an eager heart – to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue and to Flannery O’Connor for the cunning use of the telling detail; to be inspired by Emily Brontë’s structural nuance and Charles Dickens’s deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. /div

## Patterns Plus

## A Short Prose Reader with Argumentation

**HOUGHTON MIFFLIN** Arranged rhetorically, this anthology of short essays and paragraphs suits both essay-level developmental writing and freshman composition courses. Each chapter focuses on a different rhetorical mode, from narration and description to process writing. Three features make Patterns Plus a perennial best-seller: an engaging mix of nonfiction, fiction, and student essays with a careful consideration of multicultural issues; a strong pedagogical apparatus that helps develop comprehension, analytical, and writing skills; and clear presentation of the writing process and paragraph/essay structure. The Ninth Edition includes new student readings, as well as works by well-known writers such as Thomas Friedman, Walter Kirn, and Anna Quindlen. Updated pedagogical tools offer developmental students exactly what they need to master the content, including pre-reading, vocabulary, and post-reading questions that test comprehension and encourage critical analysis of each selection.
