## The Thinking Woman's Guide to a Better Birth

**Penguin As an intelligent woman, you are probably used to learning as much as you can before making major decisions. But when it comes to one of the most important decisions of your life--how you will give birth—it is hard to gather accurate, unbiased information. Surprisingly, much of the research does not support common medical opinion and practice. Birth activist Henci Goer gives clear, concise information based on the latest medical studies. The Thinking Woman's Guide to a Better Birth helps you compare and contrast your various options and shows you how to avoid unnecessary procedures, drugs, restrictions, and tests. The book covers: Cesareans Breech babies Inducing labor Electronic Fetal Monitoring Rupturing Membranes Coping with slow labor Pain medication Epistiotomy Vaginal birth after a Ceasarean Doulas Deciding on a doctor or midwife Choosing where to have your baby and much more . . .**

# The Thinking Woman's Guide to Real Magic

## A Novel

**Penguin** An imaginative story of a woman caught in an alternate world—where she will need to learn the skills of magic to survive. Nora Fischer's dissertation is stalled and her boyfriend is about to marry another woman. During a miserable weekend at a friend's wedding, Nora wanders off and walks through a portal into a different world where she's transformed from a drab grad student into a stunning beauty. Before long, she has a set of glamorous new friends and her romance with gorgeous, masterful Raclin is heating up. It's almost too good to be true. Then the elegant veneer shatters. Nora's new fantasy world turns darker, a fairy tale gone incredibly wrong. Making it here will take skills Nora never learned in graduate school. Her only real ally—and a reluctant one at that—is the magician Aruendiel, a grim, reclusive figure with a biting tongue and a shrouded past. And it will take her becoming Aruendiel's student—and learning magic herself—to survive. When a passage home finally opens, Nora must weigh her "real life" against the dangerous power of love and magic. For lovers of Lev Grossman's *The Magicians* series (*The Magicians* and *The Magician King*) and Deborah Harkness's *All Souls Trilogy* (*A Discovery of Witches* and *Shadow of Night*).

## Choosing Single Motherhood

### The Thinking Woman's Guide

**Houghton Mifflin Harcourt** Provides information and advice for women choosing to become single mothers, and includes interviews with family therapists and single mothers on the topic.

## He Comes Next

**Harper Collins** Transform Yourself from "Passion Victim" to Passionista! In the smash hit *She Comes First*, Ian Kerner singlehandedly waged battle against male sexual "ill-cliteracy," and women everywhere benefited from his "viva la

vulva" philosophy of female pleasure. Now, in *Passionista*, it's time to learn all about what turns men on—and makes them stay on. In this point-by-point, "blow-by-blow" guide, Kerner makes giving as much fun as receiving as he covers every angle of male sexuality, unlocks the secrets of satisfaction, and offers knowledgeable answers to the questions every woman wonders about. His advice is the closest you'll ever come to waking up in a guy's skin and knowing what truly makes him sexually tick. Written in the same witty, insightful, and utterly readable voice that has made *She Comes First* and *Be Honest—You're Not That Into Him* either so popular, *Passionista* is the empowered woman's guide to enjoying sex to the fullest—and ensuring that he does the same.

## Unrequited

# The Thinking Woman's Guide to Romantic Obsession

Harper Collins Blending memoir, literary exposition, and revealing case studies, *Unrequited* is a powerful, surprising, and empathetic cultural and psychological exploration of one-sided romantic obsession. The summer Lisa A. Phillips turned thirty, she fell in love with someone who didn't return her feelings. She soon became obsessed. She followed him around, called him compulsively, and talked about him endlessly. One desperate morning, after she snuck into his apartment building, he picked up a baseball bat to protect himself and began to dial 911. Her unrequited love had changed her from a sane, conscientious college teacher and radio reporter into someone she barely recognized—someone who was taking her yearning much too far. In *Unrequited*, Phillips explores the tremendous force of obsessive love in women's lives. She argues that it needs to be understood, respected, and channeled for personal growth—yet it also has the potential to go terribly awry. Interweaving her own story with frank interviews and in-depth research in science, psychology, cultural history, and literature, Phillips describes how romantic obsession takes root, grows, and strongly influences our thoughts and behaviors. Going beyond images of creepy, fatally attracted psychos, male fantasies of unbridled female desire, and the platitudes of self-help books, Phillips reveals a powerful, troubling, and surprisingly common phenomenon. As she illuminates this mysterious psychological experience, placing it in a rich and nuanced context, she offers compelling insights to help any woman who has experienced unrequited obsessive love and been mystified and troubled by its grip.

