Zomblog: The Final Entry

May December Publications LLC It has been over two years since the dead began to walk. The shattered remnants of civilization continue desperately to try and rebuild society...for better or for worse. As far as Meredith Gainey is concerned, they can do it without her help. Fixated on a mysterious radio message, she sets out on an unlikely adventure. This time she is joined by her dog and an unlikely companion. Eric Grayfeather. On her journey, she will encounter everything that is good and bad about humanity. Everything from a group of children who have no trust left in adults, to an all-female clan who lure men to their doom using themselves as live bait. It's all there, and it only serves to prove Meredith's point that maybe the world would be a better place without humans. As always, she documents her travels, allowing you to see the dead world through her eyes. This is Zomblog: The Final Entry

Dead

The Ugly Beginning

"The unthinkable has happened. The dead are walking! Humanity's fragile thread may be reaching its bitter end. Individuals and groups struggle to survive... some at any cost. Where there be anybody left? Or, is this just The ugly beginning?"--Back cover.

The Enemy

Little, Brown Books for Young Readers In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over-the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, The Enemy is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.

Odium

Book 7 in the bestselling post-apocalyptic romance series. How can we love in a world full of death?A year has gone by and Nina is filled with rage and grief for her many losses. Only one thing remains the same: her hate for the Savages and the desire for their death.More bitter and broken than she's ever been before, she wonders if she can ever find her way back to the light again. But Shooter hasn't given up on her yet, and neither have the rest of the Devil's Highwaymen.Mikey, living at Haven, is not the man he once was.He hunts. He kills. He protects...but inside he has fallen apart.He may have survived his time as the Savages' prisoner and come away with all his body parts intact, but they managed to carve away a more vital part of him and he doesn't know how to get it back.Revenge is on both of their minds, their mutual hatred for the Savages continually driving them on toward an uncertain future. Together or apart, their enemy is the same, and they both cling to the hope of taking the head of the one who stole everything from them.Only one thing is certain now: if they are to survive this enemy, they must seek out a truth that has evaded them thus far.But will this truth destroy them?Only time will tell.Series reading order: Odium 0.5 is a prequel to the series and can be read either before

Pride and Prejudice and Zombies: Dawn of the Dreadfuls

Quirk Books Complete with romance, action, comedy, and an army of shambling corpses, this prequel to the hit mash-up novel will have Jane Austen rolling in her grave—or crawling out of it! Four years before the events of Pride and Prejudice and Zombies, the Bennet sisters are enjoying a peaceful life in the English countryside, reading, gardening, and daydreaming about future husbands—until a funeral at the local parish goes strangely and horribly awry. Suddenly, corpses are springing from the soft earth—and only one family can stop them. As the bodies pile up, Elizabeth Bennet grows from a naive young teenager into a savage slayer of the undead. Along the way, two men vie for her affections: Master Hawksworth is the powerful warrior who trains her to kill, while thoughtful Dr. Keckilpenny seeks to conquer the walking dead using science instead of strength. Will either man win the prize of Elizabeth’s heart? Or will their hearts be feasted upon by hordes of marauding zombies?

Zomblog II

Meredith Gainey is a survivor...and determined to retain that status as the zombie apocalypse wipes out most of humanity. Unable to accept an existence behind walls and fences, she finds herself in constant danger...and she wouldn't have it any other way.

Dead

Revelations

The zombies have risen, the world has spiraled into chaos. Small pockets of survivors continue to struggle each day to survive. The best and worst of humanity fight the undead and themselves as they come to grips with a new, violent reality. See the world through Steve's eyes as he tries to balance the duties of leading a band of survivors while caring for a young, Hispanic orphan girl. Ride along with a band of self-professed "zombie-geeks" who are discovering that living through the apocalypse is vastly different than watching it on television. Peek in at horrifying shapshots of men and women...good and bad. This is- Dead: Revelations

