WINTER'S AWAKENING

SEASONS OF SUGARCREEK, BOOK ONE

Zondervan As the coldest winter on record blows into Sugarcreek, will three hearts have the courage to discover the life that God wants for them? In the small Amish town of Sugarcreek, Ohio, Joshua knows what's expected of him: to work at the family store and to finally marry Gretta, whom he's courted for years. But when a new English family moves in next door—and their teenage daughter catches his eye—Joshua wonders if his future plans are too firmly set in stone. Gretta is shocked by the sudden change in Joshua. Their arguments followed by tense silences feel too much like the frosty atmosphere at home between her parents. When Roland begins to take an interest in her, she considers what her life might be like with Joshua out of the picture. With Roland, Gretta would have steady, kind companionship...although she knows she could never love him. When Lilly moved to Sugarcreek, she never imagined she'd be enamored with the Amish way of life—and especially with her handsome new neighbor, Joshua. But she guards a secret that will surely drive him away, one that compelled her family to leave their old home and move to Sugarcreek in the first place: Lilly is pregnant.

WINTER AWAKENING

Elizabeth Lennox Some say you can never go back. But what if going back felt right? And what if your first love still made you feel those crazy sensations? Kate had never forgotten Mack or the dreams they'd talked about. Mack of the shocking kisses and intense silence. Mack, her first lover and her first love. Nothing had changed. Mack knew she was trouble. Kate had always been his kryptonite, but watching her flit back into town was like a knife tearing through his gut. He tried to resist her, tried to pretend that she didn't affect him. But this was Kate. And she was even more beautiful now. They were both older and wiser. Could their life experiences help them remain sane this time around?

WINTER AWAKENING

Wolfsinger Pub Terrified shrieks reached Word Warrior's ears as he floundered up the embankment. In the gully below he saw the blood stained snow and the dead corpse of the screaming kitten's mother. With a battle cry born of his ancestors he charged down the hill - unaware of the high hunter lurking in the pines. In the storm filled mountains, Anumati heard

scratching at the entrance of her den. Her every instinct was to protect the three young who lay at her side. Her body tensed for battle as two howlers padded in. World Warrior and Anumati are unaware kittens, pups and rightful prey are being stolen by strange metal monster. All that is left behind are odd jagged paw prints of an animal they do not know. In their world of snow and biting wind they must decide if they trust each other enough to find out the truth or if old predator-prey rules remain with no hope for change.

THE AWAKENING OF GLOBAL CONSCIOUSNESS

A GUIDE TO SELF-REALIZATION AND SPIRITUALITY

AuthorHouse One of the world's leading spiritual teachers returns with an inspiring and provocative message with solutions to our planetary crises, offering effective steps to change the world and integrate all levels of our Being. Religion is psychological entrapment promoting the controlled behavior of the herd civilization. Institutionalized organized religion is the cause of enslavement, violence, prejudice, hatred, classism, and war. False religious institutions created god in their own personal image and after the likeness of their own mind for control and money. Every religious holy book has been altered, dissected, rewritten, and censored to appear as the word of God, and all the gods of religious holy books are controlled by fundamentalists. Organized religion is a serious threat to the human race and a mental illness that afflicts over 80% of the world's population. It has nothing to do with spirituality and is no more than a collection of unholy lies. The spiritual terrorism of religion frowns upon free will, dispises questions, prohibits doubt, and survives on blind faith. Eternal life with God is only promised to the obedient religious-slaves who unconditionally follow rigid religious belief structures. This mythology was created based on division, not unity. Control is the essence of evil. The easiest way to control humanity is through fear, which is why the religious Elite created gods of intimidation and fear; to control others and solicit money. "The Awakening of Global Consciousness is a must read for the millions who've read Jawara's earlier classic books and a great beginning for those unfamiliar with his great works questioning the validity of the world's three major religions."

LIFE AND LIGHT FOR WOMAN

GIVE US THIS DAY

THE STORY OF PRAYER

SteinerBooks Gandhi called prayer "the key of the morning and the bolt of the evening." But what is a prayer? Do you need to believe in God in order to pray? Why are the words important? What is the difference between prayer and meditation? Should you ask for things when you pray? Do prayers change the world around us? Rufus Goodwin--writer, linguist, and former United Press correspondent to the Vatican--addresses these and other questions about prayer in this thoughtful book. He examines the various traditions of prayer through the ages. He discusses practices, ranging from the ancient Indian yoga of sound to the Christian monastic rules of prayer, giving examples of the various religious litanies that ritualize and celebrate the sense of a higher life. Goodwin's intention is not to compare different traditions, but to get at the essential technique and the attitude of prayer--its cognitive workings. Prayer is seen as key to an active inner life and an experience of the higher self. He shows us how prayer can bring about a cognitive restructuring that provides greater access to renewal, imagination, inspiration, and intuition, and provides an anchor for meaning in daily life.

THE WITCHING HERBS

13 ESSENTIAL PLANTS AND HERBS FOR YOUR MAGICAL GARDEN

Weiser Books Harold Roth is a leading authority on plant/herbal magic. His new book, *The Witching Herbs*, is an in-depth exploration of 13 essential plants and herbs most closely associated with witchcraft—13 because it's the witching number and reflects the 13 months of the lunar calendar. The plants are poppy, clary sage, yarrow, rue, hyssop, vervain, mugwort, wormwood, datura, wild tobacco, henbane, belladonna, and mandrake. Roth writes simply and clearly on a vast amount of esoteric information that is not easily found elsewhere and will be greeted enthusiastically by those who already have extensive experience and libraries. It is unique in that it combines mysticism with practical instructions for growing each plant, based on Roth's 30 years of gardening expertise. Each chapter focuses on one plant and includes information on its unique plant spirit familiar, clear how-to instructions for magical projects, and pragmatic information on growing and cultivating. Roth writes, "This book is a great choice for intermediate-to-advanced witches who would like to work more closely with the traditional witching herbs, especially

the baneful plants with their rather difficult spirits. Working directly with spirits is one of the fundamentals of the Craft." The Witching Herbs is the essential plant-worker's guide. Roth is not only a successful gardener, but also a magician and scholar of the occult. No other book blends clear, practical gardening techniques with equally lucid and sophisticated plant magic so successfully.