# How to Talk to a Goddess and Other Lessons in Real Magic

**Clever, lush, and riveting, this sequel to The Thinking Woman's Guide to Real Magic opens a new portal to a brilliantly realized world of enchantment, love, and danger.**

## She Comes First

## The Thinking Man's Guide to Pleasuring a Woman

**Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. 'It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the greatest gifts of love a man can bestow upon a woman.' Ian Kerner**

## What Was He Thinking?

## The Woman's Guide to a Man's Mind

**Baker Books Relationship and communication expert Mike Bechtle offers women an insider's guide to the puzzling male brain. Simple and practical, this book provides women with a roadmap for better conversations and improved relationships. Bechtle explains how men think, act, communicate, and grow in relationships, and even offers tips for**

communicating in a toxic relationship. Wives, girlfriends, mothers, daughters, friends, and coworkers will find real help within these pages.

## Born in the USA

# How a Broken Maternity System Must Be Fixed to Put Women and Children First

Univ of California Press **Born in the USA** examines issues including midwifery and the safety of out-of-hospital birth, how the process of becoming a doctor can adversely affect both practitioners and their patients, and why there has been a rise in the use of risky but doctor-friendly interventions, including the use of Cytotec, a drug that has not been approved by the FDA for pregnant women. Most importantly, this investigation, supported by many troubling personal stories, explores how women can reclaim the childbirth experience for the betterment of themselves and their children."--Jacket.

## Pregnancy, Birth, And The Early Months

## A Complete Guide

Addison Wesley Publishing Company

# The Thinking Woman's Guide to Breast Cancer

## Take Charge of Your Recovery and Remission

**Dr. Maker's book is designed to empower breast cancer patients to go beyond the current one-size-fits-all "standard of care" and make the decisions that are best suited for themselves and their loved ones. Because of her research background, Dr. Maker was able to uncover a great deal of information that is not commonly known to patients. This information helped her tremendously through her bout with breast cancer and remission, and it can help you. This is the story of Dr. Maker's journey and the book she wished she had when she needed it. Current treatments such as surgery, chemotherapy, radiation, and hormone therapy are not always successful: 40,000 women die every year in the United States after undergoing treatment, and many more are harmed by serious side effects. In order to make informed decisions, patients need to understand all the treatment options and survival rates, and all the side effects. Readers may not make the same choices as Dr. Maker did, but the information she lays out will enable them to make choices that are best for themselves.**

## Obstetric Myths Versus Research Realities

### A Guide to the Medical Literature

**Greenwood Publishing Group Anyone working to improve the childbearing experience and help women avoid unnecessary intervention has encountered numerous obstetric myths or old doctors' tales. And while the evidence in the medical literature may be solidly, often unequivocally, against whatever the doctor said, without access to that evidence, the pregnant woman is quite reasonably going to follow her doctor. This book is an attempt to make the medical literature on a variety of key obstetric issues accessible to people who lack the time, expertise, access, or proximity to a medical library to research concerns on their own. This compact, accurate, yet understandable reference is designed for people without medical training and organized for easy access. After an introductory chapter giving basic information about the different types of medical studies, how to evaluate them, and some basic statistical concepts, Goer provides chapters on cesarean issues, pregnancy and labor management, and a review of alternative approaches. Each chapter begins with a stated myth, followed by an examination of the reality. Goer then analyzes the**

mainstream belief, pointing out its fallacies. Then comes a list of significant points gleaned from the studies and keyed to her abstracts. Next is the outline by which the abstracts are grouped. Finally come the numbered abstracts of relevant articles published, in most cases, after 1980. The book concludes with a glossary of medical terms and an index. This compact, accurate, and understandable reference tool is designed for people without medical training as well as care givers.

## Pushed

# The Painful Truth About Childbirth and Modern Maternity Care

**Da Capo Press** A groundbreaking narrative investigation of childbirth in the age of machines, malpractice, and managed care, **Pushed** presents the complete picture of maternity care in America. From inside the operating room of a hospital with a 44% Cesarean rate to the living room floor of a woman who gives birth with an illegal midwife, **Block** exposes a system in which few women have an optimal experience. **Pushed** surveys the public health impact of routine labor inductions, C-sections, and epidurals, but also examines childbirth as a women's rights issue: Do women even have the right to choose a normal birth? Is that right being upheld? A wake-up call for our times, **Block's** gripping research reveals that while emergency obstetric care is essential, we are overusing medical technology at the expense of maternal and infant health.