Odium III

The Dead Saga

CreateSpace In this life, nothing is simple...not even DEATH In the third instalment of the Odium series, having distanced herself from Mikey, Nina is on a mission. She's seeking a woman who could be the answer to all their problems...or just another nightmare made reality. Travelling alongside Nova, the two women are faced with countless threats and inexplicable circumstances...just another day in the land of the dead. But Nina is changing, feeling the strain of this life, and beginning to rethink the choices she's made and the woman she's become. New allies will be forged on this road of self-discovery, bonds will be broken, and old enemies will resurface. Nina will be forced to make a decision that could have devastating consequences. However life is nothing without someone to love, or a family to love you in return. And in this new world, there is only one way to prove that love is still possible. Sacrifice.

Yesterday's Gone

Season three

They thought they were alone. They were wrong. On October 15th, humanity went missing. A handful of scattered survivors wake to find the world empty of friends, family, and neighbors. Among them, a child searches for his family. A special agent turned enemy of the state survives a fiery plane crash with no way to reach his daughter. A serial killer discovers he's no longer at the top of the food chain. Now these strangers must find the strength inside them to weather the new world. But they are not alone. In the absence of civilization, a new threat emerges. In the stillness, it waits and watches, preying on their weakness. Their only hope is to find more survivors, rise above their fear, and face the oncoming darkness. But can they unite before they too are lost? And can they all be trusted?

Lizzie Borden, Zombie Hunter

Createspace Independent Publishing Platform Every family has its secrets... One hot August morning in 1892, Lizzie Borden picked up an axe and murdered her father and stepmother. Newspapers claim she did it for the oldest of reasons: family conflicts, jealousy and greed. But what if her parents were already dead? What if Lizzie slaughtered them because they'd become... zombies? Thrust into a horrific world where the walking dead are part of a shocking conspiracy to infect not only Fall River, Massachusetts, but also the world beyond, Lizzie battles to protect her sister, Emma, and her hometown from nightmarish ghouls and the evil forces controlling them. *New second edition with new cover.

Black Virus

Beezle Media LLC Alienated in a world where he doesn't fit in, Christian Black survives because he's different. Then the virus came, and made the world turn different, too. Now people are dying by the million. Food supplies are short. Riots are blazing through the streets, and Christian's only goal is to keep his family alive. But safety lies far from the city, and just getting out will be more difficult than anyone knows.

The Soul Mate

Holy Trinity Trilogy

CreateSpace Trinity had an ordinary life. That is, until she barely escaped a worldwide apocalyptic plague that took her loved ones from her and transformed most of humanity into flesh-eating monsters. Gerik, her savior, a six-foot-four-inch Scandinavian Gypsy, takes her back to his magically protected Gypsy camp where she discovers a whole new way of life that she never knew existed-as well as a whole new set of problems. Gerik has power over her that she cannot begin to understand, and she is convinced he is using his magic on her. Through her journey of trying to understand her feelings and this new magic-filled life she's been brought into, she begins an unlikely friendship that grows into having potential to be something more. While the remaining humans are fighting for their survival, Trinity is fighting a battle of her very own-the right to choose her own destiny. Is Gerik's hold on her too strong? Or can new

love set her free?

Thicker Than Blood

CreateSpace A true friendship never dies. Leisel and Evelyn lost everything. Husbands. Families. Friends. Lives that made sense. All they had left was each other, and a friendship that could withstand anything... Even an apocalypse. Until one fateful night, the marginal safety they'd come to rely on comes to a vicious and brutal end. With the help of Alex & Jami, both unlikely allies, Leisel and Evelyn are able to escape their shattered sanctuary only to find themselves face-to-face with a much altered, much crueler life where they have to find the way-and the will-to stay alive in a world they no longer recognize. Traveling across a broken and infection-ridden country; the road-weary group are pitted against endless violence, improbable circumstances, and the ultimate loss. Everything comes at a price-especially safety, the cost of which could very well strip them of the one thing they've tried so hard to cling to: their humanity. Yet along with all the trials they're forced to endure, there's also hope in the form of love. Having loved Leisel from afar, Alex attempts to put the pieces of her fractured heart back together. But in such a savage world, is there room for love? In a place of nightmares-made-reality, where the living should be feared far more than the dead, an unbreakable friendship and a love amongst all odds can mean the difference between life and death. There are friends... And then there are Leisel and Evelyn.

