Mirror in the Sky The Life and Music of Stevie Nicks *Univ of California Press* A stunning musical biography of Stevie Nicks that paints a portrait of an artist, not a caricature of a superstar. Reflective and expansive, *Mirror in the Sky* situates Stevie Nicks as one of the finest songwriters of the twentieth century. This biography from distinguished music historian Simon Morrison examines Nicks as a singer and songwriter before and beyond her career with Fleetwood Mac, from the Arizona landscape of her childhood to the strobe-lit Night of 1000 Stevies celebrations. The book uniquely: Analyzes Nicks's craft—the grain of her voice, the poetry of her lyrics, the melodic and harmonic syntax of her songs. Identifies the American folk and country influences on her musical imagination that place her within a distinctly American tradition of women songwriters. Draws from oral histories and surprising archival discoveries to connect Nicks's story to those of California's above- and underground music industries, innovations in recording technology, and gendered restrictions. **Brothers The Hidden History of the Kennedy Years** *Simon and Schuster* Sheds new light on the tumultuous inner life of the Kennedy presidency and its aftermath, revealing the conflicts that tore apart the Kennedy administration and Bobby Kennedy's secret quest to solve his beloved brother's murder. **Assassin's Quest (The Illustrated Edition) The Farseer Trilogy Book 3 Spectra** "An enthralling conclusion to this superb trilogy, displaying an exceptional combination of originality, magic, adventure, character, and drama."—Kirkus Reviews (starred review) King Shrewd is dead at the hands of his son Regal. As is Fitz—or so his enemies and friends believe. But with the help of his allies and his beast magic, he emerges from the grave, deeply scarred in body and soul. The kingdom also teeters toward ruin: Regal has plundered and abandoned the capital, while the rightful heir, Prince Verity, is lost to his mad quest—perhaps to death. Only Verity's return—or the heir his princess carries—can save the Six Duchies. But Fitz will not wait. Driven by loss and bitter memories, he undertakes a quest: to kill Regal. The journey casts him into deep waters, as he discovers wild currents of magic within him—currents that will either drown him or make him something more than he was. Praise for Robin Hobb and *Assassin's Quest* "Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons."—George R. R. Martin "Superbly written, wholly satisfying, unforgettable: better than any fantasy trilogy in print—including mine!"—Melanie Rawn **LIPSTICK AND LIES AND DEADLY GOODBYES** *Jodi Vaughn* Ever been almost-beheaded by a snow-plow? Turned into an undead by a homeless vampire? Cheated and betrayed by your lying sack of s**t husband? Welcome to my life... or, more correctly, my crazy after-life. To everyone behind the gates of our wealthy community in Charming, Mississippi, my husband and I were the Joneses everyone tried to keep up with. A beautiful house, the perfect gated community, two gorgeous kids, and a supposedly flawless marriage. Until I came home and caught him rolling around in our bed, hip-deep in my best friend. Which led to the aforementioned snow plow incident. I woke up with a fear of the sun and a propensity for drinking blood. Or in laymen's terms, a vampire. I thought vampires were supposed to be hot and irresistible. But my Maker smells like he just stepped out of a sewer and he has the appeal of a turd in a punch bowl. But you know how life is as one of the Joneses...gotta keep up. Keep up appearances, that is. I've swapped my Triple, Venti, Sugar-Free, Non-Fat Caramel Macchiato for a stainless steel Rambler that keeps my O-Negative at the perfect room temperature. I can still manage the carpool lane, with the right sunglasses to hide my crazy eyes. But between daytime soccer games, a missing college student who might have been a vampire kill, trying not to drain my soon-to-be-ex-husband, and keeping my neighbors in the dark, I'm shaking in my Jimmy Choos. I'm not sure I can do this. My name is Rachel Jones, and I'm the vampire housewife **Dictionary of the English and German Languages To which is Added a Synopsis of English Words Differently Pronounced by Different Orthoëpists The Huddle** *Chipmunk Publishing Ltd* **Vietnam A History** *New York, N.Y., U.S.A. : Penguin Books* An in-depth study of American involvement in Vietnam, from French dominion to the final withdrawal of American forces, discusses the historical background, political maneuvers, military consequences of American involvement. **The Fishing Gazette Devoted to Angling, River, Lake, and Sea Fishing, and Fish Culture** *Martin Beck, Or, The Story of an Australian Settler* **Martin Beck; or, the story of an Australian Settler** **The Complete Poetical Works of Robert Burns** *Рипол Классик* **Bazaar Exchange and Mart, and Journal of the Household** **Caine Black Knife A Novel** *Del Rey* In *Heroes Die* and *Blade of Tyshalle*, Matthew Stover created a new kind of fantasy novel, and a new kind of hero to go with it: Caine, a street thug turned superstar, battling in a future where reality shows take place in another dimension, on a world where magic exists and gods are up close and personal. In that beautiful, savage land, Caine is an assassin without peer, a living legend born from one of the highest-rated reality shows ever made. That season, Caine almost single-handedly defeated—and all but exterminated—the fiercest of all tribes: the Black Knives. But the shocking truth of what really took place during that blood-drenched adventure has never been revealed . . . until now. Thirty years later, Caine returns to the scene of his greatest triumph—some would say greatest crime—at the request of his adopted brother Orbek, the last of the true Black Knives. But where Caine goes, danger follows, and he soon finds himself back in familiar territory: fighting for his life against impossible odds, with the fate of two worlds hanging in the balance. Just the way Caine likes it. **Miracle The Novel** *Jigsaw Press*

The investigations turn deadly when Gray learns that many of the same people smuggling stolen goods are also involved in sex-trafficking. Iraqi women and girls are being shipped to oil-rich Arab countries for sexual exploitation. The American and British authorities in Baghdad forbid Gray to meddle in the affairs of "friends" of Washington and London. For Gray, the choice is simple. He takes the perilous step into the dark Iraqi underworld where the huge profits generated by assassination-for-hire and sexual exploitation are fueling religious extremism, and will become the future funding base for Islamic State of Iraq and Syria (ISIS). Welcome to the Dark Side is the face-paced prequel to Maggie May, dealing with Marvin Gray's battles with alcoholism, forbidden romances with Arab women, and failed attempts to protect the innocent. **Calcutta Review The Legacy** *Xlibris Corporation* Leading the things which go bump in the night is Sam Bauers job.