## Cool Women

To celebrate the launch of **The Cool Women Series**, **Girl Press** re-releases an updated version of the award-winning bestseller, **Cool Women**. With a new foreword by **The View's** **Lisa Ling** and updated info on the coolest women in history, the ultimate book of role models for girls is back, and just as smart & sassy as the women who are its subject. Breezy writing and high design make it all fun and accessible -- a girl reading **Cool Women** will come away thinking that **Madame Curie** was brilliant, sure, but also that **Madame Curie** rocked.

# The Magicians

## A Novel

**Penguin The New York Times bestselling novel about a young man practicing magic in the real world, now an original series on SYFY “The Magicians is to Harry Potter as a shot of Irish whiskey is to a glass of weak tea. . . . Hogwarts was never like this.” —George R.R. Martin “Sad, hilarious, beautiful, and essential to anyone who cares about modern fantasy.” —Joe Hill “A very knowing and wonderful take on the wizard school genre.” —John Green “The Magicians may just be the most subversive, gripping and enchanting fantasy novel I’ve read this century.” —Cory Doctorow “This gripping novel draws on the conventions of contemporary and classic fantasy novels in order to upend them . . . an unexpectedly moving coming-of-age story.” —The New Yorker “The best urban fantasy in years.” —A.V. Club** Quentin Coldwater is brilliant but miserable. A high school math genius, he’s secretly fascinated with a series of children’s fantasy novels set in a magical land called Fillory, and real life is disappointing by comparison. When Quentin is unexpectedly admitted to an elite, secret college of magic, it looks like his wildest dreams have come true. But his newfound powers lead him down a rabbit hole of hedonism and disillusionment, and ultimately to the dark secret behind the story of Fillory. The land of his childhood fantasies turns out to be much darker and more dangerous than he ever could have imagined. . . . The prequel to the New York Times bestselling book *The Magician King* and the #1 bestseller *The Magician's Land*, *The Magicians* is one of the most daring and inventive works of literary fantasy in years. No one who has escaped into the worlds of Narnia and Harry Potter should miss this breathtaking return to the landscape of the imagination.

## How to Be Beautiful

# The Thinking Woman's Guide

**Vermillion** Being a beauty editor is a bit like being a doctor: wherever you go people are always asking 'What should I do about this patch of dry skin?'; 'What's the fashionable eyebrow shape?'; 'Do the latest anti-ageing creams really work?' But Baird-Murray has turned this to her advantage to write the first book that gives you the inside track: the knowledge that only models and the best connected people in the industry can hope to have. Packed with practical information, the book tells you how to get the hairstyle you want, and the colour; explains which shampoos and hair treatments work and why; discusses skin care routines and facials (including fillers and fixers); key make-up tips from the best make-up consultants in the world, right down to how to choose the right perfume. If you've ever wanted to look just a little bit better this is the book for you!

## Optimal Care in Childbirth

## The Case for a Physiologic Approach

**Meticulously documented, Optimal Care in Childbirth** pulls back the curtain on medical-model management of childbirth. Written for those who want to practice according to the best evidence, assist women in making informed decisions, or advocate for maternity care reforms, it provides an in-depth analysis of the evidence basis for physiologic care.

## A Tired Woman's Guide to Passionate Sex

## Reclaim Your Desire and Reignite Your Relationship

**Simon and Schuster "Honey, I'm too tired"** may sound like just another excuse—but for millions of American women, it's simply the truth. They may settle for no sex at all or the obligatory "I'd better do this for my marriage" sex—often to the detriment of their relationships. In this guide, Dr. Laurie B. Mintz shows women how to bring their libido back to

life—and put the passion back into their lives. Mintz, a psychologist and sex expert, has been there, both personally and professionally. She shares her own story, as well as the stories of her many clients, as she puts forward her foolproof five-step plan designed to excite and energize even the weariest of stressed-out women. Complete with case studies and exercises, this sex-cure-in-a-book is all readers need to feel strong, sexy, and sensual again!