Devils Desk

DevilDog Press Katmai National Park: 7,000 square miles of rugged, isolated wilderness in southern Alaska. Vast stretches of frozen tundra, deep ancient forests, and impassable ravines ruled by the massive volcanic God, Devils Desk. Despite the vigorous protests of Michael, the Talbots and the Tynes head to the park for a much-needed vacation away from it all. The adventure begins with deluxe cabins, mind-blowing scenery, and a cast of suspiciously odd characters, including a few old friends they've never met. But the idyllic surroundings quickly devolve into a hellscape as a mutilated body is discovered, the earth breaks apart around them, the worst storm in history moves in...and a terrifying race of flesh devouring monsters hunts down the desperate, forsaken group. Yep. They should have gone to Vegas.

Ride Or Die #1

A Devil's Highwaymen MC Novel

Createspace Independent Publishing Platform Ride or Die #1 A Devil's Highwaymen MC novel 'We would blow up this world and create something beautiful in its ruins' Jesse & Laney 1985 We were each survivors of our upbringing: lost, unloved and afraid. But like moths to a flame, we couldn't stay apart. We loved. We lost. We fought. We cried. And then we shattered each other's hearts. Jesse was a hard man: a biker outlaw for the Devil's Highwaymen MC. I was Laney: the daughter of a dead mother and a father that didn't know or want me. We were doomed right from the start. But this was our romance. And this was our disaster. And hopefully, this would be our second chance.

Chivalry Is Dead

"Ladies First." So say the gentlemen. This is the companion anthology to Hell Hath No Fury... Inside, you will find an undead baker's dozen that will remind you of how dark and desolate the minds of men can truly be. Vowing not to be upstaged by the dark musings of their female cohorts, the men offer up a visceral, gore-drenched collection that strives to prove...Chivalry Is Dead!

That Ghoul Ava...on the Lam

This Fallen World

In a world after the apocalypse left from the Corporate Wars, Mathew Kade does a job most cannot. He finds those who are lost using skills left from a time before the Fall. The city is a broken shadow of its former self with blocks controlled by Warlords and danger that lurks around every corner. Thugs and killers walk the streets and things could get even more complicated after a local Warlord places a bounty on the head of Kade. Bounty hunters from far and wide may be after his head, but this is just a short walk in the park for a former Corporate Agent....

Claiming Cari

Gilroy Clan I'm the good Gilroy. Not the serious one--the control freak who doesn't know how to smile and had his entire life planned before he was old enough to drink and certainly not the one who runs around sticking his d**k into anything with a pulse. I'm Patrick Gilroy. Thoughtful. Considerate. Dependable. Mr. Nice Guy. That's how Cari used to see me. But that was before. Before she moved in and made my life a living hell. Made me want things I'd convinced myself I could never have. Things that made me question who I really am. And how far I'm willing to go to get them. Because I never wanted to be just her friend. I've always wanted more. A lot more. Now that she's pushed me over the edge, she's going to find out just how much. Now that I've had her, I'm not going to stop until I take it all. Now I'm going to finish what Cari started. No more Mr. Nice Guy. ****Warning**** This 90k words romance novel is intended for mature (18+) audiences only! You've been warned! ******This full-length novel is the SECOND in a series and resolved the cliffhanger in book one, PUSHING PATRICK. There is no cheating and ends in HEA. ******