## When the Polls Lie

## 100 Reader's Opinions the Thinking Woman's Guide to a Better Birth

**Lennox** In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "The Thinking Woman's Guide to a Better Birth." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

## Power Up for Profits

## The Smart Woman's Guide to Online Marketing

Millions of women are launching online businesses. **Power Up for Profits** is the first book written exclusively for women who want to leverage the power of the Internet to reach a global audience and build a successful business with integrity, heart, and massive success. Kathleen Gage has been actively marketing on the Internet since 1994, building a multiple six figure business and a stellar reputation for honesty, outstanding content, and success. She's taught thousands her internet marketing methods in seminars and trainings. For the first time, Gage's signature tips and techniques are organized into one easy to read book. Filled with step-by-step instructions, entertaining stories, and

the heart centered business acumen women crave, **Power Up for Profits** includes state of the art information on blogging and social media website creation and traffic generation joint ventures and affiliate partnerships packaging information in products and services marketing strategy specifically for women entrepreneurs If you relish the thought of how the Internet can help you share your message with the world, create a profitable business, and enjoy the freedom of entrepreneurship, **Power Up for Profits** is the book for you. "Kathleen Gage clearly understands two things: Power and Profit. While this book allows you to use your passions and creativity to find a wealthy path in business it doesn't allow you to get bogged down in the BS of "how." It's clear. It's step by step. AND it's funny and compassionate. This is a must read for any woman ready to build a business (with lots of profits)." Suzanne Evans - Suzanne Evans Coaching "Follow these simple steps and become the successful, prosperous, and happy business owner you are meant to be!" Janet Bray Attwood - New York Times Bestselling Author - The Passion Test "Simply enlightening...gives you a step-by-step process to create a great big beautiful impact for your clients... and in your bank account, too. Read it!" Dr. Joe Vitale - Bestselling author - Hypnotic Writing "Power Up for Profits! is the perfect blend needed to create a successful online business. Follow Kathleen's advice and watch your profits soar." Peggy McColl - New York Times Bestselling Author - Dynamic Destinies Inc. "For the first time, a book outlines in simple, easy-to-understand, and usable terms, the most powerful yet overlooked combination of true spiritual principles and sound marketing strategies." Eva Gregory - Leading Edge Coaching & Training "Looking for no-fluff marketing training? You found it in this gem of a book! Kathleen's practical steps make it simple to market and grow a business that is a perfect - and profitable - expression of YOU!" Kendall SummerHawk - International Association of Women in Coaching

## The Thinking Girl's Guide to the Right Guy

## How Knowing Yourself Can Help You Navigate Dating, Hookups, and Love

Guilford Publications Why can't I get a guy to like me? Should I hook up with him? How can I make this relationship work?While young women today are more savvy and independent than ever, most still want a partner--someone to share a romance with, or maybe even a lifetime. But all too often, their relationships crash and burn. This empowering

guide shows women how to shift focus, so instead of trying to be what he wants, they can figure out what they need to be happy and fulfilled--and whether he has what it takes. Vivid, realistic stories of diverse women in their 20s are interwoven with evidence-based tools designed to help readers build confidence and achieve their goals. An exciting, caring, and respectful relationship is possible--here's how to take control and make it happen.

## Economy and State

**John Wiley & Sons Should governments be involved in economic affairs? Challenging prevailing wisdom about the benefits of self-regulating markets, Nina Bandelj and Elizabeth Sowers offer a uniquely sociological perspective to emphasize that states can never be divorced from economy. From defining property rights and regulating commodification of labor to setting corporate governance standards and international exchange rules, the state continuously manages the functioning of markets and influences economic outcomes for individuals, firms and nations. The authors bring together classical interventions and cutting-edge contemporary research in economic sociology to discuss six broad areas of economy/state connection: property, money, labor, firms, national economic growth, and global economic exchange. A wealth of empirical examples and illustrations reveals that even if the nature of state influence on economy varies across contexts, it is always dependent on social forces. This accessible and engaging book will be essential reading for upper-level students of economic sociology, and those interested in the major economic dilemmas of our times. .**

## Gentle Birth Choices

**Healing Arts Press Birth as every woman would like it to be • Recommended by Lamaze International as one of the top ten books for pregnant women and their families • Includes a 45-minute DVD of six live gentle births • More than 32,000 copies sold of the original edition New parents are faced with a myriad of choices about pregnancy, labor, and birth. In Gentle Birth Choices Barbara Harper, renowned childbirth advocate, nurse, former midwife, and mother of three, helps to clarify these choices and shows how to plan a meaningful, family-centered birth experience. She dispels medical myths and reimagines birth without fear, pain, or violence. Harper explains the numerous gentle birth choices available, including giving birth in an independent birth center, at home, or in a hospital birthing room; finding a primary caregiver who shares your philosophy of birth; and deciding how to best use current technologies. She also**

provides practical advice for couples wishing to explore the option of using a doula or water during labor and birth to avoid the unwanted effects of drugs and epidurals. The Gentle Birth Choices DVD blends interviews with midwives and physicians and six actual births that illustrate the options of water birth, home birth, and vaginal birth after a prior Cesarean section. The DVD clearly reveals the strength of women during childbirth and the healthy and happy outcome of women exercising gentle birth choices. It is a powerful instructional tool, not only for expectant parents, but also for midwives, hospitals, birth centers, and doctors.

## The Thinking Woman's Guide to Real Magic

Pamela Dorman Books Wandering through a portal into a different world where she is transformed into a stunning beauty, Nora pursues a romance with the masterful Raclin only to see her elegant fantasy world shattering, forcing her to learn magical skills to survive.

## Your Best Birth

## Know All Your Options, Discover the Natural Choices, and Take Back the Birth Experience

Grand Central Life & Style The national C-section rate is at an all-time high of 31 percent. Are all these C-sections necessary, or are some of them done simply for the sake of convenience? Inductions seem to be the norm, but are they always needed? Today, expectant mothers are often left feeling powerless, as their instincts are replaced by drugs and routine medical procedures. What you are about to discover is that you have a choice, and you have the power to plan the kind of birth that's right for you-whether it is at a birth center, a hospital, or at home. In YOUR BEST BIRTH, internationally known advocates of informed choice Ricki Lake and Abby Epstein inspire women to take back the birth experience, with essential advice on: · Positive and negative effects of epidurals, Pitocin, and other drugs and interventions · Inducing vs. allowing your labor to progress naturally · The truth behind our country's staggering C-section rate · Assembling your birth team and creating your birth plan. With chapters such as "Obstetricians: Finding

**Dr. Right," "Epidurals: You Haven't Got Time for the Pain," and "Electronic Monitors: Reading between the Lines," Lake and Epstein will encourage you to consider whatever your doctor, mother, and best friend may suggest in a new light. The book also includes inspiring birth stories, including those from well-known personalities, such as Laila Ali and Cindy Crawford. Packed with crucial advice from childbirth professionals, and delivered in a down-to-earth, engaging voice, YOUR BEST BIRTH is sure to renew your confidence and put the control back where it belongs: with parents-to-be! "Abby Epstein and Ricki Lake have taken a wonderful and constructive approach to ensuring an optimal birthing experience. Their language creates a 'climate of confidence' for pregnant women and their families, who must make key decisions about where, how and with whom to give birth in a health care system often unresponsive to our needs. This book is like a good friend giving wise counsel." --Judy Norsigian, co-editor of Our Bodies, Ourselves: Pregnancy and Birth and Executive Director, Our Bodies Ourselves**

## Positive Thinking 101

# Positive Thinking for Beginners - Positive Thinking Guide - How to Stop Negative Thinking

**CreateSpace Life is full of challenges. There are times when you will feel like you've done everything to the best of your ability, but in the end, it still didn't work. Have you ever wondered why? Was it because life is unfair, or was it because you were actually "expecting the worst"? Have you considered expecting the best instead? You may think, "Of course, I considered great things to happen!," but science says otherwise. People who are preparing for something are found to be thinking more of the bad things that could happen than the positive outcomes. More often than not, thinking about unfortunate events actually make it happen. Hoping that you will not be late for a meeting will cause you to be late. Thinking of saying a complex sentence inappropriately actually makes you tongue-tied. Do you know why? It is because your thoughts have the power to change things and events. In this book, you will learn how to master positive thinking by learning about the power of thought and the Law of Attraction. With these core principles, this book will teach you ways on how to think positively by hacking your body, your speech, and your actions. You will know about scientific studies that proved the benefits of positive thinking. You will also be introduced to the**

successful life teachers who used positivity to become successful. Finally, you will be provided with step-by-step guides on how you can do it yourself. You are on your way to becoming a positive person who will enjoy living a good life by spreading the positive vibrations to the world! After downloading this book you will learn... Chapter 1: The Power of Thought Chapter 2: Mind over Body: The Power of Expectation Chapter 3: Mind over Matter: The Power of Intention Chapter 4: Mind over Society: The Power of Mental Communication Chapter 5: The Law of Attraction Chapter 6: Become a Positive Thinker: Start with Your Body Chapter 7: Become a Positive Speaker Chapter 8: Become a Positive Doer And Much, much more!

## The Dance of Intimacy

## A Woman's Guide to Courageous Acts of Change in Key Relationships

HarperThorsons This guide outlines the steps women, as well as men, can take to strengthen good relationships and heal difficult ones. It is also available on two 90-minute audio-cassettes from HarperAudio.