Burning Down Boise

Dan Slaughter has given up on appearances. With his wife dead and his kids grown, he's slowly reverting back to the east Tennessee boy he used to be three decades earlier. He quit cutting his hair and started smoking pot. He drinks when he wants to and sings along with the classic songs of his lost youth. When his childhood friend Carl dies suddenly, Dan agrees to help Carl's mother with the estate, even when it means traveling across the country to Boise, Idaho. Worse yet, Dan has to fly and that's no easy task for a paranoid hillbilly not used to following rules. Once he arrives in Boise, it doesn't take long for Dan to figure out that there's a lot more to his friend's death than he'd been led to believe. He begins to suspect the overdose was actually murder and he can't let it rest. Only days after arriving, a mysterious solar event traps Dan in the city, leaving him with no prospect of returning home anytime soon. Rather than panicking, Dan readily accepts the new state of things. For him, the apocalypse is an opportunity. With no law enforcement, his plan to deliver a dose of Tennessee justice in downtown Boise just got a whole lot easier.

Odium IV

The Dead Saga

Createspace Independent Publishing Platform **Book four in the award-winning post-apocalyptic series... at the end of the world, there's no time to mourn** The Dead Aren't the only thing to fear... A kid, an old lady, and a heartbroken man...what could possibly go wrong? Mikey is holding true to his promise to Nina, and is doing everything he can to keep the group alive. But when something attacks the threesome in the middle of the night, things begin to take a turn for the worst. Luckily a new group-the N.E.O.s are on hand to ease Mikey's burden and help fight alongside him. But first he must prove his worth to the leader Aiken and the people that follow him. Within this new group, Mikey begins to find a form of peace that he didn't think was possible after losing Nina, and he discovers his place within this new world. A place where killing isn't for fun, and is only ever committed as a last resort. His heart is still aching, but at the end of the world there's no time to stop and mourn, and as he searches out a Circus Freak Show and the horrors begin to stack up around him, Nina slips far from his mind. It's probably best, because there are many more terrors in store for him. Because within the folds of a small town, inside an old candy store, he meets a woman named Clare, her two dogs and something that he never saw coming.

Virtue and Valor

Can happily ever after exist somewhere between virtue and valor? Bartholomew Yancy never intended to take a wife. But the earldom he inherited changed everything. Now, as Earl of Ramsbury and last of his line, he's obligated to resign his position as England's War Secretary, find a wife, and produce an heir in that order. It's just his unfortunate luck that the enchanting Scotswoman he wants to marry is entirely...disinterested. Isobel Ferguson had all but abandoned hope of finding a husband in the Highlands. Men here-just like men everywhere else-only seemed to fancy her appearance, not her intellect. She's sure the disarmingly attractive Yancy is no different. If he thinks she'll fall prey to a notorious rake like him, he's severely underestimated her. But when a case of mistaken identity and an abduction gone wrong lands her in a compromising situation, marrying Yancy might be the only way to salvage her damaged reputation. And so, the battle of wills begins... Historical romance at its best! This sigh-worthy Scottish Regency by a USA Today bestselling author will have you reaching for the tissues! Triumph and Treasure

She was a means to an end...he wasn't supposed to ever love her. He lived an idyllic life... One day, Flynn, Earl of Luxmoore, was a wealthy, carefree lord, courting the woman he intended to wed. And the next day, he's stripped of all but his title and left with no means to care for his loved ones. When the person responsible for his ruination offers him a solution-marriage to an unwilling and resentful American beauty-he has no choice but to accept. Not if he wants to care for his ailing mother, elderly grandmother, and disabled sister. Fate dealt her a cruel hand... Angelina Ellsworth unwittingly committed bigamy, and when she finds herself pregnant, she'll do anything to protect her baby. Including fleeing to England and marrying a handsome nobleman, every bit as desperate and opposed to their marriage of convenience as she. She agrees to wed Flynn, stipulating two conditions: the union is in name only, and after a year, they'll go their separate ways. Except, Angelina didn't count on her first husband, refusing to let her go. Resentment and

anger war with passion and desire... Flynn risks his life to protect Angelina from the madman pursuing her, but is his sacrifice enough? Can a woman who's vowed to never trust a man again and an embittered lord find contentment in an arranged marriage neither wanted? Historical romance at its best! The Revenge Artist

CreateSpace They say money can't buy you love. Becca Williamson begs to differ. Once upon a time, Becca was the Break-Up Artist, tearing apart unhealthy relationships at her school for just \$100 via PayPal. But after a job went really wrong, she went legit for love and now brings couples together. Crushing on that supercute guy in Chemistry but too shy to say hi? Becca has the right formula. Pining for that artsy girl who vowed never to date a jock? Becca will ensure love conquers all. She's even engineered a relationship of her own: the funny, sweet and unbelievably cute Fred Teplitzky, the one guy who knows exactly what to say to make our unflappable heroine...well, flappable. But before she can pick out a graduation robe and enjoy her last months at Ashland High, Becca has to deal with a new Break-Up Artist on the block. And this master manipulator is dead set on one thing: revenge. Someone is going around destroying all of the couples she's worked hard to unite. Now Becca has to outwit and outscheme her new foe in a dirty cat-and-mouse chase filled with hacked emails, video surveillance, reputation ruining and a few candy hearts-especially when she realizes that the Revenge Artist's number one target is her and Fred. Looks like there are no such things as clean breaks.

Blindsighted

Harper Collins Gillian Flynn says, "Karin Slaughter is simply one of the best thriller writers working today." A small Georgia town erupts in panic when a young college professor is found brutally mutilated in the local diner. But it's only when town pediatrician and coroner

Sara Linton does the autopsy that the full extent of the killer's twisted work becomes clear. Sara's ex-husband, police chief Jeffrey Tolliver, leads the investigation—a trail of terror that grows increasingly macabre when another local woman is found crucified a few days later. But he's got more than a sadistic serial killer on his hands, for the county's sole female detective, Lena Adams—the first victim's sister—want to serve her own justice. But it is Sara who holds the key to finding the killer. A secret from her past could unmask the brilliantly malevolent psychopath .. or mean her death.

The Seven or Eight Deaths of Stella Fortuna

A Novel

HarperCollins From Calabria to Connecticut: a sweeping family saga about sisterhood, secrets, Italian immigration, the American dream, and one woman's tenacious fight against her own fate For Stella Fortuna, death has always been a part of life. Stella's childhood is full of strange, life-threatening incidents—moments where ordinary situations like cooking eggplant or feeding the pigs inexplicably take lethal turns. Even Stella's own mother is convinced that her daughter is cursed or haunted. In her rugged Italian village, Stella is considered an oddity—beautiful and smart, insolent and cold. Stella uses her peculiar toughness to protect her slower, plainer baby sister Tina from life's harshest realities. But she also provokes the ire of her father Antonio: a man who demands subservience from women and whose greatest gift to his family is his absence. When the Fortunas emigrate to America on the cusp of World War II, Stella and Tina must come of age side-by-side in a hostile new world with strict expectations for each of them. Soon Stella learns that her survival is worthless without the one thing her family will deny her at any cost: her independence. In present-day Connecticut, one family member tells this heartrending story, determined to understand the persisting rift between the now-elderly Stella and Tina. A richly told debut, The Seven or Eight Deaths of Stella Fortuna is a tale of family transgressions as ancient and twisted as the olive branch that could heal them. "Witty and deeply felt." —Entertainment Weekly (New and Notable) "The Seven or Eight Deaths of Stella Fortuna achieves what no sweeping history lesson about American immigrants could: It brings to life a woman that time and history would have ignored." —Washington Post

Wait with Me

When romance novelist Kate Smith suddenly gets writer's block as she's beginning the final installment of her international bestselling erotic Bed 'n Breakfast series, she'll do pretty much anything to get her groove back. Like sneak into a Tire Depot waiting room because her words flow there just like complimentary coffee-smooth, sweet, and scorchingly hot. She manages to fly under the radar until the rugged and charming mechanic, Miles Hudson, notices the quirky redhead slinking in and out of the employees only entrance. But she's way too intriguing to blow the whistle on. Doing a test-drive of her new book idea sounds like a much better option.