## The Good Girl's Guide to Being a D\*ck

## The Art of Saying What You Want and Getting the Life You Deserve

Grand Central Publishing **THE INTERNATIONALLY BESTSELLING NO-NONSENSE GUIDE THAT WILL TRANSFORM YOUR LIFE.** Stop worrying about being nicer, calmer, or more patient. Be a d\*ck. For author Alexandra Reinwarth, it all began when she told off a toxic friend. Realizing this person was making her life miserable, she ditched her. This one small act of rebellion sparked a huge change in the way Alexandra forever dealt with social guilt about everything. Ever

struggle with how you are as a person as a friend or a coworker as a partner or a mother as a daughter-in-law? **THE GOOD GIRL'S GUIDE TO BEING A D\*CK** will teach you how to embrace your inner jerk, guiding you through who and what to get rid of from your life, stop worrying about what others think, and how the seemingly small things in life can have a huge impact on the quality of your everyday living. You'll learn how to embrace your own needs and desires to live the life you've always wanted. For any woman who has felt that familiar agony of saying "no"--this book is for you.

## Being Logical

### A Guide to Good Thinking

**Random House** An essential tool for our post-truth world: a witty primer on logic—and the dangers of illogical thinking—by a renowned Notre Dame professor Logic is synonymous with reason, judgment, sense, wisdom, and sanity. Being logical is the ability to create concise and reasoned arguments—arguments that build from given premises, using evidence, to a genuine conclusion. But mastering logical thinking also requires studying and understanding illogical thinking, both to sharpen one's own skills and to protect against incoherent, or deliberately misleading, reasoning. Elegant, pithy, and precise, *Being Logical* breaks logic down to its essentials through clear analysis, accessible examples, and focused insights. D. Q. McInerney covers the sources of illogical thinking, from naïve optimism to narrow-mindedness, before dissecting the various tactics—red herrings, diversions, and simplistic reasoning—the illogical use in place of effective reasoning. An indispensable guide to using logic to advantage in everyday life, this is a concise, crisply readable book. Written explicitly for the layperson, McInerney's *Being Logical* promises to take its place beside Strunk and White's *The Elements of Style* as a classic of lucid, invaluable advice. Praise for *Being Logical* "Highly readable . . . D. Q. McInerney offers an introduction to symbolic logic in plain English, so you can finally be clear on what is deductive reasoning and what is inductive. And you'll see how deductive arguments are constructed."—*Detroit Free Press* "McInerney's explanatory outline of sound thinking will be eminently beneficial to expository writers, debaters, and public speakers."—*Booklist* "Given the shortage of logical thinking, And the fact that mankind is adrift, if not sinking, It is vital that all of us learn to think straight. And this small book by D.Q. McInerney is great. It follows therefore since we so badly need it, Everybody should not only but it, but read it." —Charles Osgood

# India Today

## Economy, Politics and Society

**John Wiley & Sons** Twenty years ago India was still generally thought of as an archetypal developing country, home to the largest number of poor people of any country in the world, and beset by problems of low economic growth, casteism and violent religious conflict. Now India is being feted as an economic power-house which might well become the second largest economy in the world before the middle of this century. Its democratic traditions, moreover, remain broadly intact. How and why has this historic transformation come about? And what are its implications for the people of India, for Indian society and politics? These are the big questions addressed in this book by three scholars who have lived and researched in different parts of India during the period of this great transformation. Each of the 13 chapters seeks to answer a particular question: When and why did India take off? How did a weak state promote audacious reform? Is government in India becoming more responsive (and to whom)? Does India have a civil society? Does caste still matter? Why is India threatened by a Maoist insurgency? In addressing these and other pressing questions, the authors take full account of vibrant new scholarship that has emerged over the past decade or so, both from Indian writers and India specialists, and from social scientists who have studied India in a comparative context. *India Today* is a comprehensive and compelling text for students of South Asia, political economy, development and comparative politics as well as anyone interested in the future of the world's largest democracy.