Black Rust

Let somebody else save the world. Christian Black is just trying to stay out of jail. Garbage man, exterminator, murderer? Yeah, maybe, but hey, everybody's got to pay the rent, right? It's been 20 years since the Brisbane strain left most of the world too debilitated to tie their own shoes. It wasn't exactly the apocalypse everybody hoped for. Most of the unpleasant responsibilities of being an adult kind of got worse. But with every change comes opportunity, and Christian Black found his opportunity in exterminating debilitated people who just couldn't manage to keep themselves from doing violent things. He got to work outdoors. He got to be his own boss. The government paid a bounty on each head. It was a good gig. At least it was until he accidentally killed a few dozen of the wrong people. Oops. Societies, even when they change, take a dim view of murder. And now Christian Black might have to kill a few more if he wants to stay out of jail. Download today and start an adventure you won't be able to put down.

Odium V

The Dead Saga

ODIUM V The Dead Saga On route to find their friends, Nina and Michael find so much more. After almost being killed by the Devil's Highwaymen-a fifty strong motorcycle gang, Nina and Michael are forced to take refuge at their headquarters until Michael recovers. Finding a new purpose in life isn't easy, but Nina is realizing that she's stronger than she believes and needed more than she knows. At least, that's what Shooter-the brutish, blue-eyed president of the biker gang, keeps telling her. *Meanwhile, Mikey is trapped in the candy store. Phil is gone, so is O'Donnell, and who knows what's happened to Ricky. All Mikey knows is that he's in for a whole world of pain unless he can think of a way to escape before Tim and Clare turn him into their lunch. * With both of their lives hanging in the balance and heading in completely different directions, Nina and Mikey drift further apart. And it's not just distance that separates them. Because when your fates keep pulling you away from one another, maybe it's time to just call it a day and move on.** what people are saying**- The Dead Saga is back, and Odium V is a thrilling read full of action, suspense, zombies, and smoking hot bikers! Overall, I highly recommend Odium V and the entire Dead Saga to anyone who enjoys action, suspense, romance, and of course zombies. Nina is my favorite heroine of all time, and I am not going to lie there are times in my daily life when I think to myself "what would Nina do" and I instantly find the inner strength I need to make it through that moment. - Liz @ Crazies R' Us book blog- The Odium series keeps getting better and better. Not every series can sustain itself through five installments, but Odium most definitely can and does. Every book in the series introduces us to new and exciting characters while keeping us attached in love and/or hate relationships with the ones who are already in our lives. - Melanie @ FangFreakin' Tastic Book reviews- I stayed up WAY too late last night, so that's certainly saying something. It feels like it's been ages since I said, "But I only have 20% left, I may as well keep going...*sigh* Odium VI can't come fast enough. - Lindsay - Contagious Reads- OMG OMG OMG!!! Nina - bikers - zombies - OH MY! I CANNOT tell you how many times I gasped, screamed in my pillow, shook my head, wanted to kick Nina's butt! The emotions are endless! If you've read from the very beginning you KNOW how Claire writes. It's SO good you can't put it down till you're finished. She leaves you on the brink of death and brings you right back to life. I freaking love it. - Brandi - After the Pages Book Blog

Odium VI: The Dead Saga

Odium the Dead Saga Book six in the heart-racing post-apocalyptic series, *Odium!* People will do anything to survive! In the sixth book of the *Dead Saga* series, Nina is fighting more than just her demons; she's waging war upon evil, because the greatest enemy now isn't the deaders-it's humans. Determined to eradicate the Savages from earth, Nina must settle an age-old argument and bring together mortal enemies. Because it's more than just their own survival at risk now...it's everyone's. Running blindly toward danger is what Nina does best-only this time her eyes are wide open. She knows the risks, but she also knows that time is running out for Mikey: the Savages are hungry, and they'll only play with their food for so long. Nina must eventually make the choice between love and survival, because in a world gone mad, you can't have both, and no matter how much you want to stay, sometimes it's easier to say goodbye.