## The Thinking Woman's Guide to a Better Birth

**Penguin** As an intelligent woman, you are probably used to learning as much as you can before making major decisions. But when it comes to one of the most important decisions of your life--how you will give birth—it is hard to gather accurate, unbiased information. Surprisingly, much of the research does not support common medical opinion and practice. Birth activist Henci Goer gives clear, concise information based on the latest medical studies. *The Thinking Woman's Guide to a Better Birth* helps you compare and contrast your various options and shows you how to avoid unnecessary procedures, drugs, restrictions, and tests. The book covers: Cesareans Breech babies Inducing labor

**Electronic Fetal Monitoring Rupturing Membranes Coping with slow labor Pain medication Epistiotomy Vaginal birth after a Ceasarean Doulas Deciding on a doctor or midwife Choosing where to have your baby and much more . . .**

## Why Men Love Bitches

### From Doormat to Dreamgirl—A Woman's Guide to Holding Her Own in a Relationship

**Simon and Schuster Do you feel like you are too nice? Sherry Argov's Why Men Love Bitches delivers a unique perspective as to why men are attracted to a strong woman who stands up for herself. With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask: · Why are men so romantic in the beginning and why do they change? · Why do men take nice girls for granted? · Why does a man respect a woman when she stands up for herself? Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," Why Men Love Bitches gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only increase the romantic chemistry—you'll gain your man's love and respect with far less effort.**

## An Excellent Choice

### Panic and Joy on My Solo Path to Motherhood

**Penguin From the author of She Left Me The Gun, an explosive and hilarious memoir about the exceptional and life-changing decision to conceive a child on one's own via assisted reproduction When British journalist, memoirist, and New York-transplant Emma Brockes decides to become pregnant, she quickly realizes that, being single, 37, and in the**

early stages of a same-sex relationship, she's going to have to be untraditional about it. From the moment she decides to stop "futzing" around, have her eggs counted, and "get cracking"; through multiple trials of IUI, which she is intrigued to learn can be purchased in bulk packages, just like Costco; to the births of her twins, which her girlfriend gamely documents with her iPhone and selfie-stick, Brockes is never any less than bluntly and bracingly honest about her extraordinary journey to motherhood. She quizzes her friends on the pros and cons of personally knowing one's sperm donor, grapples with esoteric medical jargon and the existential brain-melt of flipping through donor catalogues and conjures with the politics of her Libertarian OB/GYN—all the while exploring the cultural circumstances and choices that have brought her to this point. Brockes writes with charming self-effacing humor about being a British woman undergoing fertility treatment in the US, poking fun at the starkly different attitude of Americans. Anxious that biological children might not be possible, she wonders, should she resent society for how it regards and treats women who try and fail to have children? Brockes deftly uses her own story to examine how and why an increasing number of women are using fertility treatments in order to become parents—and are doing it solo. Bringing the reader every step of the way with mordant wit and remarkable candor, Brockes shares the frustrations, embarrassments, surprises, and, finally, joys of her momentous and excellent choice.

## Pregnancy, Childbirth, and the Newborn

### The Complete Guide

Da Capo Lifelong Books Available for the first time in full color, the up-to-date and authoritative pregnancy guide that has sold 1.5 million copies--by recognizing that "one size fits all" doesn't apply to maternity care Parents love this book because it puts them in control; experts love it because it's based on the latest medical research and recommendations from leading health organizations. *Pregnancy, Childbirth, and the Newborn* provides the information and guidance you need to make informed decisions about having a safe and satisfying pregnancy, birth, and postpartum period--decisions that reflect your preferences, priorities, and values. Unlike pregnancy guides that can overwhelm and alarm by telling you up front all the things that can possibly go wrong, this book first describes normal, healthy processes, their typical variations, and the usual care practices for monitoring them. Only then does it cover possible complications and the care practices and procedures for resolving them. Throughout, the presentation is crystal-clear,

the tone is reassuring, and the voice is empowering. And the language is inclusive, reflecting today's various family configurations such as single-parent families, blended families formed by second marriages, families with gay and lesbian parents, and families formed by open adoption or surrogacy. From sensible nutrition advice to realistic birth plans, from birth doulas when desired to cesareans when needed, from reducing stress during pregnancy to caring for yourself as well as your baby after birth, this pregnancy guide speaks to today's parents-to-be like no other.

## Why Men Marry Bitches

## The Nice Woman's Guide to Getting and Keeping a Man's Heart

David & Charles Publishers Traditional Chinese edition of Why Men Marry Bitches: A Woman's Guide to Winning Her Man's Heart. Note: the word "bitch" simply means strong women. In Chinese. Distributed by Tsai Fong Books, Inc.