Star Mother

47North A woman's heart proves as infinite as the night sky in a breathtaking fantasy by Wall Street Journal bestselling author Charlie N. Holmberg. When a star dies, a new one must be born. The Sun God chooses the village of Endwever to provide a mortal womb. The birthing of a star is always fatal for the mother, and Ceris Wenden, who considers herself an outsider, sacrifices herself to secure her family's honor and take control of her legacy. But after her star child is born, Ceris does what no other star mother has: she survives. When Ceris returns to Endwever, however, it's not nine months later--it's seven hundred years later. Inexplicably displaced in time, Ceris is determined to seek out her descendants. Being a woman traveling alone brings its own challenges, until Ceris encounters a mysterious--and desperate--godling. Ristriel is incorporeal, a fugitive, a trickster, and the only being who can guide Ceris safely to her destination. Now, as Ceris traverses realms both mortal and beyond, her journey truly begins. Together, pursued across the Earth and trespassing the heavens, Ceris and Ristriel are on a path to illuminate the mysteries that bind them and discover the secrets of the celestial world.

When Violet inexplicably wakes thousands of years after a nuclear holocaust, she finds the world very different. Fae exist now. They're vicious, animalistic monsters who pervert magic and can morph into any shape-including vampires. They hoard the bounty of the new world, and keep humans banished to the wasteland. At least, that's what the humans of today have told her. Determined to make up for an unforgivable mistake in her past, she becomes a covert assassin and seeks revenge for her human brethren. And she's good at it. But when the thing she hunts saves her life, injuring himself in the process... her crystal clarity suddenly becomes blurry. Vampires are meant to be monsters, not protectors... not charismatic, annoyingly handsome and loyal and... everything. Indigo is a Fae Guardian, and a ruthless vampire protector of Elphyne. The Order has tasked him with finding a human with deadly secrets before the unhinged Unseelie Queen, or the fanatical human leader, can exploit her. They chose him for one reason, and one reason only - the taste of human blood does things to him. Addictive, dark, insatiable things. And when he catches Violet's scent, they know he'll do everything in his power to covet her and keep her safe. But Indigo hides his own shameful secret in the shadows of his heart, and if it ever comes to light, Violet will never trust him. She'll kill him. The Secrets in Shadow and Blood is the next installment in the Fae Guardians series, and the first in the Season of the Vampire Trilogy. Each book features a separate couple with a satisfying HEA, but to enjoy the full benefits of the over arching plot, start the Fae Guardian journey with book one of Fae Guardians: Season of the Wolf. All Fae Guardian books include steamy romance, a splash of time travel, monster hunting, a band of brothers, fated mates, growly fae protectors, and their strong willed women from our

time. If you love your books full of page turning action, romantic tension, and world building you can get lost in, then this series is for you. Warning: Trusting these seductive fae will lead to sleepless nights. But it will be worth it.;

The Walking Dead: Compendium 1

Image Comics, Inc. The Walking Dead Compendium is here! Since 2003, Robert Kirkman's The Walking Dead has been redefining the survival horror genre with its unique and vivid account of life after the end of the world. Although the cast is diverse and often changing (including, of course, a great number of zombies), at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48.

Smashed

A Savvy MacAvoy Story

CreateSpace Savvy Macavoy is not your typical private investigator. Her braids, jeans, and sandals always give off a unique impression on her clients. Savvy has lived an interesting life and with her best friend, Leonard at her side, loves living her life, her way. She isn't ashamed of her childhood spent on the hippie commune, but has an estranged relationship with her six brothers. Savvy is attracted to her whiskey but tries to maintain being professional when she's working for clients. Savvy thought everything in her life was under her control, until she met Strick, a veteran forced into the homeless life on the streets. When he crosses her path, without thinking or forethought, something about Strick draws her into him, and she immediately helps him. Savvy tries to focus on her case, enlisting Strick's help, to search for the missing late husband of wealthy widow Angelica Margolis. Strick and Savvy try to solve the mystery of "The Missing Harold."