## The Woman They Could Not Silence

## The Timeless Story of One Woman's Journey to Be Heard

Sourcebooks From the New York Times, USA Today, and Wall Street Journal bestselling author of The Radium Girls comes another dark and dramatic but ultimately uplifting tale of a forgotten woman whose inspirational journey sparked lasting change for women's rights and exposed injustices that still resonate today. 1860: As the clash between the states rolls slowly to a boil, Elizabeth Packard, housewife and mother of six, is facing her own battle. The enemy sits across the table and sleeps in the next room. Her husband of twenty-one years is plotting against her because he feels increasingly threatened--by Elizabeth's intellect, independence, and unwillingness to stifle her own thoughts. So Theophilus makes a plan to put his wife back in her place. One summer morning, he has her committed to an insane asylum. The horrific conditions inside the Illinois State Hospital in Jacksonville, Illinois, are overseen by Dr. Andrew

**McFarland, a man who will prove to be even more dangerous to Elizabeth than her traitorous husband. But most disturbing is that Elizabeth is not the only sane woman confined to the institution. There are many rational women on her ward who tell the same story: they've been committed not because they need medical treatment, but to keep them in line--conveniently labeled "crazy" so their voices are ignored. No one is willing to fight for their freedom and, disenfranchised both by gender and the stigma of their supposed madness, they cannot possibly fight for themselves. But Elizabeth is about to discover that the merit of losing everything is that you then have nothing to lose... Bestselling author Kate Moore brings her sparkling narrative voice to *The Woman They Could Not Silence*, an unputdownable story of the forgotten woman who courageously fought for her own freedom--and in so doing freed millions more. Elizabeth's refusal to be silenced and her ceaseless quest for justice not only challenged the medical science of the day, and led to a giant leap forward in human rights, it also showcased the most salutary lesson: sometimes, the greatest heroes we have are those inside ourselves. "The glowing ghosts of the radium girls haunt us still."--NPR Books for *The Radium Girls***

## The Lady's Guide to Celestial Mechanics

**HarperCollins As Lucy Muchelney watches her ex-lover's sham of a wedding, she wishes herself anywhere else. It isn't until she finds a letter from the Countess of Moth, looking for someone to translate a groundbreaking French astronomy text, that she knows where to go. Showing up at the Countess' London home, she hoped to find a challenge, not a woman who takes her breath away. Catherine St Day looks forward to a quiet widowhood once her late husband's scientific legacy is fulfilled. She expected to hand off the translation and wash her hands of the project--instead, she is intrigued by the young woman who turns up at her door, begging to be allowed to do the work, and she agrees to let Lucy stay. But as Catherine finds herself longing for Lucy, everything she believes about herself and her life is tested. While Lucy spends her days interpreting the complicated French text, she spends her nights falling in love with the alluring Catherine. But sabotage and old wounds threaten to sever the threads that bind them. Can Lucy and Catherine find the strength to stay together or are they doomed to be star-crossed lovers?**

# The Easy 9-step System to Your First Book in 30 Days

## The Complete Beginners Guide to Become an Authority Author in Weeks!

**Createspace Independent Publishing Platform 17 Times Amazon Best Seller is giving YOU his Complete System! Not only that, he's also giving you his FREE COURSE and the exact Skeleton File (already formatted!) he personally uses for publishing on Kindle! Has he lost it completely? Most likely, but he swears otherwise! He has this stupid idea that if he gives you exactly what you need to solve your problems you might just stick around. By the way, because he has this delusion that you should always put your money where your mouth is, he actually shows you the video where you can see his 17 Amazon Best Sellers. Bananas! He's no saint, though! If you get his FREE COURSE he will try to sell you his complete, over-the-shoulder, professional Course down the line! He offers it for a crazy affordable price and he doesn't even try to upsell you anything. This lunatic believes in transparency and providing real value. These are the worst scumbags! ## The Dance of Anger

# A Woman's Guide to Changing the Patterns of Intimate Relationships

Harper Collins The renowned classic and New York Times bestseller that has transformed the lives of millions of readers, dramatically changing how women and men view relationships. Anger is something we feel. It exists for a reason and always deserves our respect and attention. We all have a right to everything we feel—and certainly our anger is no exception. "Anger is a signal and one worth listening to," writes Dr. Harriet Lerner in her renowned classic that has transformed the lives of millions of readers. While anger deserves our attention and respect, women still learn to silence our anger, to deny it entirely, or to vent it in a way that leaves us feeling helpless and powerless. In this engaging and eminently wise book, Dr. Lerner teaches both women and men to identify the true sources of anger and to use it as a powerful vehicle for creating lasting change. For decades, this book has helped millions of readers learn how to turn their anger into a constructive force for reshaping their lives. With a new introduction by the author, The Dance of Anger is ready to lead the next generation.

## The Cheating Guide

## From a Woman's Point of View

Up close and personal, true life situations encountered by the insatiable player, "The Cheating Guide-From a Woman's Point of View" gives insight to many questions you have been pondering about the cheating game.
